PARKER, SOUTH DAKOTA

MISSION STATEMENT

Igniting Minds for the Future

PARKER SCHOOL EDUCATION PHILOSOPHY

The Parker School Board believes education is a continuous and life-long endeavor. They work hard to help empower the school in meeting the goal of preparing students for their future learning by providing a school environment that assists students in meeting student maximum intellectual, social, physical, and emotional abilities and needs.

The Board also believes that a well-rounded education is a benefit for all of society. A variety of academic, non-academic, and special programs as well as different delivery styles by teachers and directors will be provided along with stressing the need for involvement by groups and individuals outside of the school setting. To make education successful, it is important that students, parents, community members, school board members, teachers, staff, and administrators work together to achieve the ultimate goal of providing the best possible education for each and every student.

EQUAL EDUCATIONAL OPPORTUNITIES

All students of the Parker School District 60-4 will have equal educational opportunities. The school will not discriminate on the basis of race, color, creed, religion, sex, disability, economic status, national origin, or ancestry in its policies or programs.

To accomplish this policy on nondiscrimination, the Board will make every effort to provide all students equal access with respect to admission or membership in school-sponsored organizations, clubs, or activities; access to facilities; distribution of funds; academic evaluations; or any other aspect of school-sponsored programs or activities.

The Board recognizes, however, that in implementing this policy children vary widely in capabilities, interests, and social and economic background, and that no two children can be treated exactly alike if the fullest development of each is to be achieved.

Any questions about any of these areas may be directed to Business Manager James Vogel, Box 517, Parker School District 60-4, Parker SD 57053. Phone Number 605-297-3456. You may further contact the Regional Director, Dept. of Education, Office of Civil Rights, 10220 North Executive Hills Boulevard, 8th Floor, Kansas City MO 64153-1367, Telephone (816) 880-4200.

Any student or staff who feels he/she has been aggrieved may contact the Superintendent's Office to access the adopted Grievance Procedures/steps to follow for complaints alleging any discriminatory practices.

Parker School District
Parent/Coach/Athlete Communication
Together Building Better Programs for Our Students

PARENT/COACH RELATIONSHIP

We are pleased that your son/daughter has chosen to participate in the Parker Athletic program. We will do all we can to provide a positive experience for him/her. Possibly the most important ingredient to achieve this outcome is to ensure lines of communication are developed to allow for free and easy resolution of questions before they become conflicts. As a parent, you have a right to know what expectations are placed on your son/daughter. This form is intended to spell out all levels of communication so that parents, coaches, and athletes are aware of the steps they have available to resolve anything they think is or might become an issue.

COMMUNICATION YOU SHOULD EXPECT FROM YOUR CHILD'S COACH

1. Philosophy of the Coach
2. Expectations the coach has for your child
3. Practice and game schedules
4. Team requirements, i.e., fees, equipment, off-season conditioning, etc....
5. Emergency procedures in case of injury
6. Code of conduct and/or discipline plan
7. Notification of lost or outstanding equipment at the end of the season
8. Changes in schedule due to weather, etc.

COMMUNICATION COACHES EXPECT FROM PARENTS

1. Concerns are to be expressed directly to the coach. Encourage the athlete to discuss issues with the coach first.
2. Notification of schedule conflicts are to be expressed to the coach well in advance.
3. Discuss specific concerns regarding a coach's philosophy and/or expectations respectfully with the coach.

As your child becomes involved in the various programs at Parker School, he/she will experience some of the most rewarding moments of his/her life. It is important to understand that there may be times when things do not go the way you or your child wish. At these times discussion with the coach may be desirable to sort through the issue and avoid any misunderstandings.

APPROPRIATE CONCERNS TO DISCUSS WITH COACHES

1. The treatment of your child, mentally and physically
2. Ways to help your child improve
3. Concerns about your child's behavior

These are situations that may require a conference between the coach and the parents. Such conversations are to be encouraged. It is important that both parties involved have a clear understanding of the other person's position. When these conferences are necessary, the following procedures should be followed to help promote a resolution to the issue of concern.

If you have a concern to discuss with a coach, please follow the procedure below:

1. Call to set up an appointment. The Parker High School phone number is 297-3456.
2. If the coach cannot be reached after a reasonable time, call the Athletic Director. The A.D. will arrange the appointment for you.

Please do not attempt to confront a coach before, during, or after a contest/game or practice. These can be emotional times for both the parent and the coach. Meetings of this nature do not promote resolution and can exacerbate the issue.

ISSUES NOT APPROPRIATE TO DISCUSS WITH COACHES

1. Playing time
2. Team strategy
3. Play calling
4. Matters concerning other student-athletes

We understand, it can be difficult to accept the fact that your child is not playing as much as you would want. Coaches are professionals, they make judgment decisions based on what they believe to be best for all students involved. Certain topics can be and should be discussed with your child's coach. Other things, such as these listed above, must be left to the discretion of the coach.

RELATIONSHIP THE NEXT STEP

Next steps a parent can do if the meeting with the coach did not provide a satisfactory resolution:

1. Call to set up an appointment with the Athletic Director to discuss the situation.
2. The appropriate next step can be determined during this meeting.

Research indicates a student involved in extracurricular activities has a greater chance for success in adulthood. For this reason, these programs have been established and encouraged. Many of the character traits required to be a successful participant are exactly those that will promote a successful life after high school. We hope the information provided within this form helps to make the Parker Athletic program as enjoyable as possible for you and your child.

Parker follows the chain of command listed below. We ask that you observe it if you elect to pursue any concern you may have regarding the athletic program.

1. Assistant Coach (if applicable)
2. Head Coach
3. Athletic Director
4. Principal
5. Superintendent
6. Board of Education

UNRULY AND UNACCEPTABLE SPECTATOR BEHAVIOR

Unruly behavior includes:

1. Cursing or yelling at players, game officials, coaches, or other spectators.
2. Threatening violence against players, game officials, coaches, or other spectators.
3. Physical violence or fighting of any kind.
4. Throwing trash or other items onto the playing surface.
5. Entering the playing field or surface at any time during the game, except for exceptional emergency circumstances to render aid.

Consequences for unruly behavior are as follows:

- **First Violation** – Game administration will point out the violation and ask the spectator to stop. Game administration will also remind the spectator of further consequences if the behavior happens again.

- **Second Violation** – The spectator will be asked to leave. If necessary, the spectator will be escorted away by security personnel. If a spectator is asked to leave, they will be banned from the next home contest in the sport that they were ejected. If a spectator is ejected from two contests during a school year, they will be banned from all home games for the remainder of the school year.

RULES AND REQUIREMENTS STUDENTS MUST UNDERSTAND TO PROTECT THEIR ELIGIBILITY

All Parker participants, athletes, cheerleaders, and student managers will be eligible to participate in SDHSAA activities, athletics, cheerleading, and serving as student manager if they abide by the rules of the administration and the following rules established by the coaching staff.

1. SCHOLARSHIP

Participants, athletes, cheerleaders, and student managers must maintain at least a C- average (1.67 on the 4.0 scale), with no “F” grades in any subject. Eligibility is determined at 4 ½ week intervals.

To participate in activities under the guidelines of the SDHSAA, a student in the Parker School, grades 7-12, must maintain a cumulative grade average of at least 1.67 on the 4.0 scale; excluding music and physical education grades.

Students may also lose the privilege of attending and participating in non-SDHSAA activities because of poor academic performance, by the discretion of the Secondary Principal.

Eligibility will be determined at 4 ½ week intervals, mid-term, and grading period dates. At the end of a nine-week grading period, only the current nine weeks grade will be used to determine eligibility. A student's eligibility status will be in effect for the duration of at least 2 weeks. If a student does not earn back their eligibility at the end of two (2) weeks, the student will be ineligible until the next 4 ½ week interval. A student's academic achievement will be the determining factor in eligibility.

PARKER SCHOOL ACTIVITIES TRAINING RULES POLICY

Participation in school activities encompasses all students without regard to sex, race, or creed and teaches that it is a privilege and an honor to represent one’s school. Interscholastic activities constitute a part of the right kind of “growing up” experiences for students. Participants learn to accept success and failures, gain poise and confidence, achieve tolerance and understanding of others and gain the self-satisfaction of accomplishing goals. Under a well-administered school program, students and spectators become better citizens through participation and observation of activities conducted under established rules.

With that philosophy in mind, the Board of Education on the advice of the administration, coaches, and advisers, has adopted the following Activities Policy. **This is a year-round policy.**

I. PARTICIPATION IN AN EXTRA-CURRICULAR ACTIVITY IS SUBJECT TO THE FOLLOWING RULES:

Participating in the following FIVE (5) major areas or types of conduct any time during the year shall constitute a violation of this code:

- (1) Use of or possession of chewing, smoking tobacco, or any nicotine delivery device.
- (2) Use of or possession of or under the influence of alcoholic beverages.
- (3) Use of or possession of or under the influence of mood-altering substances not prescribed by a physician, or possession of drug paraphernalia.* See medical cannabis policy.
- (4) A felony or misdemeanor (other than a minor traffic violation).
- (5) Suspension from school for any reason.

All offenses will be CUMULATIVE during the student's South Dakota High School Activities eligibility with the Parker School District

Uncompleted suspensions will carry over to the next sport/activity in which the student had participated the previous season. Following a first (1) violation, a student must serve the full penalty in a sport/activity he/she had previously participated in unless they are a freshman.

Students violating the training policy will serve the appropriate penalty in the **athletic and fine arts activities** in which the student is participating at the time of the violation. Fine arts activities include those activities that are sanctioned by the SDHSAA -- band, cheer team, dance team, oral interpretation, theater, vocal music and publications (i.e. yearbook, Pheasant Tales)

B. Second Offense

Students will be suspended for the remainder of the season. If the student, with parent agreement, enters into and completes an approved counseling or substance abuse program at their own expense, the student may petition the athletic director to have the penalty reduced to completion of the program. Verification of the completion of the approved counseling program will be required.

The student must continue to participate and complete the season to restore eligibility. Uncompleted suspensions will carry over to the next sport/activity in which the student had participated the previous season. Following a violation, a student must serve the full penalty in a sport/activity he/she had previously participated in, unless they are a freshman.

C. Third Violation

Students violating the training policy a third time will be ineligible for any activity for a period of 12 calendar months from the date of the violation.

D. Fourth Violation

Students violating the training policy a fourth time will be ineligible the remainder of their high school career at Parker School.

The above rules apply if the report is made by the student's admission, the student's parents', the coaching/advisory staff, boardmembers, employees of District 60-4, or law enforcement agents.

II. Any student who is disruptive or uncooperative in any Parker School activity program can be summarily dismissed from that activity and/or for the remainder of the season.

III. Student misconduct may also include social networking activities, internet postings, electronic or other forms of communication that negatively represent themselves, their teams, coaches, or the school. This type of conduct is subject to discipline and or suspension. Coaches/Activities Director will handle these violations.

IV. Academic Eligibility

- on a 4.0 scale
- Open Campus privileges will be taken away until the student reaches eligible status.
- Ineligible students are expected to stay after school for tutoring (Monday-Thursday) to receive extra help
- Eligibility is determined every 2 weeks.

Participants, athletes, cheerleaders, and student managers shall be in their homes by 10:30 p.m. (same as city ordinance) on weeknights or nights preceding a school day; usually Sunday - Thursday. On weekends, students 16 years old or older may be out until midnight (same as city ordinance). Exceptions will be made for late evening school events. On nights preceding an athletic event, students must be in their respective homes no later than 10:30 p.m. These hours may be extended through prior approval of the head coach of the appropriate sport. A violation must be reported by members of the administration, the coaching staff, the faculty, and/or confession by the student. It will be the coach's discretion as to the amount of a student's playing time to be missed due to breaking curfew by athletes.

AMATEURISM

PHYSICAL EXAMINATION AND PARENTS' PERMISSION

Parental written permission for an athlete to participate is also required.

- (a) Must be under twenty (20) years of age at the time of competition.

Athletes must carry medical/accident insurance either through their own carrier or by subscribing to a policy usually available by a carrier working under the auspices of the school.

RIDING TO AND FROM ACTIVITIES ON THE BUS

All participants must ride the bus to games/contests and return on the bus. The advisor to the games/contests may grant exceptions to this policy if necessary.

A signed note from the athlete's parent/guardian must be given to the advisor to excuse them to ride with a responsible adult, along with verbal contact from the athlete's parent/guardian in advance. In order for an exception to be made, the participant must ride with their own parent/guardian, a school staff member, or another participant's parent. The school is no longer responsible for a student who has been excused by their parent/guardian. The bus driver may stop to let an athlete off at their house if the bus is going past the driveway of a rural student, upon approval of the parent/guardian.

The advisor may not grant exceptions to riding to and from the game/contest on the bus if it is deemed necessary for the team to stay together. Any other variation to this policy must be approved of by the Superintendent in advance.

TRANSPORTATION TO PRACTICE

High school athletes are allowed to drive themselves to the football field and golf course for practices after school. All riders must remain entirely inside the vehicle on the trip. For safety reasons; riding in the back of trucks or on tailgates is not allowed.

PRACTICES DURING INCLEMENT WEATHER

Extracurricular practices will not be allowed in the event a school needs to be dismissed due to inclement weather or other reasons that would cause students to be sent home earlier than normal, or in the event that school could not be held all day due to the same reasons. **Scheduled events may be held per School Board and Administration's approval.**

CHEERLEADERS' TRANSPORTATION AND SUPERVISION

Cheerleaders are to ride to and from activities on the players' bus when it would warrant cheerleaders to perform at that activity. Variations to this could occur as a result of lack of space on the players' bus or because of conflicting activities of the cheerleader(s).

Other modes of transportation will be arranged if cheerleaders are not able to ride on the players' bus. This would include being transported by either the cheerleading advisor or other school staff member, or else by parents/guardians with advanced approval.

Supervision will be handled by the Cheerleading advisor. If the advisor is not available, the duty will fall upon any school administrator present or else the coaches of that particular activity.

2003 School Board of Education Action: (Cheerleading changes starting 2003-2004)

- Junior High Basketball Cheerleaders will not cheer at out of town games.

- Junior High Football Cheerleaders will be allowed to attend out of town games due to limited schedule of approximately eight games, which is about the number of games that we have for basketball at home.
- High School Basketball Cheerleaders:
 - Cheerleaders will only cheer at home games during the regular season.
 - Cheerleaders will cheer at District, Region, and State away events.

ATHLETIC TOURNEY ATTENDANCE

Athletic teams may be excused from school if they have earned the right to participate in such tournaments or activity.

Members of a team may attend any tournament the Parker School 60-4 is eligible to participate in as an individual, on the same basis as all other high school students.

1. Students must secure permission by written request from parent/guardian.
2. Students must make up schoolwork beforehand.
3. Students must pay all their own expenses.

If a team should win a state or conference championship, and if the fans should feel that they would like to do something for the team to express their admiration, they might go as a team to an outside activity or tournament on a Saturday, when it would not interfere with school work, but they may not be excused from regular school time for such a trip.

Students must also receive the approval of the Board of Education and the Administration before planning such a trip.

In the event which students, either as individuals or as part of a team, qualify for a state tourney, a meeting between participants, participants' parents/guardians, and coaches will be held prior to leaving for such an event.

Coaches may be excused from school to attend the South Dakota State Tournaments or activities that Parker School District 60-4 is eligible to participate in.

WEDNESDAY PRACTICES

Coaches must ensure that Junior High athletes have completed practice, showered, and are out of the building prior to 5:30 p.m. on Wednesdays if they are to partake in a Wednesday practice.

LOST OR STOLEN ITEMS

The school is not responsible for lost or stolen articles of athletes before, during, or after practice or contests.

MISSED PRACTICES

It will be the coach's discretion as to the amount of a student's playing time to be missed due to missed practices by athletes.

SOCIAL MEDIA

Student-athletes, coaches, and staff represent the Parker School District both on and off the field and are seen as role models in the community. As leaders, we all have the responsibility to represent our teams, our schools, and ourselves in a responsible and positive manner. Third parties including media, future

employers, and law enforcement can easily access social media profiles and view all personal information. This includes pictures, videos, comments, posts, and links. It is important to understand that once something is posted online, it never disappears. Inappropriate material found by third parties affects the perception of Parker, student-athletes, and the school district as a whole.

With those ideas in mind, student-athletes, coaches, and staff should be aware that using any form of social media in an inappropriate manner may result in disciplinary actions – including temporary or permanent suspension from the team – as determined by the Head Coach, Athletic Director, or School District Administration.

Examples of inappropriate use:

- a. Posting photos, videos, comments, posts/tweets showing the personal use of alcohol, tobacco, or drug related products.
- b. Posting photos, videos, and comments that are sexual in nature.
- c. ANY inappropriate or offensive language in comments, videos, and other postings. This includes threats of violence and derogatory comments against race, gender, team affiliates, or any other organizations.
- d. Posting negative commentary regarding the performance of Pheasant athletic teams or relating to the actions of an individual student-athlete or coach, as well as any negative postings about team information (long bus rides, long practices, etc.).
- e. Posting any material which reflects negatively on themselves, the Parker School District, Parker Athletics, their respective teams or other schools.

HAZING POLICY

Hazing of any student or person who is a student at the Parker Public School, is absolutely prohibited at any time of the year.

Any student of Parker Public School who shall in any manner participate in the hazing of any student or person who may become a student in the Parker Public School shall be subject to rigid disciplinary action by the administration. This may include the barring of the participant from any and all forms of extra-curricular activity in the school or such other action, as the administration may deem necessary.

Hazing is defined as: “Any action taken or situation created which recklessly or intentionally endangers the mental or physical health or safety of any person or which willfully destroys or removes public or private property for the purpose of initiation or admission into or affiliation with or as a condition for continued membership in any organization operating under the sanction of or recognized as an organization. The term hazing shall include, but is not limited to, any brutality of a physical nature, such as whipping, beating, branding, forced calisthenics, exposure to the elements, forced consumption of any food, liquor, drug or other substance, or any other forced activity which could adversely affect the physical health and safety of an individual and shall include any activity which would subject the individual to extreme mental stress, such as sleep deprivation, forced exclusion from social contact, forced conduct which could result in extreme embarrassment or any other forced activity which could adversely affect the mental health or dignity of the individual or any willful destruction or removal of public or private property.”
