Guidelines for Classes with Potential Commercial Content

- Within the school property boundary, the institution should not sell a product or services from which the institution can financially benefit; however, products or services may be recommended if the instructor is not affiliated with the product.
- The cost of classroom supplies sold on site by the instructor should not exceed local retail value.
- Literature, including flyers and business cards, may be made available to participants before or after class time only upon the request of the participant.
- Rochester Community Services and its administration are not responsible for any activities that take place outside of the class between the teacher and participants.

Americans with Disabilities Act

Rochester Community Services will comply with the spirit and intent of the Americans with Disabilities Act. We will provide and make reasonable accommodations to assist people with disabilities to access and participate in our programs, facilities and services.

OU FILMMAKING WORKSHOP (4-5th GRADE)

LIGHTS! CAMERA! ACTION! Join the Oakland University Filmmaking Workshop to explore the art of visual storytelling. Oakland University Film Studies & Production students and alumni will lead five, 2-hour sessions in which students will learn to write, storyboard, shoot, and edit a short movie. Through watching and discussing famous movie scenes from the silent era through current animated features, students will be introduced to visual storytelling concepts that they will then apply to their own work. Watching and making films can be a great way for

kids to develop their analytical and creative abilities. This class is hosted at Meadow Brook Elementary but is open to 4th and 5th grade students at all 13 Rochester Community Schools' elementary schools.

ADULT SCUBA

ICE DIVER (AGES 18+)

If extreme, unusual, and challenging scuba diving scenarios appeal to you, try diving under the ice. Ice diving is one of the most adventurous scuba specialties because you confront conditions and see beauty few others ever experience. Plus, you might get a chance to play with your exhaled bubbles on the bottom of the ice. Flash your PADI Ice Diver certification card to get instant respect, and usually a lot of questions from other divers about what it's like under the ice. Students will be expected to complete eLearning prior to classroom via Zoom.

- Dives will be conducted at Stony Lake Township Park (1397 Lapeer Rd., Oxford).
- Instructor: Mario Lepore • 3 Session(s) — \$499

ADULT RECREATION & ENRICHMENT

ENRICHED AIR/NITROX DIVER (AGES 15+)

Enriched Air, also known as NITROX, is a form of breathing gas that allows divers to extend bottom time and reduce nitrogen loading. It is PADI's most popular specialty course. You'll learn why diving with air that has higher oxygen and lower nitrogen content gives you more bottom time, along with enriched air equipment considerations.

• 1 Session(s) — \$199

During our virtual classroom session you will:

Discuss managing oxygen exposure;

Discuss analyzing oxygen content in your scuba tank

Set your dive computer for diving with enriched air/

NITROX

• Classes are done via ZOOM. Upon student registration, each participant will receive e-Learning material for review. Classroom and exam will be conducted via Zoom. • Instructor: Mario Lepore

Course #1883-OL01 Wed 6:00 PM - 9:00 PM • Jan. 24

DRYSUIT DIVER (AGES 15+)

Want to stay warm? Want to extend your scuba diving season? Then dive dry. A dry-suit seals you off from the water and keeps you comfortable, even in surprisingly cold water. There is incredible diving in the world's cooler regions like our Great Lakes, conditions are even better in colder months. Becoming a dry-suit diver allows you to expand your boundaries and dive more places, more often. • Training dives will be conducted at Stony Lake (1397 Lapeer Road, Oxford 48371). • Instructor: Mario Lepore

• 2 Session(s) — \$199 Dry-suit rental fee not included.

Course #1882-01 Sat/Sun 12:00 PM - 3:00 PM • Jan. 20-21

Course #1882-02 Sat/Sun 12:00 PM - 3:00 PM • April 6-7

RETIREMENT PREPARATION MASTERCLASS (AGES 18+)

By far the most popular presentation we give. We'll have educational content prepared for around 15-20 topics in the finance space (tax law, tax strategies, education, funding, retirement planning, estate planning, Medicare, social security, and plenty more). We're always adding and modifying the topics and content based on the feedback we get and the audience we expect. Content for each topic starts as a high-level and gradually goes into more detail. Every 5-7 minutes, we'll conduct a Roman Vote (thumbs up or thumbs down) from the audience and let them decide if we want to continue talking about the current topic or start over with a new topic! If we vote to start over, we'll go back to the "menu" of topics and let the group choose something new. This way, we keep the content fresh, keep everyone engaged and essentially let the group pick and choose what they may be most interested in discussing, and learning about.

• Instructor: Justin Rush-Nemes Rush Family Wealth Management • 1 Session(s) — \$15

Course #1039-01 Wed 6:30 PM - 7:30 PM • Jan. 24 • Van Hoosen MS-Room 127

A Partnership between Dinosaur Hill Nature Preserve and Oakland Township Parks and Recreation Commission

www.DinosaurHill.org

846 Lost Lake Trail, Oakland Township, MI 48363

(248) 656-0999

Oakland Township Parks and Recreation and Dinosaur Hill Nature Preserve have partnered to bring Oakland Township residents and others exciting programs at Lost Lake Nature Park! Family, friends and neighbors are invited to explore themed indoor and outdoor activities at any of these **FREE** drop in events, with no pre-registration required.

*Open House events occur 12-3 pm on every 2nd Saturday & 4th Sunday of the month!**

Saturday, January 13 & Sunday, January 21 12-3 pm– Space

January **13th** we'll see stars by projecting constellations in the nature center and designing our own with toothpicks. Outside we'll stand in groups and connect the dots with rope to act out constellations. On **January 21st**, we'll take a scaled down solar system hike outside, then explore the moon phases and make a full moon painting.

Saturday, February 10 & Sunday, February 25 12-3 pm– Winter Wetland Wonder

On **February 10th**, we'll explore above the surface, looking for plant life left over winter along the shore, decorating a small grapevine wreath, and exploring the wetland habitat. **February 26th** the focus is on what's happening under the water and underground in the winter. We'll lower a camera under the water from the dock to see how fish are spending the winter. Color an underwater scene and glue cutout animals where they belong.

Saturday, March 10 & Sunday, March 24 12-3 pm– Birdy Business

March will be spent getting ready for baby birds! **March 10th** we'll examine nests inside and search for nests outside, then weave a birds' nest picture. **March 24th** explore eggs! Make a plastic egg into a baby bird and join an egg scavenger hunt in the meadow. Use natural dyes to color eggs in the warming shelter.

Saturday, April 13 & Sunday, April 28 12-3 pm– April Showers & Storms

April 13th, we'll look at types of clouds, make a cotton ball cloud magnet, and try to identify any clouds or rainbows in the sky. On **April 28th**, explore thunder and lightning, make a rain stick, and take a hike to look for storm damaged trees.

Saturday, May 11 & Sunday, May 19 12-3 pm– Totally Turtles

We'll discover Michigan's endangered land turtle during the **May 11th** OPEN HOUSE, and even meet one! Make a paper bowl turtle and play turtle tag. On **May 19th**, we'll search for aquatic turtles along the lakeshore and dock, make an origami turtle, and examine the many types of aquatic turtle found in Michigan.

All programs on this page take place at Lost Lake Nature Park. The park is located in Oakland Township so it is close by for everyone! The park is just West of Rochester Rd off of Predmore: 846 Lost Lake Trail

Dinosaur Hill offers programs at other Township parks as well. Check out the Oakland Township section of this guide to see what is coming up soon!

The Glorious Winter Sky

Friday, January 19, 2024

6:00pm-8:00pm *This program is both Indoor and Outdoor*

Don't miss this early-evening smorgasbord of heavenly delights! Oakland Astronomy Club members will give an indoor presentation to orient you to the night sky and weather permitting, we will head outdoors to feast on Saturn*, Neptune, Jupiter, Uranus, highly detailed views of the lunar surface, glorious star clusters of winter, and the delights of Orion's colorful nebula. Taste them all and enjoy complimentary star cookies and cider too! (*Saturn's rings will be edge-on in 2024 and 2025 and won't look this good again until 2026!) OAC will provide telescopes. Bring your curiosity and binoculars or borrow ours. Dress for the elements. **All family members in attendance must register. Resident Registration open now.**

Maple Mysteries

Saturday, February 24, 2024

1:00pm-2:15pm OR

2:30pm-3:45pm

Michigan is one of the few places in the world where the conditions are just right for the collection of sap from maple trees. In the indoor portion of this program we explore the history and techniques of tapping maple trees to collect sap which is turned into maple syrup. Learn important tips such as how to identify a suitable maple tree and how many taps can be placed in one tree. Then practice finding and tapping trees, then get the sweet reward- a taste of sap! Taste different grades of maple syrup, maple sugar, and maple candy. Take home a tapping kit to try on your own maple trees. **All family members in attendance must register. Children under age 18 must be accompanied by an adult.**

On App Scavenger Series

Bring your device and join us for the best ways to use your phone or tablet in nature. We'll go over using Seek, Merlin, and iNaturalist, along with a few less common applications, to help identify and report sightings of natural organisms. Please download Seek, Merlin, and iNaturalist prior to program start if possible.

Every program participant who completes our target list of sightings in our iNaturalist project during the January scavenger hunt at Lost Lake Nature Park will win a sticker.

In April we'll have a new iNaturalist project to complete during a spring hike at Fox Nature Preserve. Compare some of the same plants you saw in January to their April counterparts. Earn different stickers and prizes based on your contributions to our iNaturalist projects between hikes as well as during the hikes. **All family members in attendance must register. Marsh View Park Archery Club

Tuesdays 7:00pm-8:00pm

Ages 10-18

Joining an archery club is a great way to achieve your archery goals, make new friends and have fun! Shooting year-round will improve your accuracy, efficiency and confidence. You'll benefit from tips and tricks others share with you, laugh at common mistakes and failures, and, most importantly, enhance your overall archery experience. For the more serious archer we will teach you how to use sights to ready you for the next level. You'll find no better place to meet like-minded people who share your archery passions. Use our equipment or bring your own. **Prerequisite: Must have completed Beginning and Next Step Archery (Intermediate) courses.** Subject to instructor approval.
