

BETHLEHEM AREA SCHOOL DISTRICT
BOARD OF SCHOOL DIRECTORS
REGULAR BOARD MEETING

The Regular Meeting of the Board of Directors of the Bethlehem Area School District was held on Monday, September 24, 2012, at 7:05 p.m. in the Auditorium of East Hills Middle School, 2005 Chester Road, Bethlehem, PA 18017.

Vice President Cann called for the Roll by the Board Secretary:

Members present: Directors Bonilla, Burkhardt, Follweiler, McKeon, Patrick, and Vice President Cann – 6 MEMBERS PRESENT

Members absent – Directors Ortiz (arrived at 7:11 p.m.), Vidanage (arrived at 7:06 p.m.), and President Faccinetto - 3

Others present: Dr. Joseph Roy, Superintendent of Schools; Stacy Gober, Board Secretary; administrators, members of the press and other interested citizens and staff members and student representatives. OTHERS PRESENT

At this point of the meeting, the Pledge of Allegiance was recited. PLEDGE OF ALLEGIANCE

Vice President Cann requested a moment of Silent Meditation. MOMENT OF SILENT MEDITATION

Dr. Roy stated there were several recognitions tonight. Staff, students and the Executive Director of the Bethlehem Area Vocational-Technical School. STAFF RECOGNITION

Staff Recognition

Bernard Story from Lehigh Valley Community Foundation joined Director Follweiler in handing out certificates. At our Opening of School Convocation event at Liberty on August 22, Mr. Ron Horvath and Mr. Bernard Story from the Lehigh Valley Community Foundation presented the Best Awards to four school district teachers. The recipients received a framed certificate and a monetary award that morning. The Bethlehem Educational Scholastic Trust Best Fund is a component fund of the Lehigh Valley Community Foundation. The idea for the Best Awards began more than a decade ago when a group of community leaders met to discuss ways in which the importance of teaching could be underscored and superior teachers honored for their work. The Best Committee receives nominations from parents, teachers, students, Bethlehem Area School District employees and residents of the community. These nominations always reflect a high degree of professionalism and a passion. The teaching committee this year worked diligently to select four award winners from among a worthy group of nominees. It is my pleasure tonight to recognize and congratulate this year's Best Award Winners. For the Seymour and Sophie Haber Award – Jean Donegan-Vrabel, Governor Wolf guidance counselor; and Linda Kondikoff, Asa Packer art teacher. For the Anthony Ruggiero Award – Maureen Calvo, Freedom High School special education

learning support teacher; and Elizbeth Vazquez, Liberty High School guidance counselor. These fine Bethlehem Area School District teachers and guidance counselors represent the best of the best. I have to give a special thanks to Elly Vazquez, when I was a young assistant principal at Liberty she worked with me as a guidance counselor, she taught me everything I know. Definitely taught me whatever Spanish I know. I would like to thank Mr. Story for being here this evening and the Lehigh Valley Community Foundation for supporting the BEST Awards.

The National ACT-SO Competition, which stands for the Academic, Cultural, Technological and Scientific Olympics, is a yearlong achievement program designed to recruit, stimulate, and encourage high academic achievement and cultural achievement among African-American high school students. ACT-SO includes 26 categories of competition in the sciences, humanities, business, and performing and visual arts. More than 260,000 young people have participated from the program since its inception in 1977. This year's competition was held in Houston, Texas and Miss Troi Pitt of Liberty High School was honored as the National ACT-SO competition bronze winner in the Science Category of Mathematics. This evening I would like to recognize and congratulate Troi for this achievement.

We would also like to recognize our Bethlehem Area Vocational-Technical School (BAVTS). Our Executive Director, Brian Williams, is here this evening. The BAVTS has been recognized for the past four years by the PA Department of Education for student achievement gains on both the District PSSA and local NOCTI Tests. Over this time period, BAVTS met or exceeded the State required minimum increases for both of these high stakes assessments. On NOCTI, they have exceeded our own locally established 15 percent average increase in each of the last four years and have reached a school wide scoring level of 86.4 percent when matched against the other CTC's across the Commonwealth. These strides have been made through a series of focused classroom-based efforts, including the structured use of NOCTI study guides, pre-tests, and other locally developed strategies to maximize NOCTI testing outcomes for our students. This evening I would like to recognize Brian Williams, Director of the BAVTS and congratulate him for his continuous progress toward meeting those goals each year.

Mr. Williams shared with everyone the importance of the NOCTI Exams. This is a great honor tonight, unexpected and very much appreciated. The NOTCI is our senior assessment, it is our culminating activity and it is a very intensive combination of practical and written skills assessment at the end of the senior year. So the students who have gone through our programs and have satisfied all of the requirements take an assessment that is driven and designed by the industry that they seek to enter and if they score at a certain level, they receive what is called an advanced standing on the tests which can result in the Pennsylvania Skills Certificate which is something that employers really look for in an incoming employee. It is very prestigious for our students. I just wanted to thank once again the members of the BAVTS Joint Committee who represent this Board for their ongoing support. They

have enabled us to invest in academic supports, academic staffing and all the things that are necessary to be able to drive our scores up to support you in PSSA as well as to exceed on the NOCTI's. We couldn't have done it without you. Thank you so much.

Vice President Cann offered Courtesy of the Floor to visitors. Speakers are asked to come to the podium, stating their name and address. The first Courtesy of the Floor will pertain to matters on the board agenda. The second Courtesy of the Floor will deal with matters pertaining to school district business. Speakers are limited to five (5) minutes each unless extended at the discretion of the Board President. The Board requests that, when possible, all individuals supporting a like position on a topic select a speaker to present their views to avoid repetition. If that is not possible, all are welcome to speak. As per school board policy, generally, speakers are limited to taxpayers, residents, or employees of this school district. At the conclusion of the School Board Meeting, another block of time will be allocated for public comment. At that time, the same rules will apply. It is asked that speakers observe proper decorum, without personal attacks towards a specific individual or individuals. It is not the custom for the Board to enter into a dialogue at these meetings about concerns. However, the Board does listen with care to issues raised. Speakers will receive responses, in some form, by the administration.

COURTESY OF THE FLOOR TO VISITORS

Seeing none, Vice President Cann moved on to Student Representatives.

Freedom High School Student Board Representative – Anna Thomas: Ms. Thomas stated: Good evening everyone. I'm excited to share with you all that Freedom High School has truly started this school year off with a bang. On the first day of school, the senior class got together in the student parking lot before school to orchestrate a luau-themed "breakfast barbecue." In a huge, entirely-student organized display of school spirit, this year's seniors proved their initiative and leadership and teamwork abilities. This leadership is most apparent at Freedom Football games, where seniors organize tailgates together and set an example for underclassmen members of the riot squad. For those of you who are not familiar with the riot squad, this is the name of Freedom's student section. The term riot is derived from the world patriot. Freedom varsity football has held victories over Central Catholic and Emmaus. Freedom cross-country is undefeated 4 and 0. Tomorrow after school, cross-country has a meet against Parkland at home, and the riot squad has already made plans to attend and support our runners. On September 8, members of the riot squad also participated in the annual VIA 5K in downtown Bethlehem with the Freedom National Honors Society. Freedom's NHS Chapter uses the 5K as a senior service project. Each member organizes a team of three (3) other people to raise money for VIA Lehigh Valley. The student body has also been working together to create a care package for Officer Anderson, our school resource officer, who is serving in Afghanistan right now. Items are being collected now through the end of October. Our Young Democrats and Republican Patriots clubs have been working together to educate student voters on the issues that affect them. Together, they have goals to register and encourage as many eligible students to vote as possible.

REPORTS OF THE STUDENT REPRESENTATIVES

On October 5, Patriots will play our Homecoming Game against Easton, and Student Council is busy preparing for our Homecoming dance on October 6. The Theatre Company held tryouts for its fall production of “Urinetown”, and rehearsals are well underway. Our school newspaper, *The Freedom Forum*, was also graced with a twitter mention from our very own superintendent. Seniors have begun to get recommendations from teachers and meet with visiting representative at school to prepare for college applications. This year’s designated theme is “Year of Champions.” In my humble opinion, so far this school year’s achievements have already distinguished this year as such. Thank you for your time and attention.

Liberty High School Student Board Representative –Meredith Guro: Ms. Guro stated: Good Evening. Liberty’s 2012-2013 school year commenced with the usual events, such as freshman orientation, the anticipated first day of school, and code of conduct class assemblies reminding the student body of the cleverly names “CANES” expectations. Though the assemblies themselves had a familiar, almost habitual ring, there was one definite difference, a push for Liberty High School to be a cohesive community. With the help of the new regime of Mr. Bailey, the student body is not only working through the academic curriculum, but also developing a sense of responsibility. Additionally, Restorative Practices, are strategically and advantageously being used to not only develop a community within a classroom, but to ensure that every student learns to have a voice as an individual. The “circle times” are teaching students not only how to work through difficult classroom topics together, but to build confidence in voicing opinions. Along with Restorative Practices, a new cheering section “Category 6” has taken the school by storm, appearing at many athletic events and encouraging a sense of community. Though the inspiration may have originated from a certain rival high school, Category 6 is serving its purpose by rousing the Hurricanes’ school spirit! Through all the innovations at Liberty, the word “tradition” continues to define the school. Freshman get lost, sophomores are glad to not be freshmen, juniors start worrying about the SAT’s, and seniors begin the incredibly daunting task of college applications. Our Open House was another successful night with the parents’ introduction to our new principal. Our Bag Pipe core once again performed “Amazing Grace” at Liberty and Northeast Middle School in commemoration for those lost in 911. The Homecoming football game is this Friday, September 28 against Becahi and the semi-formal dance is this Saturday, September 29. I hope to see everyone at the game rooting for the old red and blue! Respectfully submitted, Meredith Guro

MOTION TO
APPROVE FINANCE
ITEMS 25, 26, 27, 28,
29, 30, 31, 32, AND 33

Director McKeon made a motion, seconded by Director Patrick.

Director McKeon stated that he will be voting no on Item 31. I do not like the cost factors that are involved in that and it is costing us now roughly \$200 per child per year to transport what we are currently doing. This does not include what we are expanding to do.

Director Follweiler stated that we had had discussion on the bus activity run in committee and I will be voting yes to expand the two day to a four day a week 4:00 bus, but I do trust that the administration will follow through as they have promised to do with the usage of the activity bus and any increase in signing up for extra curricular activities. I very much believe that the 4:00 run will enhance the capability of the students in extra curricular where the 5:30 run I did not agree to expand.

Vice President Cann asked for a roll call vote on items 25, 26, 27, 28, 29, 30, 31, 32 and 33.

NORTHAMPTON COMMUNITY COLLEGE: Mrs. Leeson stated I am going to give you a brief summary of both the August meeting and the September meeting. In August we did an extensive review of the School District Task Force. You have heard me talk about this a number of times when I have come to you. The purpose of this is to create a collaboration between the school districts and Northampton Community College to strengthen student placement into college level reading, writing and math programs. It has been a wonderful collaboration, and the attendance has been about 100 percent at each one of these meetings. They have had two math summits with all school districts and an English Language Arts Summit. During these summits, they have been reviewing the Keystone Exams, the Common Core Standards, results of placement tests at Northampton, and they have also been comparing the curriculums. In the future, they would also like to have a second English Language Arts Summit, and during that time, I think a very interesting thing they are going to try and take examples of student work from High School and examples from entry level college and see how they are being assessed and look at what teachers are looking for at each level. That will be an interesting exercise. They are also planning on Faculty

COMMITTEE
REPORTS

to Faculty Classroom visits where some of Northampton's faculty might come and observe what is actually going on in some of our 11th and 12th grade classes, and visa versa we might see some of our faculty going to Northampton. There was a lengthy discussion on where to go from here and there was a strong feeling that the next place they need to look at is guidance, and so I think efforts will be forth coming to work on collaborative efforts in guidance, career planning and study skills and what some of the students needs entering the college arena. By the way this task force has now gotten National recognition. Achieve The Dream which is a National Program has sited this as what they feel as one of the outstanding programs for helping some of our students to be successful at the college level. That was one of our main topics for August. In September we reviewed the Leadership Development institute and this is an institute that provides leadership training programs for internal organizations for local businesses and also they work with national businesses as well. We have a couple of people who travel to do customize leadership training programs. It has brought some very nice recognition to the college, it has also brought some increased revenue. As you may have read in the paper, enrollment is down a bit at Northampton by about three (3) percent. This is not unusual. We have seen huge gains over the last couple of years and many community colleges are beginning to see a little decrease. We are attributing it to a number of factors, one of them being dual enrollment. I wanted to share with you that whether you want to call it concurrent enrollment or dual enrollment, it is still available to our high school students. The funding from the state is not available and so students would unfortunately have to fund it themselves. There is an effort being made to seek out some financial resources for students who have difficulty affording the community college, but at this time there is nothing in place. Please share that with our high schools that if students are interested, the dual enrollment or concurrent enrollment is still available to the high schools. Thank you.

Director Follweiler asked Mrs. Leeson about enrollment. Lately I have talked to several students from the Community College who are actually expanding there time their beyond the traditional two year degree by going for a second two year degree. I don't know if that is something that the Board discusses and how that effects your enrollment numbers, but I was actually quite surprised with it. Three or four students which I talked to just in the last month or so, decided to stay at Northampton versus moving on to a four year school to take advantage of some of the cost advantages. I don't know if that is effecting the enrollment in that that student is already in the number versus a new person coming into a different degree. That is just something that you might want to look into.

Mrs. Leeson stated that there are some factors that they are seeing, one of them is, since is many of the students are able to stay on their parents medical insurance until the age of 26 without being a full time students. Some students are opting to work and go to school and to go to school part time. Many of the students we are finding are having to divide their time between work and school and so that is one of the things that we are seeing in a decrease. We are also seeing fewer graduating seniors from the sending school districts. We

have seen a decline in the population. Now the percentage of students has remained the same. Approximately 25 percent of the students from Bethlehem are continuing to go to Northampton. That has not changed. But the number of graduates has decreased. So those are two of the factors that we are seeing. As far as a student taking additional courses, we do count what we call full time equivalence and part time students, full time students, we just average. As far as the budget is concerned because that certainly is of concern to the Board, we did cushion the budget so that this is not going to have a negative impact on the budget.

Director Vidanage questioned about staying there longer than two years. Since I teach there, I see some students who are coming out of high school doing pre algebra. So when you go through that sequence of math or any two-year degree, the students may have to wait for more than two years because they have to finish the algebra sequence before they get into the meat of the math. So that could be part of the reason they are staying more than two years.

Mrs. Leeson stated: That is exactly why this School District Task Force has been put in place to help to reduce the number of students who need to take the pre requirements before getting into their college credit courses.

Director Vidanage stated: Sometimes I feel that some of the students are not test takers. I have seen students who are done calculus and so forth still intimidated by the algebra course. I think that is an injustice.

Mrs. Leeson stated: You bring up another good point and again I didn't tell you everything, but they are going to be reviewing their placement policies as well and that will be one of the other things that in the future, Northampton will look at their placement policies to see if any adjustments need to be made as far as just strictly going by the testing scores.

DIVERSITY COMMITTEE: Director Ortiz stated we had a meeting on Friday at 1:00 p.m. Dr. Roy is going to brief us as well as Director Bonilla on what went on at the meeting. One of the things that were great about it is that we have a huge group at the meeting, and I saw the passion of this committee really intense and we are trying to make achievable goals. Goals are measured and seen by the community. Not just a picture pretty school board, but what reality of goals that we are able to meet with the Diversity Committee.

Director Bonilla stated that we noticed that looking at high school students and middle school students and their feelings toward school and academically we have seen a huge population of the high school students who don't feel valued at the high school, but on the flip side we have seen high school students who feel doing well is important to them, which is a positive sign. In middle school we have seen not too many students feeling safe at school as well as they don't feel that one teacher cares about them and those are things I believe the committee will look more in depth at moving forward. We also looked at PSSA achievement gap between Hispanic students, African American, Caucasian, and Asian students and we have seen a huge gap

between our African American and Hispanic students in comparison to Asia and Caucasian students in Math and Reading from fifth grade all the way to eleventh grade. I believe the committee needs to address this moving forward.

Dr. Roy stated I would just add that we reviewed that data and looking ahead we will continue with Restorative Practices at the high schools because really gets at building relationships and we will continue with the No Place For Hate campaign and we also had to focus on hiring. We did in the 31 hires we had this year, 16 percent of our new hires were teachers of color and that I think our overall population is definitely in the single digits, it is seven (7) percent of our current staff. So we showed some growth in working towards a more diversified staff.

VOCATIONAL TECHNICAL SCHOOL: Director McKeon stated that Vo-Tech met Tuesday, September 4. We had a presentation from PHA Associates, and they were hired by the Vo-Tech to explore the opportunities of GESA, which is the state agency, Guaranteed Energy Savings Act. We had entertained this type of presentation with financing from the state and everything else in the past. What this is in regard to is the annex which some Board members present and in the past, had a presentation to this Board of varying projects that went anywhere from 6 million to 18 million dollars to renovate, move, whatever the configuration was. This is the latest proposal coming in and the annex facility is predominantly electric heat and obviously other utilities so they are looking to change over to natural gas as best they can and upgrade the heating and ventilation because of the welding and other exercise that takes place there. This current proposal will now cost about a million dollars and not included in that is utility savings over 15 years which will be the new heating units of about \$464,000 and operation and maintenance savings of about \$5,000 over fifteen years. The million dollars does not include a potential, almost \$500,000 in capital cost avoidance for this project. Someone thought outside the box to satisfy the potential health concerns in that building because it is an old building and not well ventilated and also tried to save costs. Right now, there is no debt service that we have incurred this is all within their capital reserve budget that they will have over the next couple of years.

RECREATION COMMISSION: Director Follweiler stated that they delayed their meeting from last week to this week.

INTERMEDIATE UNIT MEETING: Director Follweiler stated that from the August meeting the IU has gone digital. We got iPads. About half the Board members are using them versus paper, and these Board members know that when we were using mostly paper, you had a delivery from the safety person from the district person when they were driving by your home, so it wasn't all that costly. At the IU because the districts are such a large geographic area there was quite a bit of postage racked up, so this will pay for itself very quickly. Also, the IU will be holding its annual inservice training on Columbus day, and that is for opportunities for professional development for non-core curriculum teachers and professionals. A note from the Executive Director this month, August 15 was the Opening Orientation Day for about

800 teachers and support staff, and she noted to the Board at that time that the entire staff agreed to a zero salary increase for this year and took reductions in their tuition reimbursement so that helped to zero out any increases on their budget. The Best Note features a student from BASD, a prior graduate at their summer orientation, Patrick Foose who was a graduate of Liberty High School was a keynote speaker. He travels and speaks on Special Education and in addition to being their speaker he gave a rather generous donation to the IU based on money he has earned as a speaker, so I think we can see that our students after they leave our schools really are accomplishing things within our community and this is just a wonderful thing and for me to be a proud Board member when we handed it out at the meeting was very very nice.

Director Ortiz asked Director Follweiler to find out what the cost would be for the swipe cards for transportation.

Vice President Cann asked if there was any New or Miscellaneous Business. Seeing none, she moved on to Courtesy of the Floor.

Kay Mulligan
1972 Kingsley Drive
Bethlehem, PA

Ms. Mulligan stated: I spoke to this Board on July 23, 2012 concerning the financial aspect of a new set of employees to receive health benefits for their same sex partner if they had a marriage certificate from another state. At the time I had limited knowledge about the process of making the policy. Since then I have contacted persons and Internet sources for more of the information that I needed. On July 17, 2012 I sent a letter requesting freedom of information to the district office asking also that it be sent to each member of the school board. I understand the members did not receive this request, however, I did receive a letter of denial from Dr. Roy based on his misunderstanding that I wanted names of the personal information on the same sex couple of receiving the new benefits. This was not my intent as I have no interest in such information but am interested in any documents and or correspondence on the policy. In a phone conversation with Dr. Roy, he told me that the decision was based on collective bargaining sessions for their self-insurance organization for health care benefits. Dr. Roy also told me in a phone conversation that if their plan had insufficient funds for the medical needs of its members, the cost would be share 50/50 with the members and the school district. Recently I received partial information from Stacy M. Gober. Some was given, some denied and others may have been filed under different titles. One enclosure included in my Right To Know package was the Collective Bargaining Agreement report between Board of School Directors and the Bethlehem Education Association. On page 7, article 5, number 2 was the following statement, "this contract shall be subject to all

federal laws and federal administration rules and decisions". The US Congress has an act know as DOMA – Defense of Marriage Act. There is also a law in the Commonwealth of Pennsylvania defining marriage as between one man and one woman. I prepared copies for the Board on that law which I found on wickopedia, but it can also be found on other information sites such as ASK.com. It is my understanding that policy decisions are not to be made by the Superintendent whose duty it is to administer those decisions and not to make policy. I ask this Board of School Directors to exercise their duty to serve the taxpayer and obey the laws of Pennsylvania and the US Congress. Thank you for your attention to my concerns.

Steven Antalics
737 Ridge Street
Bethlehem, PA

Mr. Antalics stated he was following up on the committee meeting. He was very surprised to hear about the TIF coming up again. Number one, a statement was made that there has been no development since that time and the builders say that it would continue even if they didn't get the TIF. They would not develop it because simply it was not the right time. Now that new housing starts have increased dramatically, it has become and issue again. It is a good time to start looking into it again. This raises a number of questions in my mind. First and foremost, what problem does this present Board have with a previous Board which really studied, argued this issue and rejected out of hand on three occasions. On one occasion, it was under severe duress rather by the City administration, the City solicitor, and members of Lehigh County, but the Board wisely rejected it. Number two, what does the present Board know and what will they gain by bringing this group in again to look at the issue? How many times can that problem be tweaked to get to have it approved by you? The previous Boards looked at it from every which way but up and rejected it after an intense study and a lot of pressure. From my point of view this would be a waste of time. Number three, this brings back to me a statement that was made by one of the Board members early on, that this Board member would strongly support the TIF. So the question becomes what does this Board member know that other Board members don't know, and what does this Board member know that the previous Boards didn't know to force them to refuse it? This is bothersome to me because this reflects back on comments made prior to the last election. The district is looking at reassessments with Northampton County. What really bothers me is that there is no action of any kind taken against Lehigh County in the reassessment of Martin Towers. I think it was reassessed two times with considerable loss of revenue to the district. This is a major assessment but nothing was said or any objections made by the administration or the Board. Number four, this is also very bothersome. I understand what a TIF is and something in escrow you are taking money away from somebody and giving it to somebody else. What is happening is my tax dollar is being taken away from the school district which should support education of the children, but going into a escrow account to guarantee a developer, that he is okay to develop the property at the children's expenses. I brought out in a financial statement last committee meeting you

are getting back the money that was held from the escrow in the BethWorks site. Can you afford to take dollars away from the children by taking my tax dollar and putting it into an escrow account and depriving the children of their education, which came out in an article recently? It was not test scores that we had poor performance, poor performance came from cuts in the budget. Money is taking away from special programs and you can exacerbate that by taking monies, my tax dollar, and putting it into an escrow account to support a billionaire's development of a property. There is something very wrong here. To invite this group to appear to you is a waste of your time because they can tweak it the fourth time to make it lucrative? I suggest you as Board to give that very serious thought and say which is a higher priority, keeping tax dollars in the district to educate the children or put it in escrow to support a billionaire developer. It is outrageous and if this does happen, the public should know about this and review who is best qualified to serve as supporters of education for the children or Bethlehem, not a billionaire developer in Florida. Give it serious thought.

Vice President Cann asked if anyone wanted to speak at Open Forum.

OPEN FORUM

Director Follweiler stated: I just wanted to remind the Board and the public that next week's Facilities Meeting will be held at Nitschmann Middle School and there will be tours available for anyone who would like to see the condition of the building. The tour begins at 6:00 p.m.

Director Vidanage stated: We did some changes to our middle school program, like cutting back on the teaming. Since we are in a lot better position now, I wonder what we can do to enhance the short term priorities to help the teachers to make sure that all the students get a fair education because I see this day in and day out they lost interest in the basic areas like math, reading and writing. So I am asking Dr. Roy if it is possible for us to restore some services, at least to help the middle school students to really enhance their knowledge of reading, writing and mathematical skills. I think that is really important. The whole country is trying to improve the level of education, and we are not doing the right thing by our taxpayers if you don't bring back some sort of assistants to our teachers to have more classroom help.

Vice President Cann stated that they will review this at future meeting.

Director Patrick stated: Thank you to Principal Lynch and his entire staff at Hanover Elementary School for doing wonderful job at welcoming the existing students and new students into the school. My daughter is in kindergarten, and she has come home everyday smiling ear to ear and speaks very highly of her principal.

Director Bonilla stated that he is disgusted with our State Secretary of Education and his recent statements regarding .06 percent of teachers, as far as cheating on PSSA tests and that is the result of low-test scores. Low-test scores in my opinion had nothing to do with .06% of teachers. It has everything to do with the Secretary of Education and our Governor who

continue to cut education funding.

Director Vidanage stated that .6% is not statistically significant.

Director Burkhardt stated: The Secretary of Education is passing the buck and bashing the teachers rather than taking accountability. The teachers in this district and all across the state are doing a phenomenal job in working with these students, and each year we raise the bar on PSSA scores, and they are doing the best that they can, and yet we continue to throw more and more on top of them. This to me is disrespectful to the teachers and the district.

Director Ortiz stated that Dr. Roy did his part in defending our schools in our district. We as a Board have to make a really strong statement.

Vice President Cann asked for a motion for adjournment. Director Bonilla made a motion, seconded by Director Follweiler. The meeting was adjourned at 8:10 p.m. ADJOURNMENT

1. ***Emergency Shelter Agreement – Lehigh Valley Academy Regional Charter School***

INFORMATION:

The Northampton County Division of Emergency Services, as well as the Northampton and Monroe County School Emergency Preparedness Committee, endorse the development of Emergency Shelter Agreements for use of school facilities by local government and community agencies. The purpose of the agreements is to establish procedures governing the use of school facilities by an outside organization during a time of disaster or emergency. It is further the purpose of the agreements to foster a relationship of cooperation and mutual aid between parties as they work together to maintain the safety of District residents during emergencies.

This item was reviewed with the Board at the September 10, 2012, Board Facilities Committee Meeting.

RECOMMENDATION:

That the Board of School Directors approves the Emergency Shelter Agreement between the Bethlehem Area School District and the Lehigh Valley Academy Regional Charter School.

Vice President Cann asked for a roll call vote on Items 1, 2, 3, 4, 5 and 6. Yes – Directors Bonilla, Burkhardt, Follweiler, McKeon, Ortiz, Patrick, Vidanage, and Vice President Cann. Motions pass – 8-0

**AGREEMENT FOR THE USE OF SCHOOL FACILITY
AS A SHORT-TERM, TEMPORARY EVACUATION SITE
DURING DISASTER/EMERGENCY**

This Agreement is made the 25th day of September, 2012, by and between the Board of School Directors of the Bethlehem Area School District (BASD) and the Lehigh Valley Academy Regional Charter School, hereinafter referred to as Permittee.

WITNESSETH:

WHEREAS, a short-term, temporary evacuation site is defined as a portion of, or entire facilities that would be used for a limited period of time, preferably not more than twenty-four (24) hours, as a safe place to evacuate individuals until an emergency situation can be resolved and those individuals can be returned to their facility.

WHEREAS, pursuant to the authority vested in the Board of School Directors, the officials of the BASD are authorized to enter into an agreement with the aforesaid Permittee to use one of its facilities as a short-term, temporary evacuation site or shelter. The terms and conditions of this arrangement are set forth below.

NOW THEREFORE, it is mutually agreed between the parties as follows:

1. In the event Permittee must evacuate its facility due to a crisis that occurred on site or within the vicinity of its location, the BASD shall make available Liberty High School, 1115 Linden Street, Bethlehem, Pennsylvania 18018, to be used as a short-term, temporary evacuation site. The exact location within the building and other terms of occupancy shall be prearranged with the administrator in charge of said building, and said parties should develop a plan after the execution of this Agreement. The BASD will retain full authority and responsibility for the protection of school property, and at no time shall relinquish possession of said property.
2. No rental fee shall be charged for this use of said BASD property.
3. The evacuation procedure shall be developed cooperatively between the building administrator and the BASD's emergency management coordinator. This procedure will include, but not limited to, names of administrators in charge, telephone numbers, building access including bathrooms, cafeteria and equipment, bus channels, parking, on-site communications, etc. A copy of said plan shall be maintained and updated by both parties.

4. All responsibility to transport individuals to and from the short-term evacuation site shall be borne by Permittee. The drop-off or receiving location at the evacuation site for Permittee's vehicles shall be specified and made a part of the evacuation procedure outlined in Paragraph 3.
5. In the event, the sheltered time is anticipated to be more than a hour or two, Permittee shall be responsible for bringing water and food for its people. In the event it was not possible to transport the necessary food and water, arrangement can be made with the BASD facility, with the cost thereof being billed to Permittee at a later date.
6. Permittee shall be fully responsible for the supervision of staff and students while sheltering in the above-identified facility. This shall include activities to keep students occupied. Further, Lessee agrees to name the BASD as an additional insured for the purpose set forth in this Agreement.
7. The BASD shall not be responsible for providing any medicine and/or medical assistance to said sheltered individuals unless a life threatening situation develops and/or an ambulance is not available.
8. Emergency facility use will not commence until the primary responsibility of the student and District employee welfare and safety has been resolved to the satisfaction of the BASD.
9. The Permittee agrees to exercise reasonable care in the conduct of its activities in said evacuation site, and further agrees to replace or reimburse the BASD for any school food or supplies that may be used by the said Permittee, or damage caused to the school district property by personnel of Permittee or sheltered individuals in the conduct of their emergency relief activities. It is the BASD's expectation that the facility will be restored to its original state including any cleaning or required maintenance solely at the Permittee's expense.
10. Release, waive, discharge and covenant not to sue the BASD, its administrators, directors, agents, and other employees of the District, from any and all liability for any and all claims, demands, losses or damages on account of injury, including death or damage to property, caused or alleged to be caused in whole or in part by the negligence of the BASD or otherwise.
11. Agree to indemnify and hold harmless the BASD from any claim, loss or damage arising from or by reason of any bodily injury, death, or property damage resulting from Permittee's use of the named District facilities.
12. The term of this Agreement shall be for the period beginning on the date of execution of the Agreement and continuing thereafter until terminated by either Party by providing written notice to the other Party. Termination shall be effective ninety (90) days following the non-terminating Party's receipt of written notice of termination. In the event the BASD gives notice of termination, ample time will be given for Lessee to make other arrangements for an evacuation shelter.

13. In the event disaster emergencies are officially declared by the Northampton or Lehigh County Emergency Management Agency or said facility is needed by the American Red Cross as a mass care center, said BASD facility may not be available to Permittee.
14. Said Agreement shall not conflict with the use of said facility as a host school or temporary shelter for BASD staff and students.

2. *Private Transportation Contract*

INFORMATION:

A private transportation contract for carrier services has been completed for a student requiring transportation to various sites throughout the community.

This item was reviewed with the Board at the September 10, 2012, Board Facilities Committee Meeting.

RECOMMENDATION:

That the Board of School Directors approves the private transportation contract for Ms. Nancy Velez to transport a student to various sites throughout the community effective August 27, 2012, through June 5, 2012, at a cost not to exceed \$5,994.

Dr. Roy stated: On page 2 – Recommendation – the paragraph should read June 2013, it reads 2012.

Vice President Cann asked for a roll call vote on Items 1, 2, 3, 4, 5 and 6. Yes – Directors Bonilla, Burkhardt, Follweiler, McKeon, Ortiz, Patrick, Vidanage, and Vice President Cann. Motions pass – 8-0

3. *Transportation Schedule for the 2012-2013 School Year*

INFORMATION:

The student transportation schedule for the 2012-2013 school year has been completed. This schedule provides service to public and nonpublic students who are eligible for transportation.

This information was reviewed with the Board at the September 10, 2012, Board Facilities Committee Meeting.

RECOMMENDATION:

That the Board of School Directors approves the student transportation schedule for the 2012-2013 school year.

Vice President Cann asked for a roll call vote on Items 1, 2, 3, 4, 5 and 6. Yes – Directors Bonilla, Burkhardt, Follweiler, McKeon, Ortiz, Patrick, Vidanage, and Vice President Cann. Motions pass – 8-0

4. *Ten Year Lease Agreement with the Bethlehem Township Athletic Association – Farmersville Elementary School Soccer Fields*

INFORMATION:

The Bethlehem Township Athletic Association's (BTAA) ten year lease for Farmersville Elementary School soccer fields will be expiring on October 21, 2012. The BTAA has requested to renew their lease, with the initial term ending on October 21, 2013, and the option to renew for nine additional one year terms for another ten years total.

This information was reviewed with the Board at the September 10, 2012, Board Facilities Committee Meeting.

RECOMMENDATION:

That the Board of School Directors authorizes the signing and execution of the attached lease agreement with the Bethlehem Township Athletic Association for continued use of the Farmersville Elementary School soccer fields.

Vice President Cann asked for a roll call vote on Items 1, 2, 3, 4, 5 and 6. Yes – Directors Bonilla, Burkhardt, Follweiler, McKeon, Ortiz, Patrick, Vidanage, and Vice President Cann. Motions pass – 8-0

LEASE

THIS LEASE made as of the twenty-second day of October 2012, between **BETHLEHEM AREA SCHOOL DISTRICT**, with an office at 1516 Sycamore Street, Bethlehem, PA 18017, ("Lessor") and **THE BETHLEHEM TOWNSHIP ATHLETIC ASSOCIATION**, P.O. Box 3172, Bethlehem, PA 18017, ("Lessee").

WITNESSETH:

1. Premises. The Lessor hereby leases to the Lessee, on the terms and conditions hereinafter set forth, all the certain ground located on the east side of the Farmersville Elementary School (the "Premises").
2. The Lessor hereby leases the Premises to the Lessee for the term commencing as of the date of this Lease and ending on the twenty-first day of October 2013 (the "Initial Term").
3. Rent. Lessee shall pay no annual rental fee; however, in lieu of rent, Lessee shall provide all necessary supplies and materials and shall be the sole bearer of all costs associated with the soccer fields and all improvements associated therewith, if any.

At the conclusion of the lease term, any improvements, renovations, and fixtures shall become the exclusive property of the Lessor. The Premises shall be left in a good and orderly condition at the expiration of this Lease.

The Lessee shall retain right to renew the Lease on the same terms and conditions as hereinafter set forth for nine (9) additional one (1) year terms, ending on the twenty-first day of October, 2022, provided that Lessee shall make said renewal request sixty (60) days prior to the expiration of each one (1) year term. It is understood and agreed that Lessor may terminate and/or cancel this Lease for any reason it deems responsible, provided that Lessor provide Lessee with written notice of termination at least ninety (90) days prior to the cancellation or termination of this Lease. Upon the expiration of the ninth renewal date, if Lessee is still desirous of the said Premises, Lessee shall make a request to renew sixty (60) days prior to the final expiration of this Lease; however, such request shall be subject to the approval of the School Board of the Bethlehem Area School District ("School Board").

4. Use. The Premises shall be used by the Lessee, their guests and invites, as soccer fields, shall not be available for use by the general public. The Lessor, as permanent owner of the Premises shall have the right to use the Premises for such purposes, as it deems appropriate. The Lessee may not assign this Lease, nor sublease the Premises or any part thereof. Any transfer by process of law shall be deemed an assignment by the Lessee, and the Lessee shall not do or knowingly suffer to be done any act, matter or thing, whereby any policy of insurance on the Premises shall, according to the conditions thereof become avoided or suspended.

It is further agreed to, by and between the Lessor and Lessee that the parties aforementioned shall exchange playing schedules as to the use of the Premises as far in advance as practical, but in no event less than one (1) month prior to scheduled games. This is an effort to avoid scheduling conflicts. It is agreed that the Lessee may not schedule activities during hours, on days, when the building and/or Premises is used by the Lessor for instruction, training, or other school district activity without prior written approval of the building administrator. The building administrator shall provide the Lessee a schedule of such activities as far in advance as practical.

5. Compliance With Laws. The Lessee shall comply with the requirements of all duly constituted statutes, rules, orders, and regulations of any federal, state, and local authorities, which are applicable to the Lessee's use and occupation of the Premises, and shall indemnify and save the Lessor harmless from, and defend the Lessor against all penalties, fines, costs, and damages resulting from a failure to do so.

If Lessee intends to construct other improvements on the Premises, they shall be subject to the approval of the School Board; and shall be attached hereto, and incorporated herein. It is agreed, all of which, by the parties that the Lessor shall have final approval of the location, type of construction, and when construction may occur on the Premises. The Lessor shall not be responsible for any governmental approvals and/or certifications, nor does the Lessor make any representations, warranties or guaranties that the Premises are fit for said purpose. Pursuant to the above, the Lessee shall indemnify and save the Lessor harmless from, and defend the Lessor against, any matters arising from the proposed construction.

6. Condition of Premises. The Lessee accepts the Premises in its present condition and acknowledges that the Lessor has no obligation to make repairs or perform any work required to adapt the Premises to the intended use of the Lessor or Lessee. The Lessor acknowledges that Lessee may perform extensive renovations to the Premises at Lessee's sole cost and expense; however, such renovations shall run to the benefit of both the Lessor and Lessee. Lessor agrees to cooperate with Lessee in enabling said renovations to continue in an expeditious manner.

7. Maintenance and Repair. Except as herein specifically provided, the Lessee shall keep the Premises, the fixtures, and appearances therein, including those of the Lessor, and the Lessee's own personal property situate thereon, clean and in good order and repair throughout the Term of the Lease. The Lessee shall be responsible for trash removal. If the Lessee shall fail to take good care of the Premises or to make the repairs and perform the maintenance required herein, or in the event of damage or injury to the Premises due to the Lessee's act or negligence, the Lessor may maintain and repair the same at the sole cost and expense of the Lessee and the cost thereof shall be payable by the Lessee thirty (30) days after submission to the Lessee of a written statement of the fair amount due.

The Lessee shall be solely responsible for and shall bear the cost of lining and preparing the field(s) for its use and cleaning the Premise when the Premise is used by the Lessee.

The Lessee shall be responsible for those same items aforementioned, however, shall additionally be responsible for the overall general and daily maintenance of the Premises, including but not limited to the grading of the fields, replacement of sand and/or dirt if warranted, replacement of defective or unsafe equipment and fixtures and apparatus appurtenant thereto or used in connection therewith, and maintenance of the landscaping.

The Lessee shall be solely responsible for and shall bear the cost of trash removal from the Premise when the Premise is used by the Lessee.

In the event that outdoor lighting is to be installed Lessee must obtain prior written approval from the Lessor.

8. Removal of Tenant. The Lessee, at the expiration of the Initial Term, or any renewal as provided for in paragraph 3, shall (a) peaceably surrender possession of the Premises to the Lessor in as good order and condition as at the commencement of the Term, excepting ordinary wear and tear, damage, destruction or loss by fire or other casualty or by any other cause unless such damage, destruction, or loss is caused by the act or negligence of the Lessee; and (b) repair all damage to the Premises and the fixtures, appurtenances, and equipment therein caused by the Lessee's removal of its equipment and other property. It is

hereby acknowledged and agreed that notwithstanding the aforementioned, Lessee shall remove all fixtures and improvements placed on the Premises by it, returning the Premises to the Lessor in as good order and condition as at the commencement of the Term. Any property required to be removed by the Lessee at the end of the Initial Term or any renewal and remaining on the Premises after the Lessee's removal shall be deemed abandoned and may, at the election of the Lessor, either be retained as the Lessor's property or may be removed from the Premises by the Lessor at the Lessee's expense.

9. Surrender of Premises. The Lessee hereby accepts notice to quit, remove from and surrender up possession of the Premises to the Lessor at the end of the Initial Term or any renewal provided that Lessor provide Lessee with written notice of Termination at least ninety (90) days prior to the termination of the Lease; however, if by forfeiture or otherwise, without any further notice to that effect.
10. Alterations. Notwithstanding paragraph 6, it is acknowledged and agreed that Lessee shall not make any improvements or additions to the Premises without the prior written consent of the Lessor. Should improvements be required, the Lessee will hire appropriately qualified architects, engineers, and contractors, subject to the approval of the Lessor. The architect/engineer will supply certified, sealed plans and specifications before construction commences. The Lessee shall in all cases obtain at its sole expense all required permits, and approvals and cause all work to be done in a good and workmanlike manner and in compliance with all requirements of governmental bodies having jurisdiction with respect to the Premises. The Lessee agrees to indemnify and save harmless as to, and to defend the Lessor against any matters arising from said construction.
11. Parking. Parking on the Premises shall be restricted to designated areas. Lessee shall enforce parking restrictions. If Lessee fails to enforce parking restrictions, Lessor will enforce parking restrictions, Lessor will enforce and charge Lessee for related costs.

Lessee agrees to consider construction of an additional parking area on the Premise. Construction of the parking area will be according to the specifications of the Lessor. Lessee shall provide all necessary supplies, materials, and labor and shall be the sole bearer of all costs, unless a separate a separate written agreement with the Lessor exists.
12. Utilities and Taxes. The Lessee shall provide at its sole cost and expense electric power, water, and sewer service adequate for both the Lessor's and Lessee's intended use on the Premises, and shall pay all charges for electricity, heat, water, and sewer rentals applicable to the Premises. Lessee hereby releases the Lessor from any and all liability from damages that may result from the bursting, stoppage, or leakage of any water, gas, steam, sewer, waste, or drain pipe, and the property damage caused thereby.
13. Insurance. Notwithstanding paragraph 14, the Lessee keep in force during the Term, and pay all premiums for, general public liability insurance in an amount of no less than \$1,000,000 per occurrence in addition to a standard fire policy with all risk extended coverage (including vandalism, malicious mischief, and child molestation), in compliance with all existing co-insurance requirements and naming Lessor as a co-insured. Lessee shall furnish Lessor with a copy of said insurance that shall meet the approval of the Lessor. In the event of damage or destruction of all or any portion of the building, the net proceeds shall be and applied as hereinafter provided. The Lessor and Lessee shall each be responsible for insuring all their own personal property on and at the Premises and Lessee shall furnish the Lessor with certificates of such insurance. All insurance to be maintained by the Lessee shall provide that no cancellation shall be effective as to the Lessor without thirty (30) days prior written notice to the Lessor. The Lessee waives its right of recovery against the Lessor, and releases the Lessor from any claim, arising out of loss or damage covered by policies of insurance maintained by the Lessee for fire, theft, public liability, workmen's compensation or other insurance, to the extent such loss or damages are covered by such insurance. All

policies of insurance obtained by the Lessee shall include a waiver of the insurer's rights of subrogation against the Lessor.

14. Indemnification and Insurance as to Claims of the Lessee and Third Parties. The Lessee agrees to indemnify and save harmless as to, and to defend the Lessor against, any and all claims asserted and suits filed to assert or impose any liability on the part of the Lessor for: (a) injuries to invitees, licensees and guests of the Lessee, including but not limited to the employees and staff of the Lessee, whether such claims or suits are the result of any act or omission of the Lessee, or its respective employees, servants or agents, or any other person whatsoever; and (b) injuries to persons other than those identified at subparagraph (a) above, and damage to any personal property, whether that of the Lessee or any other person, arising out of or the result of any act or omission of the Lessee attributable to the Lessee's possession of and operations on the Premises or attributable to any work performed on the Premises by the Lessee during the Term. In furtherance, but not in modification of the foregoing, the Lessee agrees to obtain and keep in force during the Term, and pay all premiums for, comprehensive public liability insurance and Worker's Compensation Insurance against liability for personal injuries and property damage arising from operations upon the Premises, all in amounts satisfactory to the Lessor; the public liability insurance to be issued with minimum limits of \$1,000,000 on account of bodily injury, death, or property damage as a result of any one accident with an umbrella liability policy in the amount of \$1,000,000 for each occurrence and \$3,000,000 in the aggregate; policies shall be submitted to and approved by the Lessor prior to the commencement of the Initial Term and certificates of such insurance coverage shall be furnished to the Lessor during the Initial Term.
15. Casualty. In the event that the Premises, or equipment or systems of the improvement serving the Premises, are damaged by fire or other casualty, the Lessor shall have an option to terminate this Lease by written notice to the Lessee within sixty (60) days from the date of such damage or destruction. If the Lessor does elect to terminate this Lease the Lessee agrees to proceed as promptly as possible to adjust the loss, repair, alter, and restore the damage, and return the Premises as nearly as possible to its prior condition, provided that insurance proceeds are made available to the Lessee in an amount sufficient to cover the cost thereof. If Lessor elects to terminate this Lease, the Lessee shall promptly surrender possession of the Premises.
16. Funding. Funds for any and all construction, improvements, renovations, and fixtures projects will be placed in a segregated bank account, at a bank to be selected by the Lessee. The Lessee will provide the name and account number to the Lessor and will verify that it is in possession of all necessary funds for completing a phase before commencement of construction of that phase. A copy of the monthly bank statement shall be provided to the Lessor until the final disbursements for construction have been made and all debts related to the project satisfied.
17. Notices. All notices required under this Lease shall be in writing and given or served personally or by registered or certified mail, return receipt requested and postage prepaid, addressed to the Lessor or the Lessee, as the case may be, at the address set forth in the introductory paragraph of this Lease, or to such other address as either party may hereafter direct by notice in like manner, all written notices to be effective upon delivery if personally served or when mailed, as shown by the official Post Office receipt of mailing.
18. Counterparts. This Lease may be executed in several counterparts, all of which constitute one and the same instrument. This lease shall not be binding and in effect until at least one counterpart, duly executed by the Lessor and the Lessee, has been delivered to each party hereto.

19. Construction. This Lease shall be construed in accordance with the Laws of the Commonwealth of Pennsylvania. If one or more of the provisions of this Lease shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions of this Lease and this Lease shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.
20. Entire Agreement. This Lease contains all the agreements and conditions between the parties hereto and supersedes any prior understandings or writings or all agreements between the parties respecting the within gutter and no additions, alterations, or changes in this Lease shall be binding unless set forth in writing signed by all parties hereto.
21. Successors and Assigns. The terms "Lessor" and "Lessee" shall be deemed to include successors and assigns, and this Lease shall inure to the benefit of and be binding upon the Lessor, the Lessee, and such successors and assigns, subject to the restriction on assignment and subletting herein set forth. The use of the singular term in all cases shall be deemed to include the plural.

BASD Roadmap

BASD Goals 2012-2013 School Year

1. *Roadmap to Educational Excellence* - Implement the BASD School Improvement Planning process and supporting initiatives in pursuit of the following educational goals:
 - Core Learning
 - Improve the overall district PSSA proficiency attainment by grade level;
 - Attain adequate yearly progress (AYP) for all schools;
 - Reduce achievement gaps by 3% per year;
 - Exceed “one year’s worth of growth in one year’s time for all students on the PA Value Added Assessment System.
 - Stretch Learning
 - Improve the *Advanced Placement Equity and Excellence* score for both Liberty and Freedom High Schools by 3% annually;
 - Increase by 3% per year the number of graduates receiving advanced placement credit or dual enrollment credit in their post-high school programs.
 - Student Engagement
 - Improve student relationships within schools while decreasing discipline issues through the consistent application of the Code of Conduct and through implementation of Restorative Practices starting at Liberty and Freedom High Schools.
 - Improve school climate through annual 3% reductions in Level 2 and Level 3 discipline infractions;
 - Improve by 3% per year student self-reported engagement and involvement in school.
 - Achieve 3% improvements in the overall degree of stakeholder satisfaction in BASD schools as measured by the BASD School Improvement Survey.
 - Personal Skill Development
 - Improve by 3% annually perceptions of students’ soft skills such as perseverance, leadership and teamwork as reported in the *BASD School Improvement Survey*.
2. Continue to strengthen the district’s financial integrity by maintaining a fund balance in the range of 5% - 8% of the total district budget and develop and implement a process for the Nitschmann Middle School Project.

8. *Program of Studies Revision in Support of the BAVTS/Business Course Pathway for the 2012-2013 School Year*

INFORMATION:

The following is an addendum to the 2012-2013 Program of Studies for Freedom and Liberty High Schools as it applies to all language regarding required coursework for graduation throughout both documents:

- All students must obtain a minimum of 26 credits to graduate.
- Students engaged in a Vocational/Technical or Business course path may **replace up to one required credit each in Social Studies, Science, and/or Mathematics with a course aligned to their career goals.** Eligibility for pursuing the Vo-tech/Business credit path to graduation will be determined by an administrator in consultation with the guidance counselor, parents and student.

RECOMMENDATION:

That the Board of School Directors approves the Program of Studies (POS) Revision in Support of the BAVTS/Business Course Pathway for the 2012-2013 School Year.

Vice President Cann asked for a roll call vote on Items 7, 8, 9, 10, 11, 12, 13, 14, 15 and 16.

Yes – Directors Bonilla, Burkhardt, Follweiler, McKeon, Ortiz, Patrick, Vidanage, and Vice President Cann

Motions pass – 8-0

9. *Vitalistic Therapeutic Charter School*

INFORMATION:

On October 1, 2010, the State Charter Appeal Board granted a renewal charter to the Vitalistic Therapeutic Charter School (VTCS) through an order signed by the Charter Appeal Board Chairperson, Thomas E. Gluck.

The VTCS renewal charter states that, “The Charter School shall not relocate its facility or add additional facilities at a location other than presented in its application without the consent of the Bethlehem Area School Board” (Item 33, Page 7).

On August 16, 2012, the VTCS submitted a Request for Relocation of the School to the BASD. Mr. Stein, Director of Facilities, and Mr. Fazil, District Engineer inspected the proposed new location at 111 Dewberry Avenue, Bethlehem, Pennsylvania 18018. Mr. Stein and Mr. Fazil concluded that, although a number of issues need to be addressed, the facility is suitable to house VTCS.

VTCS moved to the new location and began classes on September 19, 2012, prior to any action by the BASD Board of School Directors to approve or disapprove the move as required by the VTCS charter.

RECOMMENDATION:

That the Board of School Directors denies the Vitalistic Therapeutic Charter School’s request to relocate to 111 Dewberry Avenue, Bethlehem, Pennsylvania 18018 because it violates the VTCS renewal charter (Item 33, Page 7).

23. *Board Policy 610 – Purchases Subject to Bid – Third Reading*

INFORMATION:

As part of the State Budget being approved, Act 82 was amended to change the effective date of the higher bid limits as a result of Act 97 of 2011. For the 2012-2013 fiscal year, the new thresholds for bid limits are \$18,500 for bids and \$10,000 for quotes. These new thresholds apply to purchases under §870.1 for supplies and §751 for construction. Act 82 also increases the threshold for work performed by school employees to \$10,000. There will be an annual increase in the thresholds based on the change in the Consumer Price Index (CPI) that will be adjusted annually effective January 1.

Board Policy 610 has to be revised to reflect these changes for purchases subject to bid for supplies and construction.

The first reading of Board Policy 610 occurred at the August 6, 2012, Board Human Resources Committee Meeting. The second reading occurred at the September 17, 2012, Board Human Resources Committee Meeting.

RECOMMENDATION:

That the Board of School Directors approves the revisions made to Board Policy 610 – Purchases Subject to Bid as attached.

TITLE: PURCHASES SUBJECT TO BID

ADOPTED: November 15, 2004

REVISED:

610. PURCHASES SUBJECT TO BID	
1. Authority SC 751, 807.1	It is the policy of the Board to obtain competitive bids for products and services where such bids are required by law <u>as amended from time to time</u> or may result in monetary savings to the school district.
2. Guidelines SC 807.1 SC 751 SC 751	Furniture, equipment, school supplies and appliances to be purchased by the district, unless exempt by statute, costing more than <u>\$10,000 but less than \$18,500, to be adjusted annually by the Consumer Price Index (CPI), where such bids are required by law as amended from time to time</u> may be let on written or telephonic quotations. If it is not possible to obtain three (3) quotations, a memo must be kept on file for three (3) years showing that fewer than three (3) qualified contractors willing to quote exist in the market area. All contracts for construction, reconstruction, repairs, maintenance or work on any school building or property, unless exempt by statute, having a cost or value of more than <u>\$10,000 but not more than \$18,500, to be adjusted annually by the CPI, where such bids are required by law as amended from time to time</u> may be let on written or telephonic quotations. If it is not possible to obtain three (3) quotations, a memo must be kept on file for three (3) years showing that fewer than three (3) qualified contractors willing to quote exist in the market area. Less than \$5,000 worth of work may be done by district employees.
3. Delegation of Responsibility SC 807.1	Bid specifications shall be prepared by the Board Secretary/Director of Business Affairs or designee, in conjunction with the appropriate cabinet member. The Board Secretary or designee is authorized to advertise for bids, in accordance with statutory procedures, without prior approval of the Board; but the Board shall be informed of such action at the next meeting. Records shall be kept in sufficient detail to show that a reasonable number of qualified vendors were invited to bid. Every contract requiring competitive bidding shall be awarded to the lowest responsible bidder meeting specifications after sealed bids have been received and publicly opened in conformance with the School Code. If the aggregate award of all items for a vendor on the individual bid is less than \$150 and there are other responsible bids for those items, the district may enforce a minimum award requirement.

610. PURCHASES SUBJECT TO BID - Pg. 2

SC 807.1	Bids for the performance of any work or the furnishing of any material shall be delivered to the Board Secretary/Director of Business Affairs in sealed envelopes, on or before the day and hour set for receiving the bids; and the administration is authorized to open all bids prior to the Board meeting, at the predetermined time, providing all bidders and vendors and other interested parties have the opportunity to be present at the bid opening; and to tabulate and analyze all bids to be recommended at a future Board meeting. Each bid shall be accompanied by a certified check, bank cashier's check, money order, or bid bond, payable to the Bethlehem Area School District, in the amount of ten percent (10%) of the total amount of the bid, to be retained by the district if the successful bidder fails to enter into contract within ten (10) days after the award. The Board Secretary/Director of Business Affairs shall be permitted to waive or modify the bid security requirement when there is an advantage to the district through increased competition between vendors.

TITLE: STUDENT ACTIVITY FUNDS

ADOPTED: November 15, 2004

REVISED:

	618. STUDENT ACTIVITY FUNDS
1. Purpose	The Board is responsible for adopting and enforcing reasonable policy and rules regarding the management, supervision, control and prohibition of student activities, including raising and disbursing funds.
2. Definition	For purposes of this policy, student activity funds shall include the funds of Board-approved student groups. Student activity funds shall be raised by students and expended for purposes related to the activity, with student participation in the decision making process regarding these areas.
3. Authority SC 511	Student activity funds are not part of district funds but must be approved by the Board. The Board adopts this policy to ensure proper supervision of student activity funds under the district's responsibility.
4. Delegation of Responsibility Pol. 811	The Superintendent or designee is responsible for developing and implementing administrative procedures governing student activity funds. The building principal is responsible for working with students and advisors, implementing policies and procedures, and maintaining fiscal records. The principal shall serve as custodian of the funds and shall countersign all checks drawn upon them. Activity advisors are responsible for working with students in assigned activities and ensuring compliance with policy and procedures by the student organization. The organization's student treasurer and faculty advisor are responsible for maintaining records of all funds collected and disbursed and submitting required reports to the Board.
5. Guidelines	The established guidelines for operating student activity funds are as follows: 1. There shall be active student participation in decisions on the raising and expenditure of student-generated activity funds in all secondary schools and, where appropriate, in elementary schools. Representative participation shall be from the organization or extracurricular activity by whom, or in whose name, the

SC 440.1, 623	monies have been raised or donated. Normally, these decisions must be made at a regular meeting of the organization. If this is not possible, such decisions shall be reported to the membership at the next regular meeting. 2. Each student activity club shall keep minutes of meetings including the vote and when decisions are made to raise or to expend money. Where appropriate, the Student Council or designated student committee will annually approve the disbursement of funds for purposes such as student incentive awards, student and/or school improvement awards, and student field trips. 3. All transactions involving student activity accounts require the signature of the building principal and either the school treasurer, Board Secretary, or Board Treasurer. 4. Funds of any student body organization may be deposited or invested in banks whose accounts are insured by FDIC or investment certificates or withdrawable shares in state-chartered savings and loan associations doing business in-state and insured by FDIC or FSLIC <u>and approved by the School Board as a designated depository for school funds.</u> Opening and closing of accounts must be processed through the Business Office. Student groups wishing to engage in fundraising activities must register with and be approved by their school principal.
SC 511, 807.1	5. Purchases of materials, supplies or equipment costing more than <u>\$10,000 but not more than \$18,500, to be adjusted annually by the Consumer Price Index (CPI), where such bids are required by law as amended from time to time shall be made upon solicitation of quotations or bids from three (3) or more responsible manufacturers of, or dealers in, such materials, supplies, or equipment. 25. *Pennsylvania Auditor General's Performance Audit for the Years Ending June 30, 2007 and 2008*

INFORMATION:

The Department of the Auditor General conducted an audit of the fiscal years ending June 30, 2007 and June 30, 2008 in August 2008. At the time of the audit exit conference in July 2010, management's responses were provided and published as part of the final report. The final report was issued in August 13, 2012, and three findings were noted. On August 21, 2012, the District was contacted by the Pennsylvania Department of Education (PDE) for a management response, and a corrective action plan for the observations referenced in the report.

One finding involves a subsidy overpayment and another involves an improper transfer to the general fund from the capital reserve fund. This transfer was also noted in the local audit for the 2006-2007. The recommendation in the State audit is to restore the funds to the capital reserve fund and Mr. Gorman concurs. Therefore, included in this corrective action is authorization to transfer the funds as of June 30, 2012, with the auditors' close of the 2011-2012 fiscal year.

Attached is the reply for the corrective actions that are recommended for Board approval so that it can be filed with PDE. This information was reviewed with the Board at the September 17, 2012, Board Finance Committee Meeting.

RECOMMENDATION:

That the Corrective Action Plan relative to the observation identified in the audit report for the fiscal years ending June 30, 2007 and 2008, prepared by the Commonwealth of Pennsylvania Department of the Auditor General, be approved and submitted to the Pennsylvania Department of Education and authorize the transfer of \$2,500,000 from the General Fund to the Capital Reserve Fund as of June 30, 2012, final audit as part of the same corrective action plan.

<u>FINDING</u>	<u>MANAGEMENT RESPONSE</u>	<u>CORRECTIVE ACTION PLAN</u>	<u>TIMELINE FOR IMPLEMENTATION</u>	<u>MONITORING</u>																
District was overpaid \$77,122 in Alternative Education Subsidy	Management believes that the Alternative Education Program in BASD meets the 2003/2008 PDE guidelines in that it was designed for disruptive students who could not otherwise succeed in the regular classroom. Incorporated in our Career Academy program were three (3) subgroups of students, CAMP, LAMP & Pathways. Pathways students were grade 6 who displayed disregard for authority, violent or threatening behavior, suspension, truancy, etc. and who were determined to benefit from the same interventions for disruptive students. It is believed that this is in compliance with the alternative education guidelines. We believe that there are 10 students who should be eligible for reimbursement under the grant from the Pathways program. We request reconsideration of the Pathways students and the related grant subsidy for their education. Although contrary to our understanding at the time, we accept the finding that "RASA on its own is not a PDE approved alternative education program." However, as noted additionally in the report, "the Pathways Program is a PDE approved alternative education program, and students attending this subprogram are eligible for reimbursement."	Any future alternative education programs will be properly submitted to PDE for approval prior to beginning the program and all necessary documentation will be retained for audit purposes.	Immediate Please note that the alternative education grants are no longer available. The CAMP and Pathways programs are no longer offered by BASD. The LAMP program is still operational but is not being funded via any additional categorical grants.	Any future grants related to alternative education or other educational programs will be implemented and reported within the appropriate guidelines.																
At the time of field work, BASD provided attendance lists for RASA that were determined to not provide "adequate documentation." Attached please find the daily attendance detail records for the Pathways students for the 2006-07 and 2007-08 school years. This is the same type of original source documents that were deemed acceptable for audit purposes for the Career Academy program. Please note that the attendance list includes all Pathways students, grades 4 through 6; but, we are requesting that PDE recalculate the subsidy deduction to allow for reimbursement of only the eligible 6th grade Pathways students who qualify as listed below: <table><tr><th>School Year</th><th>Allocation per Pupil /Week</th><th># Elig Stds Participating</th><th>Total Pathways Subsidy Earned</th></tr><tr><td>2006-07</td><td>\$28.50</td><td>244</td><td>\$6,954.00</td></tr><tr><td>2007-08</td><td>\$29.92</td><td>140</td><td>\$4,188.80</td></tr><tr><td></td><td></td><td></td><td>\$11,142.80</td></tr></table> We respectfully request reconsideration of the documentation attached for your review and that PDE reduce the related grant subsidy deduction by \$11,142.80 for a net overpayment of \$65,979.20 to reflect only the CAMP, LAMP and RASA students as ineligible. <u>FINDING</u>	<u>MANAGEMENT RESPONSE</u>	<u>CORRECTIVE ACTION PLAN</u>	<u>TIMELINE FOR IMPLEMENTATION</u>	<u>MONITORING</u>
General Fund Deficit	The noted deficit was the result of deficit budgeting, use of fund balance for operational expenses and interest rate variations impacting the cost of variable rate debt obligations. Corrective action has been taken to increase taxation rates, reduce expenditures, and refinance variable rate debt to only include 35.6% of the overall debt portfolio while eliminating yield curve risk completely. The deficit will be eliminated and the general fund has shown a positive fund balance beginning June 30, 2010.	BASD is actively working toward reducing or eliminating the swap and variable rate debt exposure in the District's debt portfolio. This movement to a more conservative fixed rate position is planned to occur over the next two (2) to three (3) years as market conditions permit to take advantage of favorable interest rates and avoid further fees or charges.	Immediate and Ongoing The BASD fund balance has grown from (\$423,075) for the fiscal year ending 06/30/2009 to \$8,940,093 on 06/30/2010 to \$15,675,420 on 06/30/2011 evidencing continued and steady financial recovery that is sustainable with sound fiscal management.	Bond refunding opportunities are continually monitored together with management, the financial advisor and bond counsel to continue to reduce variable debt exposure. Budgets are monitored regularly with a primary focus to reduce cost and improve efficiency in all areas.
The commitment to this end is further evidenced by the work done during the past year to reduce the District's variable rate debt from 79.64% of total debt outstanding in January 2009 to 35.59% of total debt outstanding as of today. In addition, the District no longer offers split dollar life insurance benefits to employees, annual audit recommendations have been addressed and reduced, catastrophic insurance has been secured for self-insured medical benefits and accounting procedures have been documented and implemented. All expenditures have remained within budgetary limits.				
District Improperly Transferred Monies From Capital Reserve Fund to Cover General Operating Expenses	The current administration understands that this was not an appropriate transfer of funds under the PDE and GASB Accounting Guidelines. This has been corrected, has not occurred since this event, and will not be a future happening.	Expenditures for the \$122,663.88 were corrected and properly recorded to the General Fund with the final local audit correcting entries in March 2010. Staff were provided training regarding compliant accounting and continues on an ongoing basis and has a full chart of accounts with an understanding of how/why/ where items are to be coded. In accordance with the Auditor General recommendations, the improper transfer of \$2,500,000 will be restored to the capital reserve fund on June 30, 2012, with the close of 2011-2012 fiscal year audit entries.	Immediate. Corrective Action was taken in March 2010.	Ongoing. Management reviews all purchasing and expenditure transactions to monitor accounting compliance and consistency.
Reviews of financial data are ongoing and corrections are processed upon discovery to align coding for consistent and accurate reporting in accordance with PDE accounting procedures.

26. *PlanCon Part K: Project Refinancing Approval Series of 2011***INFORMATION:**

The District has received approval from the Pennsylvania Department of Education on PlanCon Part K: Project Refinancing for the Series of 2011 Bonds, which refunded a portion of the Series of 2007 Bonds and the Fund Capital Projects that are non-reimbursable. This approval confirms our temporary reimbursement rate of 13.40 percent for the bond issue.

This information was reviewed with the Board at the September 17, 2012, Board Finance Committee Meeting.

RECOMMENDATION:

That the Board of School Directors accepts PlanCon Part K: Project Refinancing approval for the Series of 2011 Bonds, which partially refunded the Series of 2007 Bonds and Fund Capital Projects that are non-reimbursable.

Vice President Cann asked for a roll call vote on items 25, 26, 27, 28, 29, 30, 31, 32 and 33. Yes – Bonilla, Burkhardt, Follweiler, Ortiz, Patrick, Vidanage, and Vice President Cann; Director McKeon – yes to all except Item 31 – No

RE: PLANCON PART K: PROJECT REFINANCING

Lease Number: 113071
Amount Financed: \$33,330,000
Reimbursable Percent: 13.40% (Temporary)
Refinancing Type: Issuance of General Obligation Bonds, Series of 2011 to Refund a Portion of General Obligation Bonds, Series of 2007 (Lease Number 073071) and Fund Capital Projects (Non-Reimbursable)

Dear Ms. Gober:

This letter acknowledges receipt of the PlanCon Part K, "Project Refinancing," for the above-referenced bond issue. The material is in a form acceptable to the Department and is hereby approved. This approval is based on a limited review of the documents submitted. If information reviewed subsequent to this approval violates law, policy or procedure, the Department reserves the right to rescind any and all approvals materially affected.

Any funds returned to the school district after all refunded bonds have been retired must be used to reduce the reimbursable amortization on the refunding bond issue. The school district is directed to report the unexpended funds related to the escrow to the Comptroller's Office after November 1, 2011. The Commonwealth will share in any funds returned to the school district by reducing the next scheduled debt service payment on the refunding bond issue. Unadjusted overpayments will be cited in future Auditor General audit findings.

A condition of this approval is that, unless otherwise approved by the Department, all available funds in the bond issues being refunded are to be used to reduce the principal amount of the new bond issue. Any funds remaining at closing which are not earmarked for capital projects and any excess proceeds from the refunding bond issue must be transferred to the debt service fund established for the new bond issue. These funds are not subject to reimbursement by the Commonwealth.

The school district must file form PDE-2071, "Application For Reimbursement For School Construction Project," to the Comptroller's Office to receive the reimbursement on this financing. The lease number and reimbursable percent referenced above must be included on form PDE-2071.

27. *Colonial Intermediate Unit 20 Contract for Service Agreement***INFORMATION:**

The District currently has various educational contracts with Colonial Intermediate Unit 20 that provides services to Bethlehem Area School District students where it is more cost effective than for the District to provide the services directly for one or a few students. It is recommended that this agreement be approved as the most effective solution for these students' educational needs.

This information was reviewed with the Board at the September 17, 2012, Board Finance Committee Meeting.

RECOMMENDATION:

That the Board of School Directors approves the Colonial Intermediate Unit 20 for Contract for Service Agreement for the 2012-2013 school year as follows:

Alternative and Regular Education Transportation Services	Est. \$2.32 per mile for each student transported (will be reconciled to actual at EOY)

COLONIAL INTERMEDIATE UNIT 20
ALTERNATIVE and REGULAR EDUCATION TRANSPORTATION CONTRACT
For School Year 2012-2013

This CONTRACT entered into this 22nd day of August, 2012 by and between COLONIAL
INTERMEDIATE UNIT 20 at 6 Danforth Drive, Easton, PA 18045, hereinafter referred to as CIU20.

AND

Bethlehem Area School District at 1516 Sycamore Street, Bethlehem, PA 18017-6099

CIU20 and Bethlehem Area School District agree to enter into a contract where CIU20 will provide and bill directly for Alternative and Regular Education transportation services for 2012-2013. Based on 2011-2012 aggregate miles the Intermediate Unit transported students and anticipated changes in number of students we will transport in 2012-2013, the cost for said service is projected to be \$2.32 per mile, for each student transported. This cost will increase or decrease depending on variations in number of students and miles transported from 2011-2012 and throughout 2012-2013. CIU20 will bill quarterly, (October 15, 2012, January 15, 2013, April 15, 2013 and August 15, 2013) based on our projected cost/mile and will then reconcile actual costs to you when the school year closes and after data and costs have been verified.

The Intermediate Unit will make every effort to accommodate new Transportation Requests for Alternative and Regular Education transportation students in as timely a manner as possible within the existing runs as already established. Should this service require a dedicated, new run to accommodate an overload of students on already existing runs, the Intermediate Unit may need to sub-contract with an outside vendor to accommodate these students until such time as an Intermediate Unit driver or substitute driver can be secured.

Please return signed agreement following appropriate administrative action to:

28. *Colonial Intermediate Unit 20 Special Education Programs and Services Contract*

INFORMATION:

Colonial Intermediate Unit (CIU) 20 provided a Special Education Contract to the District for verification. The CIU 20 Board approved the contract on August 22, 2012, at an estimated amount of \$2,865,776.08, which is a decrease of \$5,262.38 from the previous school year. CIU 20 will be sending two mid-year estimates, as well as the District's final costs. The first mid-year estimates will be mailed in November 2012, the second mid-year estimates will be mailed in March 2013, and the final costs with all necessary reconciliation for actual participation and services will be mailed in August 2013.

This information was reviewed with the Board at the September 17, 2012, Board Finance Committee Meeting.

RECOMMENDATION:

That the Board of School Directors approves the 2012-2013 Special Education Contract from the Colonial Intermediate Unit 20 at an estimated amount of \$2,865,776.08.

This agreement is made this 22nd day of August, 2012 by and between the Colonial Intermediate Unit 20 (hereinafter the "Intermediate Unit") at 6 Danforth Drive, Easton, PA 18045 and the Bethlehem Area School District (hereinafter the "School District") at 1516 Sycamore Street, Bethlehem, PA 18017-6099.

WHEREAS, the Intermediate Unit is willing to provide Special Education services to school districts within its service area; and

WHEREAS, the School District desires to engage the service of the Intermediate Unit for its Special Education Program for the 2012-2013 school year.

NOW, THEREFORE, in consideration of the mutual promises contained herein and intended to be legally bound hereby the parties hereto agree as follows:

1. The Intermediate Unit will provide special education instructional and non-instructional support and related services for the 2012-2013 school year. **The student data used for this contract is the data sent to you on your 2011-2012 second mid-year estimate. The data used for this estimate does not account for students first coming into our programs or for those leaving our programs.**
2. Assignments along with the 2012-2013 rates are as follows:

3. The instructional, non-instructional support and related services shall be as defined and limited in the regulations and standards of the United States of America and Commonwealth of Pennsylvania and by the Intermediate Unit Special Education Budget, as well as by any understanding of limitations reached between the Director of Special Education of the Intermediate Unit and the School District.

4. It is further understood that the School District may request additional services and costs for such additional services over and above those provided for in the base agreement and will be assessed according to a plan acceptable to the Superintendent of the District and the Executive Director of the Intermediate Unit.
5. The School District will be responsible for unemployment costs if a Psychologist is hired specifically for your district and the Psychologist is not needed in the 2013-2014 school year.
6. For the services under this 2012-2013 Special Education Contract, the School District will pay an **estimated** amount of \$2,865,776.08 to the Intermediate Unit.
7. The Intermediate Unit will invoice the School District in eleven installments.
8. The Intermediate Unit will provide the School District with **estimated** costs by November 2012 and March 2013, as well as the final costs by August 2013.

29. *Berkheimer OneSource Agreement for Homestead Mailing***INFORMATION:**

On September 3, 2004, Act 72, the Homeowner Tax Relief Act became effective. Pursuant to this legislation and reaffirmed in Act 1 of 2006, the District is responsible for issuing annual mailings to all property owners in the District who have not yet applied for the homestead application. This annual mailing must be postmarked by December 30th of each year. The County must certify the names of those residents who have not yet filed to receive such mailings, and they will process the approvals/denials. As in past years, the County will coordinate this process to expedite the mailing, return, and approve the homestead applications. They are working with Berkheimer Outsourcing, Inc., Bangor, to process this information and would prefer that the Districts utilize Berkheimer to prepare and mail the letters/applications so as to allow for electronic uploading of the returned applications for processing. Due to the coordination associated with this mandate, it is in the best interest of all to cooperate with the County in this process. In 2011, this mailing did not include the courtesy return envelope per the consensus of the Board.

		<u>Unit Cost</u>	<u>Est Cost</u>

INFORMATION:

On November 21, 2011, the District created the Employee Benefit Trust for the purpose of self-insuring medical benefits and acquiring catastrophic insurance coverage. At the January 23, 2012, Regular Board Meeting, the Board appointed trustees from the School Board, administration, and employee groups.

Paul Snyder has expressed an interest in being an alternate trustee for the support employees replacing the late James Lunger. The administration supports this recommendation.

This information was reviewed with the Board at the September 17, 2012, Board Finance Committee Meeting.

RECOMMENDATION:

That the Board of School Directors appoints Paul Snyder to replace the late James Lunger as an alternate trustee for the support employees to the Bethlehem Area School District Employee Benefit Trust effective immediately.

Vice President Cann asked for a roll call vote on items 25, 26, 27, 28, 29, 30, 31, 32 and 33. Yes – Bonilla, Burkhardt, Follweiler, Ortiz, Patrick, Vidanage, and Vice President Cann; Director McKeon – yes to all except Item 31 – No

31. *Afterschool Activity Bus Service***INFORMATION:**

Over the past several budget cycles, the District significantly reduced afterschool activity bus service. Whereas the District once provided a five day a week, 4:00 pm activity bus service for middle and high schools, the District currently provides 4:00 pm transportation two days a week.

The elimination of the bus runs particularly impacts younger students who cannot drive, as well as students who live farther away from their schools. The BASD Roadmap to Educational Excellence includes a focus on student engagement as a key to student academic achievement and as a component of educating the whole child. Our building administrators recommend the re-establishment of the 4:00 pm activity bus.

The receipt of the Accountability Block Grant allows us to transfer funds to support the \$24,000 cost of expanding the 4:00 pm activity bus runs from two days a week to four days a week.

This information was reviewed with the Board at the September 17, 2012, Board Finance Committee Meeting.

RECOMMENDATION:

That the Board of School Directors approves the expansion of the 4:00 pm activity bus runs from two days a week to four days for an estimated additional cost of \$24,000.

Vice President Cann asked for a roll call vote on items 25, 26, 27, 28, 29, 30, 31, 32 and 33. Yes – Bonilla, Burkhardt, Follweiler, Ortiz, Patrick, Vidanage, and Vice President Cann; Director McKeon – yes to all except Item 31 – No
