Resolution No. 2024-01

**PROCLAMATION
BLACK AMERICAN HISTORY MONTH
February 2024**

- Whereas,** Americans of African descent helped develop our nation in countless ways, those recognized, unrecognized, and unrecorded;
- Whereas,** Black American history reflects a determined spirit of perseverance and cultural pride in its struggle to equally share in the opportunities of a nation founded upon the principles of freedom and liberty for all people;
- Whereas,** Black American citizens have participated in every American effort to secure, protect, and maintain the essence and substance of American democracy, as reflected by California Education Code Section 37221 (d) which establishes March 5 as *African American Day* to commemorate the anniversary of the death of Crispus Attucks, the first Black American martyr of the Boston Massacre;
- Whereas,** Barack Hussein Obama achieved a barrier-breaking accomplishment when he was inaugurated as the first Black American President of the United States on January 20, 2009;
- Whereas,** the Merced County Board of Education recognizes that each student needs an opportunity to understand the common humanity underlying all people; and
- Whereas,** the history and contributions of Black American citizens have been consistently overlooked, misinterpreted, and undervalued in the curriculum of public education institutions prior to the Civil Rights Act of 1964; and
- Whereas,** the *History-Social Science Framework for California Public Schools, Kindergarten Through Grade Twelve* states that the history curriculum of community, state, region, nation, and world must reflect the experiences of people and of different racial, religious, and ethnic groups which is integrated at every level; and

Now Therefore Be It Resolved, that the Merced County Board of Education proclaims the Month of February, 2024, as *Black American History Month* and encourages all educational communities to commemorate this occasion with appropriate instructional activities.
