STUDENT ACHIEVEMENT BY PROFICIENCY LEVEL

Reading Performance: All Students

2020-2021 reading results reflect reduced student participation in state reading assessments due to COVID-19. The wide variations in participation rates and learning conditions should be taken into consideration when reviewing 2020-2021 data.

Writing Performance: All Students

2020-2021 writing results are not reported due to the widespread use of local writing assessments because of the continuing impact of COVID-19 on schools.

Math Performance: All Students

2020-2021 math results reflect reduced student participation in state math assessments due to COVID-19. The wide variations in participation rates and learning conditions should be taken into consideration when reviewing 2020-2021 data.

Science Performance: All Students

2020-2021 science results reflect reduced student participation in state reading assessments due to COVID-19. The wide variations in participation rates and learning conditions should be taken into consideration when reviewing 2020-2021 data.

History Performance: All Students

History results for 2020-2021 are not reported due to the widespread use of local history assessments because of the impact of COVID-19.

Civil Rights Data Collection

The Civil Rights Data Collection (CRDC) is a survey of all public schools and school districts in the United States. The CRDC includes data on student access to courses, programs, staff, and resources relevant to educational equity and opportunity for students. The U.S. Department of Education's Office of Civil Rights reports information collected through the CRDC in carrying out its mission "to ensure equal access to education and to promote educational excellence throughout the nation through vigorous enforcement of civil rights." More information about the Civil Rights Data Collection is available on the [Virginia Department of Education website](#).
