Dear St. John Paul II Catholic School Families,

As we progress into a new year, the Board of Directors would like to share its reflections on tuition and fundraising.

At St. John Paul II Catholic School, we believe in many good things.

Financially, we believe in primarily three things:

1. Our school should always be financially healthy.
2. Our employees should be among the highest paid in our Archdiocese.
3. Tuition for Catholic education should be affordable.

Indeed, St. John Paul II Catholic School is in excellent financial shape, our employees are among the highest paid in the Archdiocese, and we work extremely hard to make a Catholic education as affordable as possible.

By the grace of God, next year will be another year without a tuition increase at our school. In the past seven years we have only had one year with a slight tuition increase of \$150.

Careful fiscal management plays a crucial role; however, our level of tuition is really made possible by the Christian charity of those who contribute to our Annual Fund and our Endowment.

May God bless all of you in this new year and may He continue to bless St. John Paul Catholic School as we continue to lead Catholic Education.

Sincerely in Christ,

Board of Directors
St. John Paul II Catholic School
