

Manor ISD
School Health Advisory Council Meeting
January 16, 2020
6:00 to 7:00 PM

I. Welcome and Updates

February 7, 2020
Underage Drinking Task Force Committee
10:30 AM
Vision Zero and CAN (Community Advancement Network)
Howson Library 2500 Exposition Blvd Austin, TX

- II. Approval of October Minutes** George Townsend only had a correction on the wellness policy name versus plan. Motion made to approve the minutes and Kitzi Daniels moved and Robyn Smith seconded.
- III. SHAC Bylaws** update the vision statement as it was not complete and the remaining bylaws were reviewed and opened for discussion and/or changes and any edits.
- IV. SHAC Chair and Co-Chair Selection**
Robyn Smith, Chair & Kitzi Daniels & Co-Chair were approved by the SHAC to be the chair and co-chair.
- V. Stop the Bleed Training Update**
As a reminder for the previous meeting, the District must comply with HB 496 to implement the traumatic injury response protocol:
- Providing bleeding control kits in easily accessible areas of campus
 - Ensuring kits are use in district multi-hazard emergency preparedness plans
 - Providing agency-approved training to personnel who may be expected to use the kits.
- VI. Anaphylaxis Data** totaled 385 students who have one or more allergies identified. There are 54 total students listed with anaphylaxis and 7 with peanut allergies.
- VII. Opioid Order Update** – The orders have been received and the next step is the training to the health services department regarding when to facilitate at instruction at the secondary campuses.
- VIII. University of Texas Nutrition Department - Brighter Bites Program**

Health Services Director Diana Rios-Rodriguez shared that a Community Obesity Prevention Committee was formed to meet regularly to discuss ways to prevent obesity in the schools and community.

The District is also of partnering with the UT of Texas Nutrition Department grant to offer the Brighter Bites Program the District. This nonprofit that provides fresh fruits and vegetables directly into families' hands.

AISD has 6-10 schools that are involved in Dallas, Houston, and New York. Dr. S. Millea is now the interim Director of Children's Optimal Health.

- IX. Partnerships and Wellness Director provided an update regarding a partnership with the American Heart Association to pilot a service for Water Hydration Station Pilot Program at one or two schools. The stations will be located where there are water fountains. Council that it would be effective to move forward, and also suggested small bottles be distributed to younger students. There are many steps to make this happen. Additional updates will be provided as the District and AHA moves forward.
- X. Wellness Plan Overview, Assessment, and Update
Food Service Director George Townsend reviewed the comprehensive Wellness Assessment Tool and Assessment with the council

Questions from the group that required additional follow up.

- Is there a way to see how many times the nutrition/wellness policy has been accessed?
- Should this tool be done annually and done by a parent not school employee to help with the data and evaluation annually?
- Are teachers allowed to have snacks in the classroom?
- What are the Schools doing and not doing?

- XI. Partnerships and Wellness Director provided resource updates
- a. Manor Kids Dentist – Give Kids a Smile - Saturday, Feb. 8 at 9AM
 - b. Manor Free Clinic - offers doctor's visits, physical exams, eye exams, and flu shots, and other health services at no charge to people without health insurance.
 - c. Manor Matters Conference – Sat., Feb 8 at 9AM
- XII. Health Services Direction Diana Rios-Rodriguez provided a flu update and work to create education on PSA's for the upcoming school year.
