International Community School News

Happy New Year ICS!

I hope you had a wonderful break with your families. A new year brings new opportunities for our community. I have spent a considerable amount of time meeting with every faculty member and multiple small group student listening sessions. It has been humbling to hear all the reasons that make ICS such a special and unique place. At the same time, like any school or organization, we have learned about areas where our school might make improvements in the interests of our students and community. We are looking forward to learning more from our parent community next. More information will be coming as we identify representative groups for listening sessions to be held during the month of February. Your voice and passion for your children's educational experiences are important as ICS continues to identify the strengths and growth opportunities for our future.

I look forward to engaging with and learning from you in the coming months.

Have a wonderful weekend with your families. And go DAWGS!!!

Jacob

FAFSA Night for Seniors

FAFSA (free application for federal student aid). ICS is hosting a **FAFSA Night for 12th grade students and parents on Thursday, January 18th, 6:30pm-8:30pm in the Lyceum**. Light snacks and refreshments will be provided. This is an opportunity to get an overview of what the FAFSA is, how to get started and support while you complete the application. It is recommended that both students/parents set up their FSA ID at least 5 days prior to the event, as your FSA ID is required to complete the FAFSA. Please check out our [financial aid page](#) for more information about the FAFSA. This event will be led by the ICS Counseling team. Please contact **Rebecca Zavala** for questions.

Registration

ICS counselors will be coming into classrooms to do course request preparation for the 2024-2025 school year the week of January 29th-February 2nd. They will return to do course request entry for the 2024-2025 school year the weekend of February 5th-9th. More details will be available in the coming weeks, please refer to the [ICS Registration page](#) for further updates.

Lost and Found

Please check for and claim any lost and found items located in the science hallway. Lost jewelry and tech items are in the main office.

Attendance

Please report student absences, late arrivals and early dismissal via email or phone call to Attendance. Please include your students' name, grade, and reason in your message. Informing via teachers' emails, the main office, or responding to the newsletter email which is set to 'do not reply' is not recommended.
