

Good afternoon,

I have been asked to kindly remind Parents and Guardians of High School and Middle School students that are picked up by car at dismissal of the following procedures:

High School car riders are to be picked up in the back parking lot of the high school, not the main parking lot in front of the high school and middle school. This is done out of safety for student drivers that are leaving. Three (3) of the four (4) entrances/exits of the main parking lot are closed to traffic during RHS dismissal. ALL traffic leaving the main parking lot exits through the fourth (4th) entrance/exit farthest from the high school, so that traffic flow is controlled by a Ringgold School District Police Officer. Parents and Guardians picking up RHS students are not permitted to park in the main parking lot, or on the hill across from the stadium, along Ram Drive, to pick up students.

Middle School car riders are to be picked up at Entrance # 15 (RMS Gymnasium). That is also in the parking lot behind the high school. Please do not block any intersections while waiting in line. Parents and Guardians picking up RMS students are not permitted to park in the main parking lot, or on the hill across from the stadium, along Ram Drive, to pick up students.

Thank you for your assistance.

Respectfully,
