COMMITTEE
REPORTS

BETHLEHEM AREA VO TECH – Director McKeon stated they met on June 11th. They discussed contract resolvment. In spring, they negotiated three contracts for clerical, instructional assistant and custodian/maintenance. Each contract gave 1.75 percent raise. Two of the three are from 2011 to 2013, Custodian/Maintenance is 2011 thru 2014. They all were at 1.75 percent rate increase each year. The only difference is in the clerical and assistants. Mr. Williams hired an agency to study the pay levels of the employees there and how they were relative to the rest of the valley, and what they found was that some of our employees are dramatically underpaid. There was a piece of money set aside to get those employees up from the bottom of the pay scale. They were working for \$18,000 and \$19,000 while other people were making significantly more for basically doing almost identical work. They are going to get higher percentage raises in order to get them up into the pay band for their particular positions.

BETHLEHEM RECREATION COMMISSION: Director Follweiler stated that a lot is going on in the City of Bethlehem in the summer. If anyone is interested, there are several parks within the City of Bethlehem, and they have

programs partnered with the schools to use some of the school playgrounds. They have food service doing bagged lunches at some of them. There are nighttime movies at a different park each week. Call City Hall and ask for the recreation office if you would like more information.

President Faccinetto asked if there was any New or Miscellaneous Business. There was none.

Erin Bruch

Ms. Bruch stated she has a five-year-old daughter going to kindergarten this year at Clearview. Upon going to Clearview, they met with the teacher and she actually asked all the parents to make sure that when the children go to school, they should also pack with them not only lunches, but sanitary hand wipes, antibacterial lotion, chlorox bleach wipes so that they stay healthier because they don't have it in their budget. I have a question, if you are raising my taxes, why in the world do I have to pack her additional things. If she is doing anything outside of school, you need to pay for the extra supplies and that is fine. I am hoping my tax dollars are not going to Liberty High School football team or the Liberty High School Band or Freedom. It is my responsibility to pay for the children's education, but not for them to do football. It also reflects poorly on the school district when you have people up in arms about a tax raise when they didn't even know that you were having a meeting. If you have students who go to Bethlehem School District and they continue to live here and they don't understand the basic information of your budget, then you did something wrong 20 years ago. You need to make sure that the teachers are there for the kids and nothing else.

President Faccinetto asked if anyone wanted to speak at Open Forum. There was none.

OPEN FORUM

President asked for a motion for adjournment. Director Bonilla made a motion, seconded by Director McKeon. The meeting was adjourned at 7:25 p.m.

1. *Joint Use Agreement with City of Bethlehem*

INFORMATION:

The City of Bethlehem has maintained the status of “Playful City USA” which affords access to grant funds for use toward playground improvements throughout the city. The City has been awarded grants totaling \$15,000 as part of the Let’s Play Access Grant Program for investment at William Penn Elementary School. The grant requires the development and adoption of a joint use policy for use of a school district’s playgrounds. The joint use agreement requires district playgrounds be available to the community after school hours for unstructured play and local government agencies and non-profits to operate after school or weekend physical activity programs.

This information was reviewed with the Board at the June 11, 2012, Board Facilities Committee Meeting.

RECOMMENDATION:

That the Board of School Directors enters into a Joint Use Agreement with the City of Bethlehem for use of the nine elementary school playgrounds within the City of Bethlehem by the community, local government agencies, and non-profit groups for after school and weekend physical activity programs.

Administration/Facilities Items 1, 2, 3, 4, 5, 6, and 7 were considered together. Motions pass 8-0. (Directors Bonilla, Burkhardt, Cann, Follweiler, McKeon, Ortiz, Patrick, and President Faccinnetto)

**Joint Use Agreement for District and City Facilities between City of Bethlehem and
Bethlehem Area School District**

This Joint Use Agreement (hereinafter referred to as the "Agreement") is made the _____ day of _____, 2012. By this Agreement, the Parties desire that the facilities covered by this Agreement be safe for use by the community and its schools.

WITNESSETH

WHEREAS, the City and the District are mutually interested in and concerned with the provision of adequate playgrounds for the recreation and physical well being of the people of the City of Bethlehem;

WHEREAS, the District has certain playgrounds under its jurisdiction, suitable for community recreation programs;

WHEREAS, access to nearby recreational facilities leads to increased rates of physical activity;

WHEREAS, inadequate access to recreational facilities has played a significant role in rising obesity rates;

WHEREAS, there is growing consensus among public agencies and community organizations that joint use of facilities and related programs can improve public health and preserve public funds, particularly during economic downturns;

WHEREAS, identifying joint use opportunities among public agencies and community organizations can help in the long-term planning for development of playgrounds and related programs;

WHEREAS, the District is the owner of real property located at nine (9) elementary schools within the City;

WHEREAS, the Parties have maintained, and wish to further maintain, a cooperative working arrangement whereby all nine (9) District elementary school playgrounds (hereinafter referred to as "District playgrounds") located within the City have been and are being used by the Parties for general recreational purposes, thus affording to the community greatly increased recreational opportunities at costs much below those which would have otherwise be necessary.

NOW, THEREFORE, in consideration of the promises and the undertaking hereinafter set forth, the Parties agree as follows:

The term of this Agreement shall be for the period beginning on the date of execution of the Agreement and continuing thereafter until terminated by either Party by providing written notice to the other Party. Termination shall be effective ninety (90) days following the non-terminating Party's receipt of written notice of termination.

9. Nothing in this Agreement shall be construed to waive or reduce the immunities from civil liability granted by or to enlarge the limitations on immunity imposed by the Political Subdivisions Tort Claims Act.

10. All agreements and covenants contained in this Agreement are severable, and in the event any of them are held to be invalid by any competent court, this Agreement will be interpreted as if invalid agreements or covenants were not contained in this Agreement.

Abatement and Replacement of Asbestos Floor Tile – Various Locations

Asbestos floor tile will be removed and replaced at Asa Packer Elementary School, East Hills Middle School, Freedom High School and Nitschmann Middle School. INFORMATION:

Bids were received and opened publicly at 10:00 a.m., Friday, June 8, 2012, for:

Lighting Retrofit Projects – Various Locations

The Board authorized the administration to prepare and solicit bids for the lighting retrofit projects based on priorities outlined in the Energy Plan not to exceed the sum of the E-Power rebates totaling \$67,585.39, at the January 23, 2012, Regular Board Meeting. According to the priority listing, the lighting retrofit projects for the multi-purpose rooms/gymnasiums at East Hills Middle School, Governor Wolf and Spring Garden Elementary Schools were chosen to complete. In preparing the bids and after review of the value and potential five year payback from the lighting projects, we recommend increasing the allocation for this project by applying a portion of the savings from the Asbestos bids towards this payback project.

The bids have been tabulated and reviewed by the appropriate administrative and supervisory personnel. The recommendation of award is based upon the lowest responsible bidder meeting specifications.

8. *Tuition Waiver Students***INFORMATION:**

The Bethlehem Area School District Board Policy Number 202, Eligibility of Nonresident Students, allows students to be educated in the Bethlehem Area School District as tuition waiver students: Tuition Waivers for Former Resident Students and Tuition Waivers for Future Resident Students.

Seniors who move out of the Bethlehem Area School District before completing their senior year may request to remain in the Bethlehem Area School District to graduate with their class. Students in grades K through 11, who move out of the Bethlehem Area School District after the end of the third marking period, but prior to the end of the school year, may remain as tuition waiver students for the remainder of the current school year only.

The Bethlehem Area School District also provides Tuition Waivers for Future Resident Students. Those are students whose families are in the process of purchasing or building a home within the Bethlehem Area School District and will not be in residence prior to the start of the current school year but will be in residence within the first quarter of the school term. They may begin their education in the Bethlehem Area School District as tuition waiver students.

THE CHILDREN’S CARE ALLIANCE
MEMORANDUM OF UNDERSTANDING

THIS MEMORANDUM OF UNDERSTANDING (“MOU”) dated _____ 2012 is by and between Lehigh Valley Health Network (“LVHN”), St. Luke’s Hospital and Health Network (“SLHN”), Sacred Heart Health System (“SHHS”), and Good Shepherd Rehabilitation Network (“GSRN”) (collectively referred to as the “Health Care Providers”, and, Allentown School District (“ASD”) and Bethlehem Area School District (“BASD”) (collectively referred to as the “School Districts”). (All parties are collectively referred to as “Parties”).

WHEREAS, The Children’s Care Alliance is a program that seeks to develop the meaningful use of electronic medical record (EMR) through a single portal system among the clinical providers and school districts who are a party to this MOU.

WHEREAS, key components of this program include the design, development and implementation of a unique shared data set exchange that will contain certain elements of each BASD and ASD student’s (collectively referred to as “students”) health care record and each student’s medical record.

WHEREAS, the hoped for measurable outcomes of The Children’s Care Alliance are better coordination of medical care, lower costs of providing care resulting in fewer emergency department visits and acute hospitalizations, reduction in missed school days, improvement in the quality of care delivered, and improvement in the overall health of the school age population.

WHEREAS, it is intended that this MOU will outline a broad basic understanding of the Parties’ intentions in implementing The Children’s Care Alliance.

WHEREAS, the Parties agree that implementation of The Children’s Care Alliance will require those Parties so willing to enter into contractual agreements in furtherance of The

Children's Care Alliance and to memorialize the Parties' obligations and liabilities pursuant thereto.

WHEREAS, the Parties understand that the MOU does not obligate any party hereto to proceed with implementation of The Children's Care Alliance or to enter into further contractual agreements to so implement The Children's Care Alliance.

NOW, THEREFORE, in consideration of the mutual promises contained herein, and intending to be legally bound hereby, the Parties hereby agree as follows:

1. Incorporation of Whereas Clauses.

The Parties hereto agree that the foregoing Whereas clauses are incorporated in this Agreement as though set forth in full, each intending to be legally bound by the same, being fully cognizant of the nature and force of said acknowledgments and undertakings.

2. Term and Termination.

This MOU shall commence as of the above written date and shall continue until such time as terminated by mutual agreement of all Parties. Any party to this MOU may terminate its participation in the MOU, effective immediately, upon providing written notification to the other Parties at the addresses set forth in Section 8 of this MOU.

3. Creation and Maintenance of the Shared Data Set Exchange.

Initial start-up funding of the shared data set exchange for The Children's Health Care Alliance shall come from grants obtained by LVHN. Continued operation and maintenance of the shared data set exchange and the costs of maintenance shall be the responsibility of LVHN. The other Parties agree to assist and support LVHN in efforts to obtain ongoing grant funding to maintain the shared data set exchange.

4. Oversight Steering Committee.

A. Purpose. An Oversight Steering Committee comprised of representatives from each party shall meet on a regular basis to provide direction and guidance on the shared data set exchange and develop policies and procedures to ensure its effective use and achievement of its purposes.

B. Composition. Each party shall designate one or more representatives to represent its interests on the Oversight Steering Committee (the “Committee”).

C. Committee Chair. The Chair of the Committee shall rotate among the Parties on an annual basis, with each party being provided with the opportunity to Chair the Committee, before a single party serves as Committee Chair for more than one (1) term.

D. Schedule of Meetings. The Parties shall determine an acceptable schedule of meetings and frequency of meetings as needed. Prior written notice of any meeting shall be provided to all Parties.

E. Meeting Minutes. It shall be the responsibility of the Committee Chair to complete and present the Committee minutes for approval at the subsequent Committee meeting.

5. Regulatory Requirements.

The Parties recognize and agree that the Health Care Providers are “covered entities” under the Health Insurance Portability and Accountability Act of 1996 and the subsequent amendments and regulations (“HIPAA”). ASD and BASD will enter into separate Business Associate Agreements in furtherance of HIPAA privacy regulations in a form satisfactory to ASD and BASD. ASD and BASD are bound by the Family Educational Rights and Privacy Act and its regulations (“FERPA”), under which data exchanged pursuant to The Children’s Care Alliance may constitute educational records. It is understood that information

exchanged pursuant to The Children's Care Alliance between the School Districts and the Health Care Providers is with consent required by FERPA. No party hereto shall make further disclosure to any third party unless permitted under FERPA. The Parties agree to develop appropriate consent forms and procedures to obtain consent in order to participate in the shared data set exchange.

6. Insurance.

Each party shall maintain insurance in the scope and amounts deemed necessary by that party or as otherwise required by Pennsylvania law.

7. Confidentiality.

As used herein, “reasonable steps” means the steps that a party takes to protect its own, similar confidential and proprietary information, which shall not be less than a reasonable standard of care. Each party shall be liable for the breach of the foregoing obligation by a party’s employees, agents, representatives, successors, and assigns.

C. Information shall not be deemed “Information” hereunder to the extent it:

SC 1318 Pol. 218, 233 4. Guidelines SC 1329	Repeated infractions of Board policy requiring the attendance of enrolled students may constitute misconduct and disobedience to warrant the student's suspension or expulsion from the regular school program. Student absences are generally governed under the definition and authority of the Pennsylvania School Code of 1949. This section permits student absences to be considered excused in cases of illness, quarantines, recovery from an accident, required court attendance, death in the family, or any other urgent reason justifying a temporary absence. Absences covered under law must be directly related to the student's inability to attend school due to reasons cited above and not merely for the convenience of the family. The Superintendent shall have the discretion to approve absences for special events such as unique athletic events, academics, arts/theater, and extended college visits that exceed the cumulative absences allowed to students each year. Absences will generally be recognized as cumulative or noncumulative. Cumulative absences refer to days that contribute to the allotted number of days a student may be absent (ten (10) for elementary and seven (7) for middle and high school). Noncumulative absences are absences that do not contribute to the specified ten (10) or seven (7) days. <u>Cumulative Absences</u> Excused absences include: 1. A maximum of ten (10) days of absence for elementary students during a school year verified by a parental note. All absences beyond the tenth day of absence will require a physician's note. 2. A maximum of seven (7) days of absence for middle and high school students during a school year verified by a parental note. All absences beyond the seventh day of absence will require a physician's note. 3. Preapproved family vacation while school is in session per Board policy. 4. Preapproved college visits beyond three (3) days. Unexcused/Unlawful absences include: 1. Any day for which a written excuse is not submitted within three (3) school days of a student's return from an absence, including notes from physicians. 2. Any written excuse not approved by the principal.
---	---

Pol. 233	3. Any absence not excused by a physician's note after ten (10) absences verified by parental excuses in the elementary school and seven (7) absences verified by parental excuses in the middle and high school had already been received. 4. Truancy – Unlawful absence (age sixteen (16) and under) and unexcused absence (age seventeen (17) and over). <u>Noncumulative Absences</u> Noncumulative absences include: 1. Suspensions from school. 2. Illness verified by a physician's note submitted within three (3) days of a student's return. Continued attendance violations may result in the student being classified as a habitual offender as defined in the Student Code of Conduct, which may result in expulsion from the district.
----------	--

Late To Class

1. First and second unexcused late to class – to be addressed by classroom teacher interventions.
2. Unexcused lateness exceeding fifty percent (50%) or more of one (1) class period will be considered an unexcused absence from class and will result in a “0” (Zero) grade for the work in that class on that day.

 - b. Court appearances.

2. First and second unexcused late to school – warning to be issued.
3. Students who arrive late and do not report to homeroom or procure a late slip from the office, student service center, or vocational technical school will be charged with an unexcused/unlawful absence which will result in a “0” (Zero) grade for all class work that day.

2. Credit will be denied at the high school level for those students who accrue more than nine (9) cumulative absences in a semester length course. Credit will also be denied for a nine-week course for those students who accrue more than five (5) cumulative absences. Parents/Guardians are required to submit a written explanation for the legal absence of their child within three (3) days from the date of the child's return to school. Failure to provide such written explanation or failure of the child to present the excuse to the principal will result in the absence being declared unexcused and/or unlawful. The mere fact that a parent/guardian provides a written explanation does not qualify the absence as excused. The absence must be for a legal reason as determined by the principal and/or teacher, according to law. 2. When it is known that a parent(s)/guardian(s) cannot read or write, the principal or teacher may accept a verbal excuse. This documented note is to be signed by the person from the school who contacted the parent/guardian. 3. In those cases where a child has an excessive number of absences verified only by a verbal communication, a home visit shall be made by the attendance officer and/or the home-school visitor to secure the mark of the parent/guardian on a written excuse provided by the school. 4. If the dominant language in a student's home is not English and the parent(s)/guardian(s) are able to read and write in another language, s/he shall be required to submit a written explanation in that language.

34. *Commitment of Fund Balance June 30, 2012***INFORMATION:**

In accordance with the new Governmental Accounting Standards Board (GASB) Statement 54 and Board Policy 620 Fund Balance, the Board annually may commit or constrain a portion of fund balance for specified purposes which can include Capital Reserve Funds, PSERS or any other Board approved purpose with the amount to be determined following the close of the fiscal year but prior to the final audited financial statements being prepared.

It is anticipated that the District will realize a surplus from its operations following the close of the audited fiscal year 2011-2012 and the Board has previously indicated a desire to grow the balance in the Capital Reserve Fund for future capital needs district wide while maintaining the general fund balance at its current eight (8) percent level. It is therefore recommended that the Board authorize the commitment of fund balance from the General Fund for the Capital Reserve Fund for 2011-2012 with the amount to be determined by the administration following the completion of the annual audit and prior to the final financial statements being prepared.

This information was reviewed with the Board at the June 18, 2012, Board Finance Committee Meeting.

RECOMMENDATION:

That the Board of School Directors designates a portion of any operating surplus for the fiscal year ending June 30, 2012, to be committed as Capital Reserve Funds for future capital projects, summer maintenance and long-range improvements with the amount to be determined after the audit is completed but prior to the financial statements being finalized.

Administration/Finance Items 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, and 44 were considered together. Motions pass 8-0. (Directors Bonilla, Burkhardt, Cann, Follweiler, McKeon, Ortiz, Patrick, and President Faccinetto)

35. *PSBA Legislative Platform Proposals***INFORMATION:**

The Pennsylvania School Boards Association (PSBA) drafts and approves a Legislative Platform each year as an official record of positions on legislative items. Each PSBA member school district is invited to submit resolutions and/or legislative items to be considered for the PSBA 2013 Legislative Platform.

This information was reviewed with the Board at the June 18, 2012, Board Finance Committee Meeting.

RECOMMENDATION:

That the Bethlehem Area School District Board of School Directors approves the legislative items below to be submitted to PSBA for consideration for inclusion in the PSBA 2013 Legislative Platform.

1. PSBA supports legislation that eliminates the financial burden on local school districts by funding cyber charter schools at the state level. Further, district funding for brick and mortar charter schools should be limited to charters granted by school boards and funded at a cost based on actual documented educational expenditures and not to exceed the sending district's actual educational expenditures per student. (This legislative item is currently included in the 2012 PSBA Legislative Platform)
2. PSBA opposes legislation that requires school districts to make payments to a charter school for early childhood and kindergarten programs that a student's district of residence does not offer. (This legislative item is currently included in the 2012 PSBA Legislative Platform)
3. PSBA opposes legislation that requires a district to pay a 5% fee to the county when the district uses a third party to collect delinquent taxes.
4. PSBA supports the right of districts to initiate property assessment appeals and supports legislation that requires such appeals to generate at minimum \$10,000.00 in additional revenue to the district.
5. PSBA supports legislation to reduce reliance on property taxes to fund public schools.

Administration/Finance Items 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, and 44 were considered together. Motions pass 8-0. (Directors Bonilla, Burkhardt, Cann, Follweiler, McKeon, Ortiz, Patrick, and President Faccinnetto)
