The first Courtesy of the Floor will pertain to matters on the Board agenda. The second Courtesy of the Floor will deal with matters pertaining to school district business. The Board requests that, when possible, all individuals supporting a like position on a topic select a speaker to present their views to avoid repetition. If that is not possible, all are welcome to speak. As per school board policy, generally, speakers are limited to taxpayers, residents, or employees of this school district. At the conclusion of the School Board Meeting, another block of time will be allocated for public comment. At that time, the same rules will apply. It is asked that speakers observe proper decorum, without personal attacks towards a specific individual or individuals. ROLL CALL VOTE

Motions pass 8-0

President Faccinetto stated that the Board held an Executive Session prior to this evening's meeting to discuss personnel, legal matters, and negotiations. Also as stated in the paper, the District attended the City Council meeting last week to talk about the Lehigh Valley Performing Arts Charter School. Both Ms. Vitalos from the BEA and President Faccinetto addressed the City Council regarding the RACP grant. There was a lot of media coverage as the District was pitted against the charter school, and that was certainly not the case. We spoke about the RACP, and did not feel that the charter school qualified based on the state guidelines of prioritizing large regional economic development projects, impact on job creation, and maximization of new tax revenue.

PRESIDENT'S
COMMUNICATIONS

Dr. Roy stated that the District had a Federal Monitoring visit for the District's federal programs. It is a very vigorous review of the programs and the accounting of those programs. The main reviewer commented that the District's program could serve as a model program for other Districts. So, he wanted to publicly thank Janet Tate for overseeing that, and all of the principals and teachers who participate in delivering programs under Title I. The report stated that the District is putting to good use the money that is received from the federal government.

SUPERINTENDENT'S
REPORT

JUNE 24, 2013

President Faccinnetto asked if anyone had any items under Unfinished Business. Seeing none, he moved on to Recommendations of the Administration.

UNFINISHED BUSINESS

Facilities Items

President Faccinnetto asked Director Follweiler to make a motion to approve Facilities Agenda Items 1, 2, 3, 4, 5 and 6.

RECOMMENDATIONS
OF THE
ADMINISTRATION

Director Follweiler made a motion to approve Facilities Agenda Items 1, 2, 3, 4, 5 and 6. The motion was seconded by Director Patrick.

MOTION TO APPROVE
FACILITIES ITEMS 1, 2,
3, 4, 5 AND 6

President Faccinnetto asked if there was any discussion regarding these items.

Director Ortiz had questions regarding Agenda Items 1, 2, and 3. In regards to Agenda Item 1 and the school bus replacements, is the \$150,000 for all nine buses and that is per year and is a lease? President Faccinnetto responded yes. Director Ortiz stated that in regards to Agenda Item 2 and the funds to the purchase of the delivery truck, what happens to the additional money? Mrs. Gober responded that it was discussed previously with the Board that there was a surplus in the facilities budget for the 2012-2013 school year because of the mild winter and low utilities bill. The Administration had tried in the spring to acquire this vehicle for the cafeteria deliveries satellite program and could not find a vehicle that was available on the lot that did not have to be manufactured that would allow it to be delivered by June 30. The Administration is therefore requesting that the funds be transferred to the Food Service budget to allow the District to solicit bids and acquire that new vehicle following its manufacturing which will be in the subsequent 2013-2014 school year. Director Ortiz stated that it is her understanding that Sodexo will put \$50,000 to purchase this item. However, her question is that whatever is left of that surplus, will it go to the general fund? Mrs. Gober responded that any surplus that would remain in the general fund would fall to fund balance. During budget discussions, a planned approach was discussed for what the Administration would recommend as distribution of any surplus in excess of the eight (8) percent undesignated fund balance at the conclusion of the annual audit. Director Ortiz stated that in regards to Agenda Item 3, if the vendor for the lawn care service did not perform work as agreed and now this represents a cost increase of \$73, is this a breach of contract, and does the District have any recourse against this vendor so that the District does not have to pay more money? Mr. Stein responded that he believes that there is a performance bond and the District could recoup that money. The biggest recourse is that the District would not do business with this company in the future. The bonding company on the performance bond would be responsible for the cost difference.

President Faccinnetto called for a roll call vote on Items 1, 2, 3, 4, 5 and 6.

ROLL CALL VOTE ITEM
1, 2, 3, 4, 5 AND 6

Yes – Directors McKeon, Ortiz, Patrick, Bonilla, Burkhardt, Cann, Follweiler and President Faccinnetto

Motions pass 8-0

Curriculum Items

President Faccinnetto asked Director Burkhardt to make a motion to approve Curriculum Agenda Items 7, 8, 9, 10 and 11.

MOTION TO APPROVE
CURRICULUM ITEMS 7,
8, 9, 10 AND 11

Director Burkhardt made a motion to approve the Curriculum Agenda Items 7, 8, 9, 10 and 11. Director Patrick seconded the motion.

President Faccinnetto asked if there was any discussion regarding these items.

Director Follweiler had questions on conferences which were answered by Dr. Silva. However, she asked if Dr. Roy or Dr. Silva would explain the acronyms such as Spitz, Council Leadership, and Social Thinking conferences? Dr. Silva responded that Spitz is the provider of inservice training related to planetarium and a science teacher in the District will be attending that conference. The Lehigh University School Study Council Tour is the annual tour that he makes with other superintendents and assistant superintendents from the Lehigh Valley where they travel to universities to study public policy issues, curriculum development, and organizational leadership. The Social Thinking conference is a professional development opportunity for the speech pathologist in identifying and understanding the behavioral cues of nonverbal students related to autism, and that is being paid with special education funds through ACCESS. Director Follweiler stated that after receiving more information regarding these conferences, she believes that the District will find good benefits from sending these people to those conferences.

President Faccinnetto called for a roll call vote on Items 7, 8, 9, 10 and 11.

ROLL CALL VOTE
ITEMS 7, 8, 9, 10 AND 11

Yes – Directors McKeon, Ortiz, Patrick, Bonilla, Burkhardt, Cann, Follweiler and President Faccinnetto

Motions pass 8-0

Human Resources Items

President Faccinnetto asked Director Ortiz to make a motion to approve Human Resource Agenda Items 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22 and 23.

MOTION TO APPROVE
HUMAN RESOURCES
ITEMS 12, 13, 14, 15, 16,
17, 18, 19, 20, 21, 22 AND
23

President Faccinnetto asked if there was any discussion regarding these items.

Director Burkhardt stated that he will have to abstain from Agenda Item 14a #4 as this is her daughter and she just had a baby boy. The Board congratulated him.

Director Follweiler had a question regarding Agenda Item 16 and asked if salary raises for these Administrators are included in the budget? Mrs. Gober responded yes. Director Follweiler stated that while she usually does not support these raises and they are in the budget, they do a phenomenal job for this District, and she will support these increases.

Director Ortiz had a question regarding Agenda Item 15d #10 regarding support services teacher evaluation implementation. The \$400 per day is it all day, or how many hours are we talking about? Mr. Giordano responded that as the District moves into the new teacher evaluation system which will require a tremendous amount of focus and detailed work, the Administration has asked the two principals that are retiring and have been working closely on this topic to be available as needed. This would be for full days of work as we need them. It depends on what is going to be done such as training design, but more importantly it will be coaching for the current principals to have these very experienced instructional leaders to help the newer principals as this new process is implemented. It will be a full day at a time not to exceed 60 days for the 2013-2014 school year. If more days are needed, he will bring it back to the Board for discussion.

Director Follweiler asked for clarification that 60 days collectively is between both people not 60 days each. President Faccinnetto responded that it was originally written as 30 days each, but upon review last week of the agenda, just in case one need more than 30 days and the other less, it would just be listed as 60 days collectively between the two retired principals.

President Faccinnetto called for a roll call vote on Items 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22 and 23.

Director McKeon – Yes; Director Ortiz – Yes; Director Patrick – Yes; Director Bonilla – Yes; Director Burkhardt – Abstain to Agenda Item 14a #4, and Yes to rest of Items; Director Cann – Yes; Director Follweiler – Yes; and President Faccinnetto – Yes

NORTHAMPTON COMMUNITY COLLEGE: Mrs. Charlene Koch provided an update to the Board. She also wanted to comment on the way the District runs the meetings as it runs smooth and efficient. The Board of Trustees held their meeting on June 13, and one of the items that was discussed by Dr. Erickson was a Strategic Focus update in making new plans as the new President. Some highlights he provided was a traveling van to increase enrollment for the college, and he reported that there have been good results from that. They are also going to develop in the next two (2) years, eight (8) new programs which are more modern and needed at this time rather than the ones that have not been working too well. They also want to increase the overall student success, and they have some plans on how to do that and one involves working with the local school districts so that we can improve the student math abilities and English abilities so that they do not have to take specialized courses when they get to college. There was also a discussion regarding the audit of the programs where area specialists were brought in to review the college programs to see if the program is worthwhile. There have been some in the past where they did not recommend continuing them, but she is happy to say that the six (6) that they did review at this time that they all passed which were journalism,

general studies, business administration, and EMT programs. Dr. Erickson also informed the Trustees that the state legislature is increasing by at least \$1 million overall to the community college capital line in their budget which makes NCC very happy. Dr. Erickson stated that one of the things that might have to do with this is the success of the community colleges going out there every year to lobby the legislators. She knows that PSBA does the same thing for school districts, and she is hoping that in the District's new role with PSBA, the District will be making some visits there because it does pay off. The Trustees also get a report every month on the status of the Monroe Campus that the solar panels will be used above the parking lots. It is not a local expense for the taxpayers as the Monroe Campus people pay more because NCC cannot get the Monroe School Districts to contribute.

BETHLEHEM AREA VOCATIONAL-TECHNICAL SCHOOL COMMITTEE: Director Patrick stated that a meeting was held on June 6. There was a change to the Superintendent of Record to Dr. Fellin from Saucon Valley School District. They also reelected King, Spry as the solicitor. There were discussions regarding staffing, contracts, program additions and closure of a separate program, job description updating and the implementation of an occupational advisory committee. There is no meeting scheduled for July.

DIVERSITY COMMITTEE: Director Ortiz stated that there is no meeting until the new school year starts.

BETHLEHEM RECREATION COMMISSION – Director Follweiler stated that there is a lot going on during the summer for students. One item she would like to highlight is that there are free movies in the parks at various locations throughout the City. There is also summer youth programs that are available. All of this information is available on the City's website. There is a lot for the students to do throughout the City of Bethlehem as well as Bethlehem residents.

COLONIAL INTERMEDIATE UNIT 20 – Director Follweiler stated that the IU meets on Wednesday.

PSBA – Director Bonilla stated that PSBA is closely watching the state budget, and they are having a school board member phone local legislators regarding the budget upcoming.

President Faccinetto asked if there was any New or Miscellaneous Business.

NEW OR
MISCELLANEOUS
BUSINESS

Director Follweiler stated that when the Board had breakfast with Dr. Erickson at Northampton Community College (NCC) a few months ago, he shared that students do not want to leave after two (2) years. Can the Board receive an update from one of the Trustee's next time on the progress to be able to attend NCC longer to get a four (4) year degree? Mrs. Koch responded that they are trying to get more local four (4) year colleges to partner with NCC so that students can stay there and take these additional courses. Director Follweiler stated that this sounds great.

President Faccinetto asked if there was anyone who would like to speak at Courtesy of the Floor.

COURTESY OF THE
FLOOR

Stephen Antalics (737 Ridge Street, Bethlehem) – Mr. Antalics asked the Board if anyone knew Dr. Susan E. Lehman who was a member of the faculty at Harvard Medical School and Boston Medical School. She was renowned for recognizing substance P which was discovered in 1930 which had a very critical effect in the neurological systems of the body, and she was the first one to isolate it. Her work

resulted in being appointed to the National Academy of Sciences and the American Academy Arts and Sciences. She was also awarded a fellow of the Biological Society and received a lifetime achievement award. She is also a Liberty graduate. During his tour at Alumni Day at Liberty High School, he was impressed with the tremendous array of the Hall of Fame of the Athletes. He stated that there are not any awards for academics, and he believes that Dr. Lehman belongs on the wall at Liberty High School. How many other graduates of Liberty High School have made these accomplishments in the academic field and we are not recognizing them? He would like to see if the Board can resolve a major discrepancy in the high school system of how do we recognize are graduates.

President Faccinnetto asked if there was any item to be discussed under Open Forum. OPEN FORUM

Director Burkhardt responded to Mr. Antalics comments. He appreciates and enjoys listening to Mr. Antalics but he is 1,000 percent wrong. In the main lobby at Liberty High School there is a large plaque of alumni distinction and it includes musicians, academicians, politicians, lawyers, etc. It is quite a who's who of Bethlehem up to pre-Freedom time. He believes Freedom has done something similar called the Circle of Excellence. So, we have not in any way ignored academic accomplishments. This happened with the 75th Anniversary of Liberty High School back in 1997 where we had both the traditional sports hall of fame and we also began an academic plaque which has room for additional candidates. He thinks Ms. Epstein is on the plaque, but would have to check. It includes quite an array of Bethlehem residents, and it is called "Alumni of Distinction."

Dr. Roy also wanted to state that Dr. Lehman was the guest speaker at the Liberty National Honor Society last year. She was back in the school to address all of the national honor society inductees and their parents.

Dr. Silva also wanted to state that Dr. Lehman spoke to a class at Liberty High School and gave advice to students pursuing careers in science education.

Director Cann stated that she may be speaking about something different about another plaque in the hallway. Director Burkhardt responded that the other plaque is the Lamps of Knowledge for graduates who had a 4.0 grade point average. The main lobby area really became the academic center of recognition of the school.

Director Ortiz stated that sometimes when you advocate for something we believe in and Ed Donnelly writes in the newspaper about the quality, importance, and success of pre-school program, we know we are on the right track.

President Faccinnetto stated that the next meeting of the Board will be on July 22, 2013 with a Special Board Meeting and Committee Meetings. Happy 4th of July! There will be an Executive Session following this meeting regarding contract negotiations.

President Faccinnetto asked for a motion for Adjournment. Director Follweiler made a motion and was seconded by Director Patrick. The meeting adjourned at 7:55 p.m. ADJOURNMENT

Stacy M. Gober
Board Secretary

1. *School Bus Replacements*

INFORMATION:

The Bethlehem Area School District owns an aging bus fleet with an average vehicle age over ten years old, including almost one quarter of the bus fleet which is over fifteen years old. The proposed 2013-2014 budget includes \$150,000 for replacement buses. The administration is requesting authorization to prepare, advertise, and solicit bids for replacement school buses. A five year municipal lease of \$150,000 would provide approximately nine buses which would be fully owned by the district at the end of the lease.

This information was reviewed with the Board at the June 10, 2013, Board Facilities Committee Meeting.

RECOMMENDATION:

That the Board of School Directors authorizes the administration to prepare, advertise, and solicit bids to lease replacement school buses at a cost not to exceed \$150,000 per year.

Account Code and Name: General Fund 5110-832 Debt Service Interest

Account Balance: 2013-2014 Budget

2. *Food Service Delivery Truck Replacement*

INFORMATION:

The Bethlehem Area School District owns an aging vehicle fleet, and in order to continue the replacement cycle of these vehicles, the administration is requesting authorization to prepare, advertise and solicit bids for the replacement of the food service delivery truck.

The approximate \$90,000 cost for the food service truck will be partially funded by Sodexo, with the remainder of the cost being funded from the projected savings in the natural gas budget due to the mild winter experienced this year. The last contract bid with Sodexo included \$50,000 to be donated for the purchase of equipment to be used for the lunch program. In an effort to utilize existing 2012-2013 surplus budget resources resulting from the mild winter, the administration recommends transferring \$40,000 from the General Fund to the Food Service Fund toward the purchase of the replacement delivery truck.

This information was reviewed with the Board at the June 10, 2013, Board Facilities Committee Meeting.

RECOMMENDATION:

That the Board of School Directors authorizes the administration to prepare, advertise, and solicit bids for the replacement of the food service delivery truck, and approve the transfer of \$40,000 from the General Fund to the Food Service Fund toward the purchase.

Account Code and Name: General Fund 2600-621 Natural Gas

Account Balance: \$401,938.78 (Before Budgetary Transfer of \$40,000)

Account Code and Name: Food Services 3100-760 Equipment Replacement

The Administration had tried in the spring to acquire this vehicle for the cafeteria deliveries satellite program and could not find a vehicle that was available on the lot that did not have to be manufactured that would allow it to be delivered by June 30. The Administration is therefore requesting that the funds be transferred to the Food Service budget to allow the District to solicit bids and acquire that new vehicle following its manufacturing which will be in the subsequent 2013-2014 school year. Director Ortiz stated that it is her understanding that Sodexo will put \$50,000 to purchase this item. However, her question is that whatever is left of that surplus, will it go to the general fund? Mrs. Gober responded that any surplus that would remain in the general fund would fall to fund balance. During budget discussions, a planned approach was discussed for what the Administration would recommend as distribution of any surplus in excess of the eight (8) percent undesignated fund balance at the conclusion of the annual audit.

President Faccinetto called for a roll call vote on Items 1, 2, 3, 4, 5 and 6.

3. *Lawn Care Services*

INFORMATION:

On February 27, 2012, the Board of Directors approved a three (3) year contract with several vendors who met specifications for lawn care services. S.F. & H. Landscaping recently notified the District that they were unable to meet their full contractual obligation to the District. The administration contacted Searock's Lawn Care as the next lowest priced vendor. Searock's has agreed to perform additional work at Fountain Hill Elementary School and Nitschmann Middle School at their previously bid unit price. These changes represent a cost increase of \$73 per cut for the two (2) buildings.

The original bid was awarded at the February 27, 2012, Regular Board Meeting. This information was reviewed with the Board at the June 10, 2013, Board Facilities Committee Meeting.

RECOMMENDATION:

That the Board of School Directors authorizes the administration issue a change order to Searock's Lawn Care to include lawn care services for Fountain Hill Elementary School and Nitschmann Middle School.

Director Follweiler made a motion to approve Facilities Agenda Items 1, 2, 3, 4, 5 and 6. The motion was seconded by Director Patrick.

President Faccinnetto asked if there was any discussion regarding these items.

Director Ortiz had questions regarding Agenda Items 1, 2, and 3. In regards to Agenda Item 3, if the vendor for the lawn care service did not perform work as agreed and now this represents a cost increase of \$73, is this a breach of contract, and does the District have any recourse against this vendor so that the District does not have to pay more money? Mr. Stein responded that he believes that there is a performance bond and the District could recoup that money. The biggest recourse is that the District would not do business with this company in the future. The bonding company on the performance bond would be responsible for the cost difference.

President Faccinnetto called for a roll call vote on Items 1, 2, 3, 4, 5 and 6.

Yes – Directors McKeon, Ortiz, Patrick, Bonilla, Burkhardt, Cann, Follweiler and President Faccinnetto

The Lehigh University School Study Council Tour is the annual tour that he makes with other superintendents and assistant superintendents from the Lehigh Valley where they travel to universities to study public policy issues, curriculum development, and organizational leadership. The Social Thinking conference is a professional development opportunity for the speech pathologist in identifying and understanding the behavioral cues of nonverbal students related to autism, and that is being paid with special education funds through ACCESS. Director Follweiler stated that after receiving more information regarding these conferences, she believes that the District will find good benefits from sending these people to those conferences.

Human Resources Items

President Faccinnetto asked Director Ortiz to make a motion to approve Human Resource Agenda Items 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22 and 23.

Director Ortiz made a motion to approve Human Resources Agenda Items 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22 and 23. Director Patrick seconded the motion.

President Faccinnetto asked if there was any discussion regarding these items.

Director Burkhardt stated that he will have to abstain from Agenda Item 14a #4 as this is her daughter and she just had a baby boy. The Board congratulated him.

Director Follweiler had a question regarding Agenda Item 16 and asked if salary raises for these Administrators are included in the budget? Mrs. Gober responded yes. Director Follweiler stated that while she usually does not support these raises and they are in the budget, they do a phenomenal job for this District, and she will support these increases.

Director Ortiz had a question regarding Agenda Item 15d #10 regarding support services teacher evaluation implementation. The \$400 per day is it all day, or how many hours are we talking about? Mr. Giordano responded that as the District moves into the new teacher evaluation system which will require a tremendous amount of focus and detailed work, the Administration has asked the two principals that are retiring and have been working closely on this topic to be available as needed. This would be for full days of work as we need them. It depends on what is going to be done such as training design, but more importantly it will be coaching for the current principals to have these very experienced instructional leaders to help the newer principals as this new process is implemented. It will be a full day at a time not to exceed 60 days for the 2013-2014 school year. If more days are needed, he will bring it back to the Board for discussion.

Director Follweiler asked for clarification that 60 days collectively is between both people not 60 days each. President Faccinnetto responded that it was originally written as 30 days each, but upon review last

week of the agenda, just in case one need more than 30 days and the other less, it would just be listed as 60 days collectively between the two retired principals.

President Faccinetto called for a roll call vote on Items 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22 and 23.

Director McKeon – Yes; Director Ortiz – Yes; Director Patrick – Yes; Director Bonilla – Yes; Director Burkhardt – Abstain to Agenda Item 14a #4, and Yes to rest of Items; Director Cann – Yes; Director Follweiler – Yes; and President Faccinetto – Yes

Motions pass 8-0 for Agenda Items 12, 13, 15, 16, 17, 18, 19, 20, 21, 22 and 23

Motion passes 7-0-1 for Agenda Item 14

Dr. Roy introduced Dr. Detrick McGriff as the new principal at Broughal Middle School as the Board just approved his appointment. The Administration looks forward to working with him.

17. *Community Fellows Program*

INFORMATION:

The Lehigh University Community Fellows Program was designed to create or enhance partnerships between Lehigh University and regional non-profits and governmental agencies. The Fellows work 15 hours a week over twelve months for an organization, while taking classes towards a Master's Degree. Fellows focus on completing projects identified and designed by the non-profit and governmental organizations, and approved by the Director of the Community Fellows Program. The Bethlehem Area School District has a need to further enhance communications to inform the public of district initiatives and to communicate at the regional and state level the needs and policy positions of the BASD regarding critical issues facing public education. A sampling of tasks include:

Coordinate work with district stakeholders to develop a communications plan for the district to include regular contact with the local media to publicize district accomplishments and events.

Design and implement initiatives to increase educational opportunities, raise BASD resident awareness of district assets, and strengthen community support, including through expanded use of social media.

Work with the BASD to establish and maintain relationships with state representatives, state senators and the PA Department of Education.

Develop documents to communicate and advocate for BASD on policy issues of importance to the district.

This information was reviewed with the Board at the June 17, 2013, Board Human Resources Committee Meeting.

RECOMMENDATION:

That the Board of School Directors approves for the administration to partner with Lehigh University for participation in the Community Fellows Program at a cost not to exceed \$8,750.

18. *EduLink Inc. Agreement***INFORMATION:**

Act 82 of 2012 established a new statewide teacher evaluation system that will be implemented for the 2013-2014 school year. All districts must use the state mandated teacher evaluation template, which includes both student/school test performance and teacher observation data. The Bethlehem Area School District's evaluation tools will no longer be used as of the fall of 2013.

A portion of each teacher's evaluation will be based on student and school wide PSSA and other test data. This data will be downloaded by the state into each individual teacher's evaluation template. The principal of the school will then complete the school observation based portion of the evaluation template. A new software solution is required to successfully implement this new state mandated evaluation system across 1,000 BASD teachers who are evaluated by approximately 50 administrators.

A team of administrators and teachers evaluated the vendors who provide management software for this new system.

In order to facilitate implementation of this new teacher evaluation system and the management of significant amounts of data for each teacher, the Administration recommends entering into an Agreement with Edulink Inc. for use of the PA Electronic Teacher Evaluation Portal (PAETEP) software.

This information was reviewed with the Board at the June 17, 2013, Board Human Resources Committee Meeting.

RECOMMENDATION:

That the Board of School Directors approves the Agreement with EduLink Inc., pending final review of the Agreement by the District's Solicitor, for the PA Electronic Teacher Evaluation Portal (PAETEP) to be used by the District to manage the teacher evaluation process at a licensing fee of \$15,360 to access the system for the period of July 1, 2013, through June 30, 2014.

At EduLink, we offer a balance of non-technical and technical staff to our clients. If you are the person that will be using the software but are not necessarily tech-savvy, you certainly don't want to have too many conversations with computer programmers! On the other hand, if you are a technician, you probably will want to talk about the technology behind the software. This is the secret that has brought us our success. It is what we continue to focus on everyday with every new client.

In-service programs and workshops conducted by your school can be credited to each employee in minutes! My-Registrar

www.my-registrar.com

My-Registrar is a customized web-based registration system. Using your colors, logos and identity, the My-Registrar application is tailored to match your organization's existing Web presence. Courses, activities and events are loaded into the My-Registrar database with fields that you define.

Once online, users can quickly and easily search your catalog of events, register for an upcoming activity, process payment and receive confirmation any time of day (24x7x365). The process is fully automated and allows for a seamless registration experience.

My-Registrar is customized to meet the specific needs of the following industries: Education & Training, Parks and Recreation Departments, and YMCA's.

My-Approval & Reimbursement

My-Approval & Reimbursement is a powerful web-based system that is specifically designed to track and manage the approval and reimbursement process for external event requests. Requests can now be processed in minutes rather than days.

Teachers simply log on to the site and enter requests to attend professional development offerings that are outside of your district. Every detail can be submitted including expenses, cash advance requests, purpose, etc. The building principal (or whatever administrator is assigned to this teacher) receives an email regarding this request and can approve or

disapprove the request from their mobile phone, iPad or any computer. Once approved, central administrators are automatically notified and can approve or disapprove. The business office is also notified and involved in the process when requests include funding.

At each level, administrators can add notes, funding source information, etc. Teachers receive email notification of the approval (or disapproval) along with all notes and instructions.

With My-Approval & Reimbursement, your district's approval process is expedited and seamless. School district decision-makers can now respond quickly and effectively to each teacher's approval request.

We strive to understand the needs of our client in order to develop a system that automates processes, tracks and reports critical data, and is customized to the unique needs of the client – ultimately saving them time and money. Once the beta system has been sufficiently tested and the system is in use, we continue to serve our clients by providing training and responding to unforeseen needs.

20. *2014 Pennsylvania School Boards Association (PSBA) Legislative Platform*

INFORMATION:

The Pennsylvania School Board Association (PSBA) drafts and approves a Legislative Platform each year as an official record of positions and legislative items. Each PSBA member school district is invited to submit resolutions and/or legislative items to be considered for the PSBA 2014 Legislative Platform.

At the Board Human Resources Committee Meeting on June 17, 2013, the Board reviewed the following legislative items for consideration to be submitted to PSBA by the end of June:

- A. PSBA supports legislation that eliminates the financial burden on local school districts by funding cyber charter schools at the state level. Further, district funding for brick and mortar charter schools should be limited to charters granted by school boards and funded at a cost based on actual documented educational expenditures and not to exceed the sending district's actual educational expenditures per student.
- B. PSBA opposes legislation that requires school districts to make payments to a charter school for early childhood and kindergarten programs that a student's district of residence does not offer.
- C. PSBA opposes legislation that requires a district to pay a five (5) percent fee to the county when the district uses a third party to collect delinquent taxes.
- D. PSBA supports the right of districts to initiate property assessment appeals and supports legislation that requires such appeals to generate a minimum \$10,000 in additional revenue to the district.
- E. PSBA support legislation to reduce reliance on property taxes to fund public schools.

RECOMMENDATION:

That the Board of Directors authorizes the Administration to submit the legislative items listed above to PSBA for the 2014 PSBA Legislative Platform by June 28, 2013.

The Pennsylvania Trust solicits proposals for these actuarial services and contracted with Conrad Siegel Actuaries to perform the valuation.

The District utilized Conrad Siegel to perform these valuations in the fiscal years ending 2009 and 2011. The statement requires that this valuation be updated every two years for financial reporting accuracy. The renewal Agreement is similar to the prior Agreement and offers the same cost structure through June 30, 2014, with a small 2-3% increase effective July 1, 2014. This is the first increase since 2007 as very complex cases may require additional actuarial work and expense. The proposed update pricing is estimated at \$8,000 based on the District's complexity of plan designs. The last analysis was considered complex at a cost of \$8,050. This expense is paid from the General Fund and is required to be completed for the June 30, 2014, annual audit.

This information was reviewed with the Board at the June 17, 2013, Board Finance Committee Meeting.

RECOMMENDATION

That the Board of School Directors appoints Conrad Siegel Actuaries to perform Actuarial Services required to comply with GASB 45-Other Post-employment Benefits valuation at an estimated cost of \$8,000 with terms and pricing in accordance with the Pennsylvania Trust Agreement.

INFORMATION:

In accordance with the new Governmental Accounting Standards Board (GASB) Statement 54 and Board Policy 620 Fund Balance, the Board annually may commit or constrain a portion of fund balance for specified purposes which can include Capital Reserve Funds, PSERS or any other Board approved purpose with the amount to be determined following the close of the fiscal year but prior to the final audited financial statements being prepared.
