7.1.2. Principals who are assigned to work full-time for ten (10) months will earn twenty-three (23) days of paid time off per year.

7.1.3. Paid time off accrual will be prorated for principals who do not earn the time by working the entire contract year.

7.1.4. Effective June 30th each year the following will occur with available accumulated PTO:

A. Principals will have the value of up to five (5) paid time off days, if available deposited at year end in a Health Reimbursement Arrangement (HRA) chosen by the district. Any PTO days deposited will result in a corresponding reduction in accumulated PTO (Section 6.10 Subd 2).

B. Principals may receive pay for a maximum of ten (10) days for the upcoming contract year. Such election must be made prior to June 30th and those days are paid instead of being accrued beginning with the July 1 accrual. A Principal taking a sabbatical leave may elect the following compensation arrangement for the two (2) year period consisting of the year of sabbatical leave and the first year of return. Compensation for each year shall be at the rate of seventy-five percent (75%) of the basic salary, which such Principal would have received for such years had such leave not been granted.

However, any benefits coverage based upon income shall be based upon the salary received from the Employer prior to the commencement of the leave.

Return from leave shall be in accordance with the terms established for the particular leave granted. Failure to return to work upon expiration of a leave of absence shall be grounds for termination of employment.

Leaves of absence will be administered in accordance with applicable State and Federal law including the Family Medical Leave Act unless the contract provides greater benefits.

Section 7.8 Other Long-Term Leaves.

Principals may apply for other long-term leaves of absence without pay, which may be granted at the discretion of the Employer. Examples of requests for such leaves would include leave for further professional education, to serve in public office, to participate in a teacher exchange program, to serve as an elected officer or staff member of a state or national professional organization, or for extenuating personal circumstances. Unrequested Leave

Section 1. Purpose:

The purpose of this Memorandum of Agreement ("MOA") is to implement the provisions of M.S. 122A.40, Subd. 10. This MOA shall constitute the required plan for unrequested leave of absence ("ULA") because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of school districts.

Section 2. Definitions:

Subd. 1. "Principal" shall mean a continuing contract principal or associate principal appropriately licensed.

Subd. 2. "Seniority" shall mean employment under a continuing contract as principal or associate principal with a seniority date as determined by Section 3 hereof involving continuous service with the School District. For purposes of seniority, it is understood that a principal on leave of absence pursuant to the collective bargaining agreement shall continue to accrue seniority during such leave of absence.

Subd. 3. "Association" or "Unit" shall mean the recognized exclusive representative for principals and associate principals

Section 3. Establishment of a Seniority List:

Subd. 1. The District shall annually establish a seniority list to be prepared from District records. The list shall be distributed electronically to all members of the principals bargaining unit.

Subd. 2. The seniority date is defined as the first day of employment as a principal or associate principal in Mounds View Public Schools. Ties in seniority will be broken in the following order: total years of service in Mounds View Public Schools; lowest file folder number with PELSB.

Subd. 3. Any principal who disagrees with the order of seniority on the list shall have 20 days from the transmission of the list to discuss the matter with the district. Absent an agreement, the matter may be resolved through the contractual grievance process.

Subd. 6. A principal who has held seniority as a full-time principal shall continue to retain the original seniority date and hold seniority if such principal becomes employed in a part-time position involving continuous service.

Section 4. Placement on Unrequested Leave of Absence.

Subd. 1. The School Board may place on unrequested leave of absence, without pay or fringe benefits, as many principals as may be necessary because of discontinuance of position, lack of students, financial limitations, or merger of classes by consolidation. The unrequested leave shall be effective at the close of the school year. In the event a principal or associate principal must be placed on unrequested leave of absence due to discontinuance of position, lack of students, financial limitations, or merger of classes by consolidation the provisions of M. S. 122A.40, as amended, shall apply.

Subd 2. Principals and associate principals shall be placed on unrequested leave in reverse order of their hiring as stated on the principal seniority list.

Subd. 3. Principals may not assert a seniority right into a promotional position.

Subd. 4. For purposes of placement on unrequested leave, only service in the unity as a principal or associate principal may be counted.

Subd. 5. Principals placed on unrequested leave have the right to return to other positions requiring a license in the district for which they are licensed and for which they are senior.

Subd. 6. Any challenge by a principal who is proposed for placement on ULA or reinstatement therefrom shall be subject to the hearing and review procedures as provided in Minn. Stat. 122A.40

and, therefore, shall not be subject to the grievance procedure contained in the collective bargaining agreement.

Section 5. Reinstatement:

Subd. 1. Principals shall be recalled from an unrequested leave of absence to available positions in the School District in fields for which they are licensed in the inverse order in which they were placed on unrequested leave of absence.

Subd. 2. The School District Board shall maintain a recall list. This list shall be updated every October 1st, and a copy shall be forwarded to the Association.

Subd. 3. No appointment of a new principal shall be made while there is available, on unrequested leave, a principal who is properly licensed to fill such vacancy. The principal's right to reinstatement shall terminate if the principal fails to file with the board by April 1 of any year a written statement requesting reinstatement.

Subd. 4. Notification of available positions shall be by certified mail to the last known address of the principal as recorded in Human Resources. In the event a principal declines a principal position or fails to notify the School Board in writing of the principal's intentions within fifteen (15) days of the date of mailing the notification, the principal shall be removed from the recall list. Failure of a notice to reach the principal shall not be the responsibility of the District if the notice has been mailed.

Subd. 5. A principal placed on unrequested leave of absence may engage in teaching or any other occupation during the period of this leave. Nothing in this MOU shall be construed to impair the rights of principals placed on unrequested leave of absence to receive unemployment compensation, if otherwise eligible.

Subd. 6. The unrequested leave of absence shall not impair the continuing contract rights of a principal or result in the loss of any benefits accrued under this Contract while the principal was employed by the School Board.

Subd. 7. The unrequested leave of absence of a principal who is not reinstated shall continue until the earliest occurrence of one of the following:

- a. for a period of three (3) years from the date the principal's unrequested leave of absence began or
- b. the principal fails to respond within thirty (30) days of the date of mailing the notification of an available position or
- c. the principal declines reinstatement to an available position or
- d. the principal submits in writing a request to be removed from the recall list.
