Beliefs

As Educators, we share these beliefs which guide our efforts to develop life-long learners and responsible decision-makers:

1. We believe that all of our efforts should be directed toward benefiting the well-being of the students entrusted to us.
 2. We recognize the importance of people having opportunities for growth, and we encourage innovation and creativity in the pursuit of excellence in education.
 3. We believe in the growth of education as a profession and recognize that all associated with education should be involved in setting and implementing standards of professional practice.
 4. We are committed to placing educational decision making in the hands of those involved at the building level. We also appreciate the differences among the various schools of the District.
 5. We recognize the importance of broad-based involvement in decision-making, and encourage collaboration and consensus, when appropriate, in making educational decisions.
 6. We believe that mutual trust and open communication are integral parts of broad-based involvement in decision making.
 7. We believe that everyone makes an integral and valuable contribution to the education of our children.
- * For consensus to exist, it is not necessary for every participant to agree in full, but it is necessary for every participant to be heard and, in the end, for none to believe that the decision violates his or her conviction. It is not necessary that every person consider the decision to be the best one.

G. Fair Share

1. It is recognized that the negotiation and administration of this Agreement results in expenses, which are appropriately shared by all Employees. To this end, if an Employee does not join the Association within 30 days of commencement of his/her duties, or the effective date of this Agreement, whichever is later, such Employee(s) will:
 - a. Execute an authorization for the deduction of a sum equivalent to the proportionate share of the cost of the collective bargaining process and contract administration.

Article 4. Grievance Procedure

A. Guidelines

1. A grievance is defined to be a complaint by any Employee in the bargaining unit or the Association based on an event or condition which is claimed or considered to be a violation, misinterpretation, or misapplication of this Agreement.
2. Each grievance must list the names of the individual(s) directly affected, contain specific, relevant facts, identify the relief requested, and cite the alleged Agreement violation and a statement of the incident.
3. Nothing contained herein shall be construed as limiting the right of any Employee to pursue a grievance without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement and does not proceed beyond Step 2 of the grievance procedure.
4. It is agreed that no grievance shall be presented here under which occurred prior to the effective date of this Agreement.
5. A grievance may be withdrawn at any level without establishing precedent and shall be treated as if it were never filed.
6. The failure of the aggrieved to act within the time limits set forth will preclude further appeal of the grievance.
7. Time limits set forth in this procedure may be extended by mutual written agreement.
8. If a grievance is unresolved at the end of the school term, the time limits will be applied as if school were in session.
9. Re-employment or discharge of probationary Employees is not a proper subject for grievances under the grievance procedure.
10. For the purpose of this Article, a work day is defined as a day when the District office is open for business.

B. Steps

1. Informal: The parties acknowledge that it is most advantageous that an Employee and his or her immediate supervisor resolve problems through free and informal communication. Prior to any grievance being filed the parties agree to an informal step in which the complaint is presented by the Employee or the Association to the principal or supervising administrator. If, however, this process does not satisfy the Employee or the Association, a grievance may be processed.
2. Step 1: The grievant or the Association representative shall present a written statement of the alleged violation to the principal or supervising administrator within twenty (20) working days after the incident giving rise to the grievance. The principal or supervising administrator shall, within ten (10) work days of the receipt of the grievance, confer with the grievant and/or the Association representative to try to resolve the grievance. The principal or supervising administrator shall, within ten (10) work days after the completion of the conference, give his/her written decision. A copy of the decision shall be given to the Association.
3. Step 2: In the event the grievance has not been resolved in the first step, the Association representative and/or grievant may appeal to the Superintendent or his or

her designee. The appeal shall be made within ten (10) work days after the receipt of the principal's or supervising administrator's decision. Within ten (10) work days of the receipt of the appeal, the Superintendent or designee shall confer with the Association representative and/or grievant in an effort to resolve the grievance. The Superintendent, within ten (10) work days following the conference, shall file the written decision and reasons therefore with the grievant and the Association representative.

4. Step 3: Within ten (10) work days after receiving the decision of the Superintendent, the Association may submit the grievance to arbitration.

C. Binding Arbitration

1. The arbitrator in his or her decision, shall not amend, modify, nullify, ignore, or add to the provisions of this Agreement. The arbitrator's authority shall be strictly limited to the issue or issues presented by the parties and the decision must be based solely upon his or her interpretation of the meaning of the express relevant language of this Agreement.
2. The Board and the Association will select a third party to act as an impartial arbitrator and the administrator of the proceedings. The list can be provided by the American Arbitration Association or Federal Mediation and Conciliation Service. Each party shall bear the full costs for its representation in the arbitration proceedings. The cost of the arbitrator shall be divided equally between the parties.

Article 5. Definition of Full-time Employee

- A. For the purpose of this Agreement, an Employee shall work no less than five and one-half (5.5) hours per day to qualify for full-time status and related benefits.
- B. No Employee will lose credit for years of full-time employment within the bargaining unit which was earned during prior Agreements between the District and the Association.
- C. If an Employee terminates employment with the District and is subsequently rehired, he/she will be required to work the minimum number of hours needed to qualify for full-time status and related benefits.

Article 6. Probationary Period

- A. Employees new to the District shall have a probationary period of one hundred twenty (120) working days. Any day which the Employee is not in attendance will not count toward the probationary period.

- C. A probationary Employee may be discharged without recourse at any time prior to the end of the probationary period. The discharge of a probationary Employee shall not be subject to the provisions of the grievance procedure of this Agreement.

Article 7. Seniority

Seniority shall be defined as the total continuous length of service within the District as a full-time Employee in the bargaining unit. Seniority shall begin upon the successful completion of the probationary period and be retroactive to the Employee's first working day. If an Employee is released at the end of a school year for reasons other than

performance/cause, the Employee will not experience a break in service if he/she is reemployed by the tenth (10th) day of student attendance.

B. Categories

Seniority will be category-specific within each of the following categories:

2. An Employee will carry seniority within his/her category-specific position.
3. Seniority is defined as the total length of continuous full-time service within the District as an Employee and is significant in determining the order of layoff during a reduction in force.
4. If an Employee voluntarily moves to a part-time position, seniority will cease. In the event the Employee returns to full-time employment as an Employee, seniority will restart with no prior accumulation for past service within the bargaining unit.
5. If an Employee is involuntarily moved to a part-time position, seniority will be neither gained nor lost.
6. All seniority is terminated when an Employee is discharged for just cause, when an Employee resigns, when an Employee fails to report to work within three days after being notified by registered mail, when an Employee is laid off for a period of more than one year or when an Employee transfers to a non-bargaining unit position.
7. There is no individual school or building seniority.

D. Seniority List

An updated seniority list shall be prepared by February 1 of each year and is available in the personnel office. One copy will be sent to the ESPA President.

- A. If it is necessary for the District to reduce the number of Employees, this reduction shall be done according to Section 10-23.5 of the Illinois School Code (PA 85-647). Probationary Employees will be released first, part-time Employees will be released second, and full-time Employees will be released last in order of least senior to most senior.
- B. The order in which vacancies are offered to honorably dismissed Employees shall be in order of seniority within each category of position (most senior recalled first). Notices of all vacancies shall be sent by the personnel office to all dismissed Employees to the address furnished by the Employee. The District and Association will review and mutually agree to a

recall procedure. When possible, dismissed Employees will be provided with information about the procedure prior to the end of the school year.

3. Allocation of Program Assistants

With respect to the allocation of Program Assistants, the section of the Agreement between the Board of Education and the Classroom Teachers' Council shall be used. In the event that this allocation is changed by the Classroom Teachers' Council and the Board of Education, those changes would be applicable to this Agreement.

 - 4) Rate of pay
 - 5) Work hours
 - 6) Minimum requirements
 - c. Vacancies will be posted on-line for a minimum of five (5) calendar days before the position is filled, with the exception of emergency vacancies which may require a shorter posting period (e.g., difficult to fill positions, last minute vacancies, etc.)
 - d. The District may fill any vacancy on a temporary basis. The definition of temporary is no more than thirty (30) workdays.
 - e. Employees who request to be considered for an open bargaining unit position will have their files reviewed by the District and granted an interview.

 - b. A vacancy does not occur if the position is filled by recall, redeployment or reassignment of a current District employee.
 - c. Employees who request to be considered for an open non-bargaining unit position will have their files reviewed by the District.
 - d. Qualified Employees will be granted the opportunity to interview for a non- bargaining unit position. The District may limit such interviews to one event per twelve-month period per building per position.

C. Transfers

1. Procedure for Involuntary Transfers

- a. An involuntary transfer occurs when an Employee is displaced from his/her position in a building due to the reduction/elimination in the number of positions at that building in his/her job category.
- b. Prior to Employee notification of involuntary transfers, the ESPA President will be informed of the names of affected Employees and/or the number of involuntary transfers necessary at each building.
- c. Prior to the first day of the school year, the District may transfer an Employee to a different position, based upon the needs of the District.
- d. On or after the first day of the school year, involuntary transfers will be handled as follows:
 - 1) If there is an oversupply situation (by job category) within a building, the District will ask for volunteers to voluntarily transfer to another position. If there are more volunteers than needed, the Employee with the most seniority (based upon District experience and qualifications) will receive the voluntary transfer to a different position.
 - 2) If there are no volunteers, the least senior Employee at the affected building (based upon District experience and qualifications) will be notified of an involuntary transfer to a different position.

- 3) The District will not lower the rate of pay for an Employee who, during the school year, is reassigned to other duties which lowers his/her hourly rate. This guarantee shall cover only the school year in which the action takes place.

2. Procedure for Voluntary Transfers

- a. A voluntary transfer occurs when an Employee requests to move from one position to a different position in the District.
- b. Once the involuntary transfer process is completed, a list of remaining vacancies will be identified on the District's website.
- c. All voluntary transfer requests will be given consideration by the principals. A change in assignment will result only through mutual agreement between the receiving principal and the Employee requesting the transfer and approval from the Assistant Superintendent for Human Resources.
- d. Any Employee who is denied a voluntary transfer may request an explanation of that denial from the District.

Note: In-building assignment changes are the prerogative of the principal. Prior to reassigning an Employee, the principal will meet with that Employee and discuss the change in assignment and reason(s) therefore. If an Employee is not in agreement with a reassignment, he/she may choose to voluntarily transfer to another vacant position in the District.

Article 10. Disciplinary Action

- A. No Employee shall be disciplined or discharged without Just Cause.
- B. The ESPA President shall be copied on all letters of discipline.
- C. Employees may elect to have an Association representative present during disciplinary conferences.

Article 11. Evaluation

The building principal or immediate supervisor shall be responsible for completing a Classified Employee Performance Review form for each such Employee. An evaluation conference shall be held with each Employee and the building principal or immediate supervisor. Employees must sign the evaluation form to indicate completion of the process. A signature does not imply agreement with the ratings or comments.
- B. The time allotted to any remediation process shall be determined by the severity and nature of the deficiency. If an Employee is placed on remediation, notice will be sent to the Association.
- C. The Employee shall be able to submit written comments. Such comments and all written evaluations are to be placed in the Employee's personnel file.
- D. The current evaluation instrument will not be changed without prior negotiations with the Association.

Article 12. Personnel Records

- A. Only one (1) official file shall be kept for each Employee in the District and such file shall be kept in the central administrative office.
- B. Each Employee shall have the right to review, or may designate by written authorization a representative to review, the contents of his/her official personnel file maintained at the

administrative office. The District may require reasonable advance notice from the Employee or designee to review the personal file. If such notice is required, it shall not be greater than two (2) full business days prior to the date requested for review. Neither the Employee, nor a representative, shall have the right to review any document, or other material, which is exempt from disclosure under the *Personnel Records Review Act*, 820 ILCS 40/10.

- C. All non-exempt communications including evaluations by supervisors or administrators, commendations, and validated complaints directed toward the Employee which are included in his/her official personnel file shall be signed and dated by the Employee prior to being placed in the file. The Employee must sign the written material when shown. However, the signature does not indicate agreement. The Employee shall have the right to attach dissenting material to any non-exempt item in the file. A copy of any material placed in a personnel file shall be provided to the Employee at the same time that the material is shown to the Employee, unless the Employee is exempt from disclosure.
- D. In order for disciplinary or any other material regarding complaints made against an Employee to be placed in a personnel file, such material must be verified with dates, times, places, supporting documentation or other supporting evidence confirming the accuracy of such complaint(s). The name(s) in support of the complaint, as well as the names of all other parties involved, must also be included to the extent permitted by law. The parties acknowledge that a mere presumption of guilt does not constitute a verified complaint in the absence of supporting documentation.
- E. Any written complaints or letters of discipline, which address behavior, which has jeopardized a safe school environment, may remain in the Employee's file and may be used for discipline. However, upon an Employee's request, all other written complaints or letters of discipline will be expunged from the Employee's file three (3) years after the date they are placed in the file and cannot be used for disciplinary purposes unless there is another complaint or letter of discipline of a similar nature against the Employee during the three (3) year period. In the event of a subsequent disciplinary complaint or letter of a similar nature, all related disciplinary materials shall remain in the Employee's personnel file until three (3) years from the last date of discipline.

- 3. The District will post vacancies for the extended school year and summer programs to Employees no later than May 15 of each school year.

C. Dispensing Medication

Employees are not required to administer medication to students unless they voluntarily agree to do so by signing a School Medication Authorization Form. All medication shall be administered according to the Board of Education policy. The Board shall indemnify and hold harmless from any liability, Employees who administer medication to students. This provision shall not apply to any bargaining unit positions for which medical related duties are a routine part of their job description.

 - b. All other Employees are required to work a make-up day when schools are closed due to inclement weather. If more than five (5) inclement weather school closure days occur between July 1 and June 30 of a given fiscal school year, Employees will be required to work a make-up day to receive payment for such day(s).

E. Hazardous and Unsafe Conditions

1. Employees shall bring to the immediate attention of the District any situation considered to be unsafe or unhealthy. If the District determines that the situation is unsafe or unhealthy, but that work needs to continue, alternative work locations will be arranged.
