

2023 – 2024

BOARD OF TRUSTEES PRIORITIES

TEACHING & LEARNING

- Pilot and adopt a new **English Language Arts curriculum** (based on the science of reading) and a new middle school **Science curriculum**, to be used starting in the 2024-25 academic year.
- Support **professional development** for teachers and staff.
- Execute a plan to ensure the new Bond-supported **classrooms and outdoor spaces** are used to their “best and highest” purposes and that they support our students’ ability to collaborate, be creative, and enhance their critical thinking skills with hands-on learning opportunities.

WELLNESS & SAFETY

- Contribute sufficient resources and time to full implementation of **MTSS (Multi-Tiered Systems of Support)** at both school sites to support each students’ academic and emotional well-being, and adopt a universal screener for students’ socio-emotional state.
- Assess and begin implementation of additional campus **physical safety and security measures**.

COMMUNITY & COMMUNICATION

- Maintain **consistent, transparent, timely, and effective communication** in an effort to engage and educate all stakeholders within our community.
- **Showcase the academic experience and the excellence** of our District in a compelling manner.
- Maintain and establish **partnerships** with local organizations.
- Ensure that all community members have meaningful opportunities to embrace and celebrate different cultures and identities with the ultimate aim of fostering an **inclusive and harmonious** community.

FINANCE, RESOURCE ALLOCATION, & FACILITIES

- Ensure that all **fiscal decisions are student-centered** and will ensure long-term fiscal stability and solvency of the District.
- Plan for and **maintain school facilities** to meet current and future educational needs and to ensure the longevity of our community’s investment in our schools.

Governance Goals:

Ensure and foster effective District governance through continued positive and productive Board/Superintendent relationships. Prioritize communication, shared learning, and mutual respect to maintain PVSD’s strong governance.
