

October 12, 2023

Dear Manhasset School Community,

As tensions rise globally, we have been in contact with the Nassau County Police Department and Homeland Security. The Police Department has informed us that they are actively monitoring social media and are aware of non-specific online posts announcing calls for global violence on Friday, October 13, 2023.

Please be assured that the Nassau County Police Department has indicated that **there is no specific reference to Nassau County or schools within our County**. The Nassau County Police Department and their law enforcement partners are actively monitoring the situation abroad, and any potential impact on our area. Out of an abundance of caution, the police department will be increasing its presence at schools and religious sites throughout the County.

Please know that our primary focus remains the safety and well-being of our entire school community. Our school counselors remain available for any student, family, or staff member who may need additional support.

Please feel free to contact me or your child's principal with any questions you may have.

Sincerely,

Dr. Gaurav Passi
Superintendent of Schools
