

February 1, 2023

Dear Manhasset School Community,

I'm writing to share with you that Dr. Joy-Ann D'Anca, Director of School Counseling Services, is on a leave of absence from the District.

To support our students and staff, the District will immediately search for an interim administrator to fill this role. Please continue contacting your child's school counselor or building administrators with questions or concerns regarding your child.

If there are any matters that you would typically address with Dr. D'Anca, you should reach out to Allison Rushforth, Assistant Superintendent for Student Services. Ms. Rushforth can be reached at (516) 267-7671 or via e-mail Allison_Rushforth@manhassetchools.org.

Ms. Rushforth will continue to work closely with our wellness teams and building administrators during this period.

I appreciate your ongoing support.

Sincerely,

Dr. Gaurav Passi
Superintendent of Schools
