Good afternoon School District of University City Parents and Caregivers:

As you begin the long weekend, I wanted to touch base with you with a few reminders and updates.

Overall, the school year is off to a good start. There are many smiles and great positive energy in our schools - and so much enthusiasm among you. I saw this firsthand Tuesday evening at One U City's inaugural meeting in the Brittany Woods Middle School courtyard. What an amazing turnout of parents and community members, all united in providing our schools, teachers and students equitable and high-quality social and learning experiences! There is still time to become involved in this pioneering organization. You can start by attending another upcoming One U City meeting on September 27 at 6 p.m. at Barbara C. Jordan Elementary School. [To learn more, check out One U City's Facebook Page.](#)

Please remember, the District is closed this Monday, September 5 for the Labor Day holiday.

On Tuesday, Sept. 6, our elementary schools will be hosting Open Houses for parents and caregivers to meet the staff and learn about curriculum and school goals. Please look for emails from your principals about start times.

On Wednesday, Sept. 7, University City High School will host its open house starting at 6 p.m. This is always a great event. You not only get to meet the staff, but learn about the school and the year ahead from our student ambassadors. I encourage you to attend these wonderful evenings. It's a great way to support your children and their teachers as they settle into the year ahead.

For Brittany Woods Middle School parents, the school's Open House was held before the first day of school on Thursday, August 18. If you have any questions, or simply want to check in on your child's early progress, please feel free to contact your teachers or any of the school's administrators, including Principal Justin Davis.

As a reminder, the District continues with a mask-recommended policy to mitigate COVID-19 transmission. Our active cases remain very low and have not exceeded a tenth of 1% percent of the total population in our district buildings. And yet, we must remain vigilant for the health and safety of our community. Please do not send your child to school if he or she is not feeling well.

I leave you with [a great story](#) recently published in the St. Louis Post-Dispatch regarding our UCHS field hockey team joining ranks with Rosati-Kain and Brentwood High School. Our field hockey team has a tremendous legacy, and this collaboration ensures fantastic competition for years and years to come.

Have a wonderful weekend, and I will see you on Tuesday. If you have any questions or concerns, I can be reached at shardin@ucityschools.org or on my cell phone at 314-399-0941.

In Service of Our Children,

Sharonica Hardin-Bartley, PhD, PHR
Superintendent

School District of University City would like to continue connecting with you via email. If you prefer to be removed from our list, please contact School District of University City directly.
