Dear Parent or Guardian:

The health history you completed for your child:_____

indicates he/she has **allergies** to:_____
.

The school requires the following:

1. The attached Allergy Action **Plan must be signed by your doctor** with instructions the school is to follow if your child experiences an allergic reaction while at school.

2. One or more small pictures of your child. This picture will be displayed on your child's Allergy Action Plan.

3. One epinephrine kit (EpiPen®), if prescribed, or other medication to be used if an allergic reaction occurs.

Your prompt attention to the above matter is appreciated. We would welcome an opportunity to meet with you to discuss your child's allergy and how we can implement a personalized health management plan.

We are very concerned with your child's safety during school hours. Failure to provide the completed Allergy Action Plan may result in your child's exclusion from school.

Sincerely,

School Nurse

Please provide the above by the date of: **FIRST DAY OF SCHOOL**
