

Course verification for 24-25 school year

You will use this document to check what classes you, or your child, signed up for. Please look over these classes and be sure it is what you want for the entire school year.

Once you have verified your list, no need to do anything if no changes are needed.

If you would like to make any changes, see the bottom on the back of this note for a qr code to scan to fill out a course request Google form.

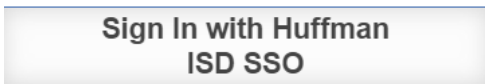

1. Login to your student portal.

2. Click on the tile for Skyward Qmlativ.

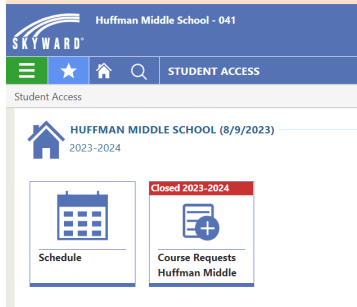

3. Click Sign In with Huffman ISD SSO. (you may have to scroll down to see the button) This should sign you right in.

Huffman Middle School
Counselors

- Click "Course Requests Huffman Middle". It will say closed. That means you will not be able to make changes, but you will be able to see the courses.

- You will see your name at the top left. To the right you will see a tab that says requests and another tab that says alternate. Be sure these are the classes you would like to be in next school year. Alternate is what we will use if you don't get one of your elective classes due to availability.
