Good evening U. City Schools Community:

We have had an overwhelming response to our call for donations for families that were displaced or are dealing with serious housing damage and loss of property due the severe flooding this week. This truly is an amazing community willing to help in so many ways.

First, if you are a family or caregiver who needs help, or you know of someone in our schools community who needs help, please go to www.ucityschools.org/FloodHelp. For those needing housing support, call the United Way of Greater St. Louis' 2-1-1 hotline. There is also a District hotline at 314-399-2755 to call for immediate basic needs. Please use this hotline only if you are in need. You may continue to email

communications@ucityschools.org with basic questions.

District offices are closed tomorrow (Friday, July 29). If you have donations, please bring them to Pack the School Bus at Back to School Rally next Tuesday evening, August 2, from 5 to 7 p.m. at Jackson Park Elementary School. We are accepting all types of household donations, but particularly welcome cleaning supplies, trash bags, shoes and pantry/canned goods.

Finally, an online monetary donation site through the University City Education Foundation is up and running at www.ucityschools.org/FloodRelief.

Your gifts of time, concern and resources are greatly appreciated and are fulfilling many needs.

School District of University City would like to continue connecting with you via email. If you prefer to be removed from our list, please contact School District of University City directly.
