Hockinson High School - 2023-2024

January 5, 2024

Dear Hawk Students, Families, and Friends:

Happy New Year, Hawks! I cannot believe it is 2024. I was told at my own high school graduation in the year 2000 (Y2K, anyone) that we'd have flying cars, living on floating islands in the sky. So much for that! Well, it is the future and I appreciate what we do have. I hope you all had a great and restful winter break. I am so happy to be back with you all.

1000 Cranes Art Project

In one of our art classes, students created 1200 origami cranes. In Japanese culture, cranes are sacred creatures and represents good fortune and longevity. By folding 1000 origami cranes, called

"senbarazu," it becomes a symbol of hope and healing. Currently, the art installation is hanging up in our Commons until we move it to our more permanent location. Be on the look out!
