

Lunch Accounts

Quest Food Management Services, Inc. provides lunch services for your student at Fremont District 79. All students are eligible to take full advantage of a pre-pay lunch program through our Point of Sale system powered by Mealttime. Our system is simple - your payment is linked to your student's lunch card which is utilized as a debit card to make paying for lunch at the register "cashless". This system assists in speeding up the lunch lines, prevents loss of money, and can help the parent know what the student is purchasing.

Pricing for 2023-2024: (Prices subject to change for 2024-2025)

- Lunch with a drink - \$3.75
- Lunch without a drink - \$3.20
- Milk or Water - \$.50

To set up lunch account and deposit money after August 5, 2024:

- To set up lunch account visit www.mymealtime.com
- You will need your child's student number. An email will be sent to you with your child's student ID number the week of August 1st.
- Once you have created a lunch account you can deposit funds online (there is a processing fee), track what your child is spending, and be notified when your balance is getting low. If you decide to place your student on a limit, please contact Anthony Smith at asmith@fsd79.org to do so.
- Once school starts, you can send in a check to school in an envelope labeled "Quest". Please make your check payable to Quest Food Management Services and be sure to include your student's name or student number on the check.

A few things to know:

- Students may bring cold lunch to school any day. They are not required to purchase lunch.
- Lunch cards are issued to all students regardless of whether or not you have deposited money into your child's account. If you do not want your child purchasing food or drink in the cafeteria you must let your child's teacher know ASAP. You are responsible for balances incurred by your child.
- Unused money at the end of the year rolls over automatically to next year.
- Unused money upon graduation can be transferred to a sibling or refunded upon request.
- A \$30 service fee will be charged for any NSF check.

Please contact Anthony Smith, Food Service Director, at asmith@fsd79.org for any questions or help obtaining your child's student number.
