

SPRING 2024

ENRICHMENT CATALOG

TRINITY VALLEY SCHOOL
FORT WORTH, TEXAS

TVS
AUXILIARY PROGRAMS

Welcome from the Director of Auxiliary Programs

Dear families,

We are thrilled to continue offering robust and intentional after-school Enrichment programming for your child here at TVS! Our team of instructors is eager to present this *Spring 2024 Enrichment Catalog* to you, and they are excited to share their talents and expertise with your child in the spring.

Our desire is that these Enrichment programs not only provide a FUN after-school experience for your child, but that they also expand and enrich each child's academic, creative, and / or athletic horizons in keeping with our department's Vision Statement, below. Within the planning process for each season's Catalog, we ask instructors to identify the "pillars" (bolded phrases) of the Vision Statement that correspond to their proposed programs. In doing so, we aim to offer intentionally designed programs that play a much higher role than merely "something to do after school."

To be sure, we want your child to leave these Enrichment programs at the end of the semester with **new knowledge, skills, and / or perspectives!** We look forward to serving your family through these excellent programs!

With appreciation,
Derek Reinhold

Trinity Valley School Auxiliary Programs *Vision Statement*

In keeping with the mission and philosophy of Trinity Valley School, our Auxiliary Programs exist to **develop our students' wide constructive interests** by **expanding and enriching their academic, creative, and athletic horizons**. TVS Auxiliary Programs aim to **develop upstanding and empathetic leaders** by **building authentic partnerships** with the Fort Worth community, **creating meaningful opportunities** for TVS faculty and students to learn and serve, and **co-constructing solutions** to needs in the community.

Are you considering all your TVS-based after-school options?	
<p>If you are interested in Extended Day (childcare for grades PreK-8), please visit our Extended Day website to learn more! There, you'll find the 2023-2024 <i>Extended Day Guide</i>, FAQs documents, and more.</p>	
<p>If you are interested in Girl Scouts, Trinity Valley School hosts a troop on campus for TVS girls currently enrolled in grades K-4. Please contact Brittany Rico at brittany.rico3@gmail.com for more information. <i>Scouting organizations do not fall under the Auxiliary Programs umbrella - due to their operation under national organizations - although this is certainly an after-school option for certain TVS students!</i></p> <ul style="list-style-type: none"> • Girl Scouts will meet on Mondays after school. • A specific schedule - including any special events / meetings - may be obtained from Brittany Rico. 	
<p>If you are interested in Trojan Treble Clefs (open to students in grades 5-6 who love to sing), please contact Ashley Owen at owena@tvs.org. <i>This program is operated by the Middle School.</i></p> <ul style="list-style-type: none"> • Trojan Treble Clefs will meet on Tuesdays at 3:45-4:45. • Students are welcome to "try it out" for two weeks to see if they enjoy it prior to committing. • Registration will be \$30, to defray t-shirt and concert fees. Participants will have an informal parent show-off in May. • Ashley Owen is able to provide a registration form and more information! 	<p>If you are interested in TVS Music lessons and programs (e.g. orchestra, piano, etc.), please contact Grace Moreno at morenog@tvs.org. <i>TVS Music does not fall under the Auxiliary Programs umbrella - due to their significant work during the school day - although certain TVS Music operations happen after school.</i></p> <ul style="list-style-type: none"> • After-school orchestra practices are only open to students taking individual TVS Music strings lessons. • Orchestra practices will occur in the Great Hall Foyer at 3:45-4:45, and dismissal will be at the Great Hall Circle (so as not to conflict with Auxiliary Program dismissal at the Lower School Circle). • From 3:30-3:45, participants are expected to come to the TVS Dining Hall for a snack (provided). Although students will keep their instruments with them, they should not play or tune their instruments in the TVS Dining Hall. • Students are encouraged to come to orchestra practice at least once per week, but can attend more frequently, if desired. There will be a "loose RSVP form" provided by TVS Music staff. Whereas there is much flexibility in these orchestra practices, the form will enable our team to see approximate daily attendance numbers.
<p><i>We realize that other after-school opportunities - beyond those listed in this chart - may exist. These may include sports clubs and theater productions, among other activities. Please contact our team if you have any questions, and we'll be happy to point you in the right direction!</i></p>	<p>Are you interested in Enrichment programs (classes, etc.) for Spring 2024?</p> <p>You're in the right place! <i>Please continue reading...</i></p>

Our Enrichment programs are carefully designed experiences that aim to expand and enrich students' academic, creative, and athletic horizons. As such, we request that families register in a timely fashion (prior to the start of each program), so that each child gets the best experience possible! Our instructors have much to offer!

All programs begin after Martin Luther King Jr. Day.

- Please pay special attention to the specific dates of the programs. Some programs do not begin until the week of March 18.
- If you see an expected date "missing," this indicates either a no-school day OR a day the instructor is unavailable.
- Trinity Valley School is not responsible for weather-related cancellations. Whereas we certainly try to minimize these last-minute cancellations, we appreciate your understanding if / when they occur! We will notify registered families of any such cancellations via email.

Registration for programs will occur online, via the [Auxiliary Programs registration platform](#), powered by CampBrain. Registration opens on **Wednesday, November 8, 2023, at 5:00 p.m.** All participants - both from Trinity Valley School and the broader community - must register online.

All programs have an enrollment minimum and maximum; these specific numbers vary by program.

- **If a minimum enrollment is not met, we may be forced to cancel the program.** We will aim to do this well in advance of the program start date, so registered families have time to pursue other options.
- **If a maximum enrollment is exceeded, our platform will automatically switch the program status to "waitlisting."** You are welcome to add your child's name to the waitlist, or find other programs that are still open. If space opens in a waitlisted program, a member of the Auxiliary Programs team will contact you as soon as possible to inquire about finalizing enrollment. Please note that we may not be able to accommodate all waitlisted individuals.

A 15-minute supervised break for restroom, water, and snack (provided) will occur in the TVS Dining Hall between school-day dismissal and the start of Enrichment programs that begin by 3:45 p.m.

Beginning on Wednesday, November 8, at 5:00 p.m., please [REGISTER HERE](#) for our Enrichment programs!

Are you a TVS family?

Full fees will be charged to your FACTS account at the start of the program, which can be paid through the FACTS portal or via check made out to "Trinity Valley School."

If you choose the paper check method, please put "Enrichment" in the memo line.

Please note that statements will be emailed from FACTS Management Company on the 5th of each month, due on the 16th. However, you can log into your FACTS account any time to see your balance!

Employees of Trinity Valley School receive a 25% discount on all Enrichment programming.

Are you a non-TVS family?

After registering, please pay the total balance for the semester via check made out to "Trinity Valley School." Please put "Enrichment" in the memo line.

You can either bring the check in person or mail to:
Trinity Valley School
Attn: Business Office
7500 Dutch Branch Road
Fort Worth, TX 76132

Payment will be due by the first program session / date.

Please contact the business office (817.321.0109) with any questions or to discuss alternative payment options.

MONDAYS (continued)

TROJAN TUNES

Trojan Tunes is the TVS Lower School 3rd & 4th Grade Choir - we meet year-round and perform at several different events throughout the year. We sing at Grandparents' Day in November, the TVS Music Holiday Concert and LS Holiday Program in December. We also present a concert in the Spring and finish our year with a competition and day of swimming and fun at NRH2O in May. We sing, move and have fun together making music!

BEGINNING / INTERMEDIATE GUITAR

Guitarists will learn the notes on the strings along with enough guitar chords to play some favorite popular songs. Beginners can expect to learn proper fretting, picking, and different strumming patterns. Intermediates will learn to move between open chords in time with the music along with 7th and minor chords to enhance the ability to play even more songs. *Participants are required to bring their own guitar. It can be rented from a local vendor, to avoid purchasing one outright!*

THURSDAYS

ROBOPETS ROBOTICS

In this course, children will begin their exploration into the world of robotics by building simple animal-inspired machines that are controlled by unique, icon-based program codes. We will teach your little learner some fundamental engineering and programming concepts as they build goofy animals and then design perfect habitats to protect their new robotic friends. Maybe you can't have an alligator as a pet at home, but you can definitely build one in our classroom at Snapology!

<u>Thursdays @ 2:45-3:30</u> January 18, 25 February 1, 8, 15, 22, 29 March 7, 21, 28 April 4, 11, 18, 25 May 2, 9 (No March 14)	<u>Grades</u> PreKindergarten <u>Fee</u> \$345.00 <u>Instructor</u> Staff, Snapology Benbrook

BRICK ART AND DESIGN LAB

As your child learns about different types of art and the periods in which they were created, students will also be interpreting what they see and creating their own works of art out of LEGO bricks. In Snapology's Brick Art and Design Lab class, children will draw inspiration and guidance from great works of art like Da Vinci's "Mona Lisa," Van Gogh's "Starry Night," Wright's "Falling Water," and so many more! By the end of the experience, your child will be able to not only share information about famous artists, art forms, and art movements, but create their own unique works of art that reach beyond the past and into the future.

YARNCRAFT STUDIO

The roots of knitting and crochet are hundreds (maybe thousands) of years old, yet increasingly fresh and current today! In Yarncraft Studio, you'll learn the basics of knit or crochet, or take your skills up a notch with new stitches, color changes, reading a pattern, and a smidge of math if you are shaping your own creations. We'll supply needles, crochet hooks and lots of starter yarns. See some sample projects [here](#).

TVS DANCE: LEVEL 3 BALLET (core class, for grades 5-8)

Please view the information on the [TVS Dance website](#), including the 2023-2024 TVS Dance Program Guide!

– Spring 2024 “Fine Print” –

- We will use the [Auxiliary Programs registration platform](#) for program registration and en mass family communications.
 - However, billing for Enrichment programs will occur via the FACTS portal (for TVS families) or via paper check (for non-TVS families). For more information, please see the blue chart on p. 4 of this Catalog.
 - It is **required for all participants to register** online for Enrichment programs.
 - During the registration process, families will be required to agree with the Spring 2024 Enrichment waivers and releases. A copy of these waivers and releases may be found [here](#).
 - All programs have an enrollment minimum and maximum; these specific numbers vary by program.
 - **If a minimum enrollment is not met, we may be forced to cancel the program.** We will aim to do this well in advance of the program start date, so registered families have time to pursue other options.
 - **If a maximum enrollment is exceeded, our platform will automatically switch the program status to “waitlisting.”** You are welcome to add your child’s name to the waitlist, or find other programs that are still open. If space opens in a waitlisted program, a member of the Auxiliary Programs team will contact you as soon as possible to inquire about finalizing enrollment. Please note that we may not be able to accommodate all waitlisted individuals.
- All participants must be 4 years of age or older and thoroughly independent in the restroom.
- Our programs are designed to follow the scheduling rhythms of Trinity Valley School. Whereas we welcome non-TVS students to participate in our Enrichment programs, **we are not able to provide transportation to / from our campus.**
 - Non-TVS families must drop off their participants in the TVS Dining Hall by the start of the program and pick up their participants from the TVS Dining Hall at the end of the program. No Extended Day programming is available to non-TVS families.
 - Non-TVS families are encouraged to email Derek Reinhold (reinholddd@tvs.org) and Melisa Garcia (garciam@tvs.org) after registration, so additional logistics / reminders may be individually given. *We certainly don’t want to assume that the broader community is familiar with TVS rhythms!*
