

January 2024

To the Parents/Guardians of **Rising 9th Grade Students**,

Welcome to the first step of the Maryville Junior High School online registration process. Enclosed you will find the following information regarding registration: Placement criteria for rising 9th grade classes, a listing of required and elective courses, and a “How to Register” information page. Please look over these materials as it will make the registration process easier and more efficient.

All students should register; however, if your student has an IEP or receives services in the Academic Success or Learning Support classroom, final decisions about electives may not be made until late spring.

All information regarding registration is located on the MJHS website at mjhs.maryville-schools.org. Click on Menu, Parents & Students, Registration.

We hope you will attend the Parent Orientation and Elective Career Fair on Monday, February 5 from 6:00 – 7:30 P.M. in the MJHS gym. The staff at MJHS looks forward to seeing you.

Sincerely,

Kim Nizinski
School Counselor

We build great people to do extraordinary things.
