

I HAVE A QUESTION. WHO SHOULD I CONTACT?

Where to start? Use this guide when you have a concern or question to resolve:

TEACHING AND LEARNING

Step 1: Begin by contacting your student's classroom teacher as they are best equipped to address classroom-related issues. If a student encounters an issue that falls outside of their teacher's area of expertise or influence, you will be directed towards a school counselor or another staff member.

Step 2: If you are not able to resolve your concern with the teacher, then contact the school Principal or Assistant Principal.

Step 3: If you are unable to resolve your concern with the above channels contact the Office of the Superintendent. You may be directed to a District Administrator.

TRANSPORTATION

Step 1: Contact the [Transportation Department](#) or 610-853-5929.

Step 2: Contact the [Director of Transportation](#), or 610-853-5929.

Step 3: Contact your Principal and [Anthony Testa](#), Business Manager or 610-853-5900 x7106.

ATHLETICS/EXTRA CURRICULARS

Step 1: Contact your teacher sponsor or coach.

Step 2: If you are not able to resolve your concern from the teacher sponsor or coach then contact the Athletic Director:

- [MS Athletics Office](#)
- [HS Athletics Office](#)

Step 3: If you are not able to resolve your concern with the Athletics office, then contact the school Principal or Assistant Principal.

Step 4: If you are unable to resolve your concern with the above channels contact the Office of the Superintendent. You may be directed to a District Administrator.
