Interdistrict Agreement Process

1. Interdistrict Agreements originate at the district of residence. In the Patterson Joint Unified School District, the Child Welfare and Attendance Department is responsible for Interdistrict Agreements.
2. Parent/guardian must request and complete an Interdistrict Request/Agreement form each year. Requests will not be processed without appropriate verification attached (see form for reasons requiring verification).
 - Parent works locally (Allen Bill): signed letter on company letterhead attesting that parent physically works at least 10 hours during the school week within the boundaries of the requested district and a current paystub.
 - Childcare needs: a signed letter from the childcare provider, including physical address, attesting to services provided within the boundaries of the requested district and a current receipt/invoice for services.
3. In order to adequately plan classes and instructional services for the next school year, Interdistrict Request/Agreement forms are due on April 30 of the year preceding the requested transfer. Forms received after this date will only be considered in special circumstances.
4. Districts consider a variety of factors before approving or denying a transfer request. This includes possible impacts on overall school or district enrollment and school programs.
5. Parents/guardians have a right to appeal to the County Board of Education within 30 calendar days from the date of the district's final denial. (Education Code 46600.2)
6. Transportation is not provided for students on Interdistrict Agreements.
