MINUTES CURRICULUM SUB-COMMITTEE

The School Committee may vote on all items listed on this agenda

The preceding listing of matters are those reasonably anticipated by the Chairman which may be discussed at the meeting. Not all items listed may be discussed and other items not listed may also be brought up to the limited extent permitted by the Open Meeting law.

Agenda: Meeting called to order at 9:05. Members attending were Maureen Fuller , Kerri Scoffield, Jessee Clemens, Lisa Dix, and Dr. Starkie.

1. The Minutes of 10.31.23 were approved.
2. WIN & Benchmarking Presentation Follow-Up:
 - A. Dr. Starkie offered the opportunity for any follow up discussion/questions about the WIN and Benchmarking Presentation from last month. There was a brief discussion about students' progress in ARC.
3. Jan. 16th ERD Draft:
 - A. Dr. Starkie gave a brief overview of what the full day PD would look like at each level. The elementary level will have a two hour presentation about Trauma and Social Emotional Learning and spend the next two hours learning how to implement what was learned in the presentation. There will also be time for Benchmark Scoring. The secondary level will spend their day with the content consultants they have been working with this year.
4. Instructional Materials Discussion:
 - A. Dr. Starkie presented a 2001 policy about the School Committee's responsibilities when new instructional materials are requested to be purchased. Does the School Committee have to approve all instructional materials? We want to be sure we are following policy and if updates to the 2001 are needed or not. The subcommittee felt the 2001 policy should be referred to the Policy subcommittee first.
5. January Curriculum Sub Meeting:
 - A. Although the date of the next meeting, Jan. 2, is the first day back from December break, we are going to keep the date because of the agenda items that need to be discussed before the School Committee Meeting on Jan. 3.

Meeting adjourned at 9:40.
