BART Registration for Flexible Tuition

Dear Current Flex Families,

LWHS is offering to help with the cost of riding BART for students enrolled in the Flexible Tuition Program. Students must have a youth clipper card to participate.

How the program works:

1. Funds are intended to be used for school and school-related activities
2. Funds will be added to a student's youth clipper card twice a year, in the beginning of Fall 2023 and beginning of Spring 2024.
3. Parents/Guardians must fill out the Bart Registration Form by August 25, 2023. Note: this form is kept on file and a new form will need to be completed each year.
4. Students can make an appointment with Krysten Lee beginning August 28, 2023 to schedule a time so the funds can be added.
   a. Please email Business Office Assistant, Krysten Lee to make an appointment.
   b. The appointments will be done via Zoom. During the appointment, please be prepared to provide your login and password. (Access to Student’s Clippercard is needed in order for the Business Office to add the funds directly to the account, as well as view receipts and records). Before your appointment, your Clippercard account should be established. If access is unavailable, the appointment will have to be rescheduled.

If you have any questions regarding the BART program, please contact Financial Aid Officer Emily Fung in the Business Office.
