b. Judges and Breeders contracts updates

- Ms. Territo & Mrs. Goodman will call and get contracts out this week.

c. Backdrop Quotes:

- Goodman only found one quote from signtechs
 - 8 feet by 20 feet. It will be \$400 total. (this would be something that has our log on it; TJ said don't let it be dark or reflective)
 - Goodman will ask if this comes with some type of storage to preserve it year after year.
 - Other options if needed: postnet, alpha graphics, jk graphics, c and c graphics
 - Campbell will ask if we can use signtechs as a vendor.
 - It was unanimously voted that as long as we are able to use them as a vendor we will use signtechs to make our backdrops.

d. Officer Elections –

- Chairman – Bethany Goodman (unopposed)
- Vice Chairman – Dusty Hutchinson (unopposed)
- Secretary – Renee Territo (unopposed)

- Treasurer – Jim Ward (unopposed)

e. Floral Build Off update:

- opportunity to showcase their skills in floral design.
- Floral build off will take place on wednesday afternoon the week of the livestock show in the Magnolia High School cafeteria. Pre meeting starts at 4:00; contest starts at 4:10; Judges will be done around 6:00 (not set in stone)
- Judges will place off of creativity, flowers used, etc.
- There will be an entry fee of \$30
- Students will not need any preparation beforehand; they will just check in and walk to their assigned spot and wait to start.
- there is no cap on entries at the moment.
- Think the first year will keep it 9th through 12th. If it works from there we can change it for years to come.
- Are we paying judges? Boudreaux is going to see if the lady at HEB will come to judge for free.
- Top 20 arrangements will be put on the tables at the buyers dinner.
- Money allocated towards buying dinner flowers will also be allotted for these flowers as well.
- We did not limit it to only kids in a floral design class because of our 4H exhibitors.
- This contest only needs to be published at the same time as baked goods.
- It was moved and seconded that we add a floral design competition show to the 2024 MIDS Livestock Show that will be added to the rules; more information to come. (try to have all details figured out by February)

f. Members asked to bring catering bids for buyer's dinner to the February meeting

- Campbell thinks it was worth paying \$300 for drinks from Cafeteria
- If getting bids looking
 - Need 150 plates, warmers, drinks, plates, everything besides desserts
 - Can be anytype of food
 - Don't need desserts

g. New Entrance Barn Sign

- Territo has designs
- We are just going to use the magnolia isd logo to replace it.
