Phone: 839.6333 Fax: 839.5352

Steven Schreck
Transportation Supervisor
Phone: 839.6318 Fax: 839.6386

Pesticide Neighbor Notification Law

The Sauquoit Valley Central School District is taking an aggressive, yet precautionary, approach to dealing with pesticides in and around its schools.

The development and implementation of the district's integrated pest management (IPM) program is the key in achieving pesticide use reduction while providing effective and economical pest control.

Any public or nonpublic elementary or secondary school that decides to use a pesticide product as a last resort in addressing a pest problem must comply with the Pesticide Neighbor Notification Law (section 409-h of the Education Law) effective July 1, 2001.

This notice is to inform all parents, guardians, and staff that pesticide products may be used periodically throughout the school year. Any parents, guardians and staff who wish to receive a 48-hour written advanced notice from the schools of an actual pesticide application should contact Stephen Parker at 315-839-6333 or sparker@svcsd.org.
