February 11, 2020

Dr. Jeannie Meza-Chavez
Superintendent
San Elizario ISD
P O Box 920
San Elizario, TX 79849

Dear Superintendent Meza-Chavez:

Congratulations, this letter is to inform San Elizario ISD that the Texas Education Agency (TEA) has approved the 2020-2021 Early College High School (ECHS) Planning Year application for San Elizario High School (CDC 071904001).

During the planning year, San Elizario High School will engage in a year of planning with the TEA-selected technical assistance provider to meet the planning year requirements, plan to meet the ECHS design elements and the outcomes-based measures required in the ECHS Blueprint (see attached "Blueprint" document).

"We are going to be number 21 in 2021!"
– Dr. Meza-Chavez

TEXAS EARLY COLLEGE HIGH SCHOOL

The Early College High School Blueprint

Benchmark 1: Target Population

The Early College High School shall serve, or include plans to scale up to serve, students in grades 9 through 12, and shall target and enroll students who are at risk of dropping out of school as defined by statute (Texas Education Code (TEC) §29.908) and the Public Education Information Management System (PEIMS) and who might not otherwise go to college.

Benchmark 2: Partnership Agreement

The Early College High School shall have a current, signed memorandum of understanding (MOU), interlocal agreement (ILA) for each school year that:

- Defines the partnership between the school district(s) and the institution(s) of higher education (IHE) and addresses topics including, but not limited to, the ECHS location; transferability and applicability of college credit between a 2-year and 4-year institution; the allocation of costs for tuition, fees, and textbooks; and student transportation;
- States that the school district or charter in which the student is enrolled shall pay for college tuition (for all dual credit courses, including retakes), fees (including TSI administration fees), and required textbooks to the extent those charges are not waived by the partner IHE;
- Defines an active partnership between the school district(s) and the IHE(s), which shall include joint decision-making procedures that allow for the planning and implementation of a coherent program across institutions; and
- Includes a data-sharing agreement that promotes collaborative interventions with processes for collecting, sharing, and reviewing program and student data to assess the progress of students served by the ECHS.

TEXAS EARLY COLLEGE HIGH SCHOOL

The Early College High School Blueprint

Benchmark 3: P-16 Leadership Initiatives

The school district and institution(s) of higher education (IHE) partners shall develop and maintain a leadership team that meets regularly (e.g., quarterly or monthly) to address issues of design, implementation, ongoing implementation, and sustainability. Membership should include the Early College High School leader and individuals with decision-making authority from the district(s) and IHE(s).

Benchmark 4: Curriculum and Support

The Early College High School shall provide a rigorous course of study that enables a participating student to receive a high school diploma and complete the Texas Higher Education Coordinating Board's (THECB) core curriculum (as defined by Title 19 of the Texas Administrative Code (TAC) §4.28), obtain certifications, or earn an associate degree, or earn at least 60 credit hours toward a baccalaureate degree during grades 9-12. The ECHS shall provide students with academic, social, and emotional support in their course of study.

TEXAS EARLY COLLEGE HIGH SCHOOL

The Early College High School Blueprint

Benchmark 5: Academic Rigor and Readiness

The Early College High School shall administer a Texas Success Initiative (TSI) college placement exam (as defined by TAC §4.53) to all accepted ECHS students to assess college readiness, design individual instructional support plans, and enable students to begin college courses based on their performance on the exam.

Benchmark 6: School Design

The Early College High School must provide a full-day program (i.e., full day as defined in PEIMS) at an autonomous high school (i.e., a high school with ECHS leader assigned to ECHS responsibilities who has scheduling, hiring, and budget authority), an IHE liaison with decision-making authority, and a highly qualified staff with support and training.

San Elizario Early College High School

Mission

- San Elizario Early College High School will ensure an equal opportunity for students to excel in their academic goals by promoting a rigorous curriculum that leads to an Associate degree, while earning a high school diploma.

Vision

- To ignite self-confidence and a passion for learning that will empower students to obtain their post-secondary goals.

Admission Policy:

San Elizario Early College High School (San Elizario ECHS) recruitment and enrollment processes shall identify, recruit, and enroll the subpopulations of at-risk students including, but not limited to, students who are of limited English proficiency, students with disabilities, or students who have failed a state administered assessment.

Enrollment decisions shall not be based on state assessment scores, discipline history, teacher recommendation, parent or student essays, minimum grade point average (GPA), or other criteria that create barriers for student enrollment.

San Elizario ECHS shall identify, recruit, and enroll subpopulations that are historically underrepresented in college courses (e.g., first generation college goers, students of low socioeconomic status, African American, Hispanic, Native American).
