WRESTLING – Thursday at Mead, Grant Carroll stepped on the mat for the first time since wrestling summer camp in June and accepted a forfeit at 190 lbs. It was the first match of the night in Mead’s (5-0), 70-12 win over the Ferris Saxons. Grant is a senior and currently fighting against fibrolamellar liver cancer and he refuses to turn his back to the mat. He has been a wrestler since 7th grade, and there is no doubt he would be a full-time member of the Panther Wrestling Team if he was cancer-free. If you would like to support Grant and his family, use the QR Codes below to make a donation. Thank You.
