Dear Munsey Park Families,

I am writing to let you know that the District has temporarily reassigned Brian Nolan to administrative duties in the District Office. In the interim, Ryan Aliperti, Administrator for Assessment and Data Analysis, will be supporting Chad Altman with the day-to-day operations of Munsey Park Elementary School. Ms. Aliperti has previously served as an elementary school assistant principal for six years, and we are grateful for her assistance.

Should you need to contact Ms. Aliperti she can be reached via e-mail at Ryan_Aliperti@manhassetsschools.org or 516-267-7431.

Sincerely,

Dr. Gaurav Passi

Superintendent of Schools
