

(School) Climate Survey: Middle School

We want to know what you think about your school in order to help all members of the school (students, parents, and school personnel) understand how you feel about your school. There is no right or wrong answer - this is not a test! Your responses will provide us with important information to help your school become even better.

Your responses are completely anonymous, which means your teachers or family will not see your answers.

As you respond to each item, focus on your thoughts and feelings based on your own experiences as a student. Please answer all the questions. If you need help reading a question, you may ask the person giving the survey or your teacher.

This survey should take you approximately 10 minutes.
