January

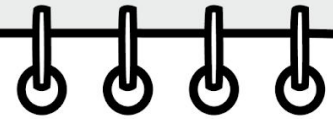

CLASSROOM NEWS

Math- We will be coming back to fractions in this new unit. Students will be learning how to add and subtract fractions, creating a line plot, and learning how to measure angles with a protractor.

Reading- We are going to start our 5th reading unit with non-fiction texts. We will be analyzing the text structure, summarizing the text, and identifying the positive and negative impacts of technology.

Writing- We will be starting our second informational research writing for this year. Students will pick a historical figure and write a biography about their life.

Social Studies- We are going to be learning about Spanish explorers and how they affected the Native people of Colorado and how the Natives affected the Spanish explorers.

EVENTS
