# Logging into Family Access

## Family Access

---

Family Access is your portal into Edmonds School District’s student information system. You will find important information about your student, such as grades, report cards, attendance, and more.

In this guide, you will find information regarding:

- [Obtaining Your Username and Password](#)
- [Accessing Family Access](#)
- [Resetting Your Password and Viewing Your Username](#)

## Obtaining Your Username and Password

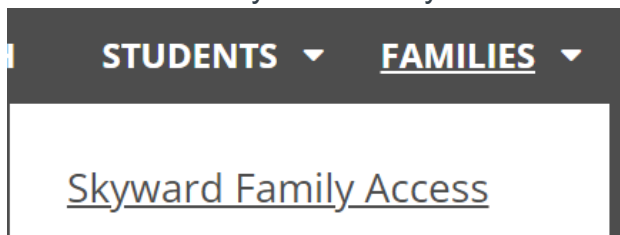

Once your student is enrolled completely, you will receive an email notice with your username, password, and instructions for logging into Family Access. If you don’t receive this notice, please contact your student’s school office.

## Accessing Family Access

To open the login page for Family Access, visit Edmonds School District’s [Family Access page](#).

Once on the main website,

1. Select “Families.”
2. Select “Select Skyward Family Access.”

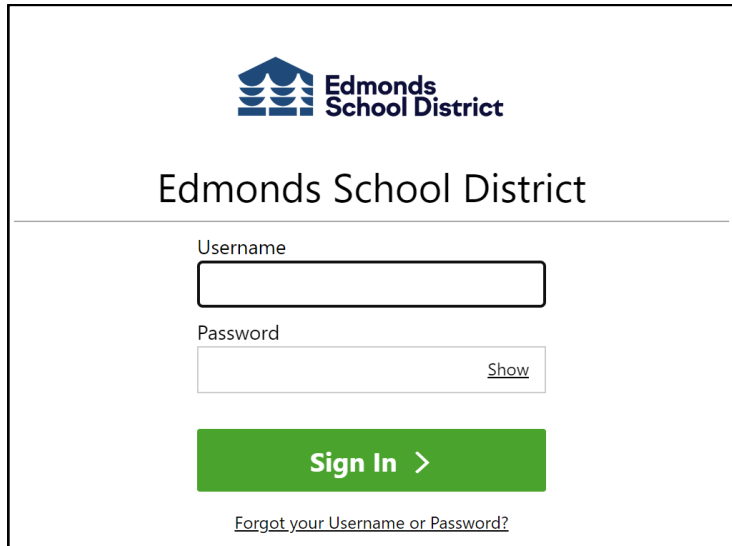

3. Click, “Go to Family Access!”

You’ll find additional guides and tutorials on this site.

## Resetting Your Password and Viewing Your Username

If you do not remember your username or password, click on “Forgot Your Username/Login?” link on the login page.

The screenshot shows the Edmonds School District login interface. At the top left is the Edmonds School District logo. Below it, the text "Edmonds School District" is centered. Underneath is a horizontal line. Below the line are two input fields: "Username" and "Password". The "Password" field has a "Show" link to its right. Below the input fields is a green "Sign In >" button. At the bottom of the form area is a link that reads "Forgot your Username or Password?"

You'll be prompted to enter your email address or username. If your email address or username matches the email address or username in Family Access, you will receive an email message containing your login information and instructions for resetting your password.
