If you are looking for a mission-driven school where students act with honesty, integrity, and respect, look no further than Carrollwood Day School. At CDS, we believe in supporting our teachers with proactive mentoring, robust professional development opportunities, and autonomy in the classroom. CDS is the destination school in the Tampa Bay area for teachers who are passionate about their subject area, support students outside of the classroom, and seek to be involved in the life of the school.

Join us on Tuesday, January 23, 2024 from 6:00 p.m. - 7:00 p.m. to learn what Carrollwood Day School has to offer. When you register, you will be asked to select the division (lower, middle, or upper school) you are most curious about. At the open house, you will receive a student-led campus tour and join an informational session and Q & A with the administrators and teachers from that division.
