RE: Military Affairs/Armed Forces Recruiting
Annual Opt-Out Notice for Secondary Students

Dear Parent/Guardian and/or Student,

Federal law requires the School District to provide secondary school students' names, address and telephone numbers to military recruiters upon request. State law requires the School District to compile a list of juniors and make that list available to recruiters. A secondary school student or the parent of the student may request that the student's information not be released without prior written consent.

If you do not want your child's information to be made available to military recruiters, you must complete the form below and return it to the School Counseling Office.

This request must be made every year in order to ensure that the student's information will not be released to the military recruiters.

If this form is not returned to the school, the student's name, address and telephone number will be made available to military recruiters upon request.

I, _____ do not want _____,
(Parent/Guardian name) (Student's Name)
