Vacation Days

Eligibility: The following vacation benefits shall apply to the Coordinator who is regularly employed on a twelve (12) month basis. A Coordinator who is permanently employed for less than 52 weeks per year shall be entitled to pro-rata vacation benefits. The Superintendent may authorize placement at a higher rate of accrual for new employees at the time of initial employment, not to exceed the rate of 25 days per year.

Vacation Accrual:

After 1 years of service on July 1	18 days (accrued at ≈ 1.5 days/month)

New Employees: A new employee, during his/her first year of service, shall accrue vacation benefits at the rate of eighteen twelfths of a day per month for each full month of service in the School District and may take such accrued vacation as of July 1 according to the scheduling rules. An employee with a commencement date of employment prior to January 1 shall count such partial year as a full year of service when calculating the next year's vacation benefits, and thereafter advance regularly on the schedule.

Scheduling Rules: Vacation days shall be requested in writing, subject to the approval of the supervisor.

Accrued vacation days shall normally be taken prior to June 30th of each year; however, a maximum of forty (40) days of unused vacation may be carried over to the next contract year. A Coordinator who is carrying over the maximum number of days from one year to another may be compensated for up to six (6) additional days that would otherwise be lost.

The Coordinator terminating employment shall receive payment for vacation earned for that year but not taken or otherwise compensated for. The daily rate for said vacation days shall be the Coordinator's annual salary divided by 223. In the event of the death of the Coordinator during the duty year, the Coordinator's beneficiary shall receive payment for vacation earned for that year but not taken. If no beneficiary designation is in effect at the time of death, the payment shall be made to the estate of the deceased. The daily rate for said vacation days shall be the Coordinator's annual salary divided by 223.

Termination: A Coordinator who has completed at least one (1) year of service shall be entitled to receive pro-rata pay for earned but unused vacation time provided such employee provides the School District with at least four (4) weeks' advance notice of his/her effective date of resignation.

BASIC COMPENSATION

Contract Year: The Coordinator shall be compensated for the 2021-2022 and 2022-2023 fiscal years pursuant to Appendix A attached hereto.

Daily Compensation: Except as otherwise defined in this Policy, in the event it is necessary to calculate a daily compensation, such daily compensation rate shall be obtained by dividing the annual salary by 260.

Application: The salary stipulated in Appendix A hereof is based on the assumption that the employee is employed for the full duty year and regular duty day and continues to occupy a position similar and comparable to position occupied as of the date of execution of this Policy.

GROUP INSURANCE

Selection of Carrier: The selection of the insurance carrier and policy shall be made by the School District.

Medical-Hospitalization Insurance:

Single and Dependent Coverage: The School District will contribute the full premium for single and dependent medical-hospitalization insurance for the Coordinator employed by the School District who qualify for and are enrolled in the plan. A Coordinator who elects only single coverage may transfer the difference in cost between single and dependent coverage to their health care reimbursement account. For Coordinators who begin service as a Coordinator on or after July 1, 2020, the cumulative total that may be accrued at any one time in the Health Reimbursement Account (HRA) will be five times the annual family premium.

Duration of Insurance Contribution: The Coordinator is eligible for a School District contribution as provided in this section as long as the employee is employed by the School District. Upon termination of employment, all School District participation and contribution shall cease, effective on the last working day.

Continued Coverage: It is the responsibility of the Coordinator to make arrangements with the school district business office to pay to the school district the monthly premium amount in advance and on such date as determined by the school district for continued medical hospitalization insurance coverage. The Coordinator's right to continue participation in such group insurance, however, shall be in accordance with state law.

Flexible Benefit Plan: The School District shall sponsor a Flexible Benefit Plan.

Health Care Reimbursement Plan: The School District shall sponsor a Health Care Reimbursement Plan which will either make direct payment or provide reimbursement for

hospital-medical and dental insurance and other eligible health care expenses as defined under the provisions of the School District's Health Care Reimbursement Plan. The School District shall contribute, on behalf of each eligible employee, an amount not to exceed \$1000/year. If a Coordinator is not enrolled in the District's health coverage, this contribution shall be made to a Retirement Health Care Savings Account. All other terms and conditions of the Plan, including, but not limited to maximum reimbursements and other administrative procedures shall be set forth under the provisions of the Plan document. Eligibility shall be governed by the Group Insurance eligibility rule below.

Income Protection Insurance: The School District shall deduct from the Coordinator's paycheck the premium for the current long-term disability plan in effect in the school district for which the Coordinator is qualified. This deduction shall be made in after-tax dollars. The Coordinator shall participate in the district long-term disability policy coverage. The current plan for the Coordinator shall equal 2/3 of the Coordinator's regular salary. From the date of disability, the School District will continue its contribution for medical-hospitalization and dental insurance for a period not to exceed twelve (12) months if such coverage is not provided through waiver of premiums. The disabled Coordinator may continue as a member of the group at their own expense, subject to restrictions of the carrier.

Term Life Insurance: The School District will provide the full-time Coordinator with a \$200,000 (double indemnity and dismemberment) term life insurance policy. The premium shall be paid in full by the School District. The Coordinator may purchase, at their own expense, supplemental life insurance subject to insurance carrier offering.

Dental Insurance: The School District will provide the Coordinator with single and dependent dental insurance coverage to the Coordinator employed by the school district who qualifies for and is enrolled in the plan. Coordinators who elect only single coverage may transfer the difference in cost between single and dependent coverage to their health care reimbursement account.

Claims Against the School District: The parties agree that insurance benefits described in this Policy and the eligibility of any employee for such benefits shall be governed by the terms of the insurance policy purchased by the School District pursuant to this Policy. It is further understood that the School District's only obligation is to purchase an insurance policy and pay such amounts as agreed to herein and no claim shall be made against the School District as a result of a denial of insurance benefits by an insurance carrier.

LEAVES OF ABSENCE

Sick Leave: The Coordinator shall earn sick leave at the rate of twenty (20) days for each year of service in the employ of the School District. Sick leave shall be accrued at 1.67 days per month. Effective June 30, 2023, a Coordinator shall earn sick leave at the rate of eighteen days for each year of service in the employ of the School district, accrued at 1.5 days per month.

Unused sick leave days may accumulate to a maximum credit of 320 days of sick leave per Coordinator.

Sick leave pay shall be allowed by the School District whenever a Coordinator's absence is due to illness which prevented his/her attendance at school and performance of duties on that day or days.

In the event of concern regarding abuse of sick leave, the School District may require that the Coordinator furnish a medical certificate from a qualified physician as evidence of illness, indicating such absence was due to illness, in order to qualify for sick leave pay.

In the event that a medical certificate will be required, the Coordinator will be so advised at the time the illness is reported.

Absence on sick leave will be charged first to the annual allowance of the Coordinator and thereafter to accumulated leave.

Sick leave pay shall be approved only upon submission of a signed request upon the authorized sick leave pay request form.

Sick leave may also be used for serious illness involving the Coordinator's spouse, child, or parent. The specific amount of leave allowed under this Section shall be within the discretion of the Superintendent.

At the time a Coordinator becomes eligible to receive long-term disability compensation as provided in this Policy such Coordinator may continue to use accrued sick leave on a prorated basis, provided the combined benefit does not exceed 90% of salary.

When a Coordinator is injured on the job in the service of the School District and collecting Workers' Compensation insurance as well as drawing leave pay and receiving full salary from the School District, the salary shall be reduced by an amount equal to the insurance payments and only that fraction of the days not covered by insurance will be deducted from accrued sick leave, holidays, and/or vacation days.

A Coordinator in the School District shall be permitted to utilize the annual sick leave accrual, if he/she has performed his/her duties for at least five (5) working days. In the event that such sick leave days are utilized prior to the earning thereof, such days will be deducted from future accumulations. In the event that a Coordinator who has been permitted to utilize sick leave in advance of accrual under these provisions should leave the employ of the School District, he/she shall be liable to the School District for any sick leave pay advanced beyond his/her earned accrual. Sick leave days shall not accumulate during a period of time when a Coordinator is on unpaid leave or long-term disability.

The Superintendent may, in his/her discretion, grant sick leave beyond the Coordinator's accrual in special circumstances.

Adoption Leave: Adoption leave shall be granted by the School District pursuant to the following provisions in this section:

Upon learning of the date of adoption the Coordinator shall submit a written application for unpaid adoption leave to the School District.

Adoption leave will commence at the date of adoption and may be for a period of up to one (1) year.

Paid leave, up to five (5) days per adoption, may be granted to an adoptive parent. Such days must be used within twenty (20) days of the date of the adoption and shall be deducted from the Coordinator's sick leave balance.

General Leaves: A Coordinator may be granted a leave/s with pay at the discretion of the Superintendent or designee for situations that arise requiring the Coordinator's personal attention. Days granted will not be deducted from sick leave.

Deaths, funerals, court appearances, estate settlements, and educational experiences are examples of situations where this leave may be granted in the discretion of the Superintendent.

Military Leave: Military leave shall be granted to a Coordinator pursuant to M.S. Chapter 192 and other applicable law. As per Minn. Stat. §471.975.

Medical Leave: A Coordinator who is unable to perform because of illness or injury, and has exhausted all sick leave credit available, or has become eligible for long-term disability compensation, shall, upon request, be granted a medical leave of absence, without pay, up to one (1) year. The School District may, in its discretion, renew such a leave.

A request for leave of absence or renewal thereof under this Section shall be accompanied by a written doctor's statement outlining the condition of health and estimated time at which the employee is expected to be able to assume his/her normal responsibilities.

An employee who fails to comply with the provisions of this Section or who fails to seek a medical leave as provided in this Section may be terminated by the School District pursuant to M.S. 122A.40. If an employee is not granted a renewal of a medical leave of absence, in the discretion of the School District, such employee's employment may be terminated pursuant to M.S. 122A.40.

Unpaid Leaves: A Coordinator may request an unpaid leave of absence under School Board Policy Number 415.

Insurance Application: A Coordinator on unpaid leave pursuant to this Policy is eligible to continue to participate in group insurance programs if permitted under the insurance policy provisions, but shall pay the entire premium for such programs as they wish to retain, commencing with the beginning of the leave. It is the responsibility of the employee to make arrangements with the School Business Office to pay to the School District the monthly premium amounts in advance and on such date as determined by the School District. The right to continue participation in such group insurance programs, however, will discontinue upon termination of employment.

Accrued Benefits: A Coordinator on unpaid leave of absence pursuant to this Policy shall retain such amount of experience credit for pay purposes and other accrued benefits, if any, which he had accrued at the time he went on leave for use upon his/her return. No additional experience credit for pay purposes or other benefits shall accrue for the period of time that an employee is on leave under this Section.

Jury Duty: A Coordinator who serves on jury duty shall be granted the day or days necessary as stipulated by the court to discharge this responsibility without any salary deduction or loss of basic leave allowance. In the event a Coordinator serves on jury duty pursuant to this Section, the School District will compensate the Coordinator for the difference between his/her regular salary and the amount received as jury duty pay.

Eligibility: Leave benefits as outlined in this Policy shall apply only to Coordinators who are employed full-time.

SEVERANCE

Unused Sick Leave Account for Medical Reimbursement After Retirement: A full-time Coordinator who is at least fifty-five (55) years of age and who has completed at least ten (10) years of actual service as an employee with the school District will be eligible for an unused sick leave account. At separation of service, any eligible sick leave days over one hundred ninety-five (195) days, shall be placed in an unused sick leave account. The sick leave account may not exceed one hundred twenty-five (125) days. The number of eligible unused sick leave days will be computed as of June 30 in the school year during which retirement is requested. The reimbursement value shall be at the rate of one half of the Coordinator's daily rate of pay. With the above dollars, the School District will pay premiums to the insurance company of the Coordinator's group coverage until the Coordinator's unused sick leave account is depleted. The coverage of the retiree shall not be interrupted until the account is depleted.

The school district shall contribute an amount equal to the value of the employee's severance pay directly into the retiree's special retirement pay plan account. The retiree will not receive any direct payment from the school district for severance pay.

The school district's annual contribution into the retiree's special retirement pay plan account must not exceed the IRS contribution limit. If the amount calculated exceeds the available limits in the year of separation, the school district will make a contribution up to the IRS maximum into the retiree's special retirement pay plan account in the following year(s).

The school district contribution (into the retiree's special retirement pay plan account) will be made according to the same timeline as was provided for the direct payment of severance pay.

Severance Pay Death Benefit: In the event of the death of a retired Coordinator who at the time of death was receiving severance benefits under this Agreement, any remaining benefits shall be payable to his/her designated beneficiary, and if no beneficiary designation is in effect at his/her death, then to the estate of the deceased Coordinator.

In the event of the death of a Coordinator who, at the time of death, met the eligibility requirements for severance but had not submitted a resignation; an amount equal to the maximum benefits available shall be paid to that Coordinator's designated beneficiary, and if no designated beneficiary is in effect at the time of death, to said Coordinator's estate.

MATCHING 403(b) PLAN

Eligibility: A full-time Coordinator who is employed by the School District and is participating in the School District's 403(b) Plan will be eligible to receive a matching annual contribution by the School District pursuant to M.S. 356.24 according to the provisions contained in this Article and the School District 403(b) Plan documents. The School District will match the amount of the Coordinator's annual contribution up to a maximum annual contribution of \$2500.00 for each contract year.

Effective July 1, 2022, the stipend applicable to the Elementary Special Education Coordinator is \$190.00 per month, subject to the annual adjustment listed in this provision. The monthly allowance will increase 3% per year, effective July 1, 2008.

Professional Dues: The School District shall pay the Coordinator's professional dues to one state and one national professional association each year.
