HIGHLIGHTS OF THE WEEK

Lions Club Eye Screenings

The Lions Club screened 163 DPS students last week. We thank Liz Jackson for organizing this with Mrs. Smith as well as the following members Lou Colella, Quinn Golden, Gary Hedges, Bob Infantino, Margaret & George Sichak, and Matt Snyder.

2nd Grade Highlight

Learning math can be fun! 2nd graders play math games to practice math skills that they have learned in class. This week Mrs. Halbert's 2nd Graders played an Array Matching Game to practice number patterns and addition strategies. This important skill helps students be ready for learning about multiplication in 3rd grade.
