

June 7, 2023

Dear Manhasset School Community,

State officials are urging all to limit their outdoor activities, through Wednesday, due to the smoky and particulate-filled air moving south from wildfires in Canada. The Department of Health indicates that people who are especially sensitive to the effects of elevated levels of pollutants should avoid spending time outdoors.

As a precautionary measure, we will hold indoor recess and indoor PE today at all schools.

Please note, the New York State Public High School Athletics Association (NYSPHSAA) has not yet made a decision about the boys lacrosse championship semi-final game scheduled to be played in Albany today. Should any changes be made to today's game, we will communicate those changes directly.

If you have any questions or concerns, please contact your child's school principal.

Sincerely,

Dr. Gaurav Passi

Superintendent of Schools
