

MANHASSET PUBLIC SCHOOLS

Gaurav Passi, Ed.D.
Superintendent of Schools

September 29, 2023

Dear Secondary School Parents,

I am writing to inform you that the District received two notifications of police reports filed over the last two days, related to individuals approaching and engaging parents and children in conversations that made them uncomfortable at athletic practice fields, on the Secondary School campus. Both incidents occurred in the evening hours this week and involved adult males in a 2019 white Dodge Ram pick-up truck.

The Sixth Precinct was immediately contacted, and we have informed our evening security of these incidents. An unmarked vehicle will patrol the parking lot to monitor for any suspicious activity.

Please take a moment to review safety procedures with your child(ren), and please report any suspicious matters to both the District and police.

Sincerely,

Gaurav Passi, Ed.D.
Superintendent of Schools
