

Juan Diego Academy

Catholic Regional High School

Justice + Devotion + Action

November 13, 2023

Dear Juan Diego Academy Supporter:

As our annual *Noche de Rosas* gala fundraiser approaches, we hope you will consider offering your financial support. The evening event is currently scheduled for Saturday, February 24, 2024 at 6:00 pm in our Gym and will include a semi-formal dinner, music, and blackboard and live auctions.

While the Rio Grande Valley now offers many alternatives in secondary education, Catholic schools stand apart because they provide excellent education while also nurturing strong Catholic virtues and moral values. For centuries, the Catholic Church that pioneered education, has also consistently produced young adults who become active leaders in their communities and in their churches. Juan Diego Academy maintains that tradition.

The newest of Catholic High Schools in the Rio Grande Valley is proof positive that good things come in small packages. Though not as large as most area schools, the students' achievements speak volumes of its success in education. As a result of the school's academic rigor, our recent graduates were offered admission from such illustrious universities as Notre Dame, Brown, The Citadel, Texas A&M University, The University of Texas, Sara Lawrence, and Stanford. Beyond providing an exceptional faith-filled education, Juan Diego Academy also offers a variety of sports, Robotics, extracurricular activities, and clubs that result in well-rounded students. Thanks to small class sizes that allow for individualized and personal attention from teachers, students experience increased opportunities for growth. In turn, its' graduates are well equipped to enter into an ever-changing society.

As Juan Diego Academy continues to flourish, so do the needs for campus improvements. Looking to the future, some of the proceeds from this year's *Noche de Rosas* gala fundraiser will target additional security cameras to enhance the security of our campus.

For those who have previously contributed, we ask that you continue to support what has become a thriving campus. For those not yet familiar with Juan Diego Academy, please join us in making it the success our Catholic community and youth so richly deserve. Thank you for your time and consideration.

Sincerely,

Irene Lopez
