**SERVICE AGREEMENT FOR LICENSED ATHLETIC
TRAINER SERVICES BY AND BETWEEN
SOUTHWEST GENERAL HEALTH CENTER
AND**

Strongsville Board of Education

This Agreement for services is entered into this 15th day of April, 2016, by and between Southwest General Health Center ("Southwest") and Strongsville Board of Education ("District").

Whereas, District desires to contract with Southwest for the provision of Licensed Athletic Trainer Services; and

Whereas, Southwest desires to provide such licensed athletic trainer services to District;

The parties hereby agree as follows:

A. DUTIES OF SOUTHWEST

1. Southwest shall provide the services of qualified Licensed Athletic Trainers for the schools within the district ("School(s)"), for such hours for each School, and for such time periods, and for such sports as are listed on Exhibit A. In the event this Agreement is for a period in excess of one school year, Southwest and the District shall negotiate the schedule of hours and the sports to be covered at least thirty (30) days prior to the beginning of the Licensed Athletic Trainer's duties for the School year.
2. Southwest shall provide Licensed Athletic Trainer(s) to the District who are licensed by the state of Ohio as athletic trainers and certified by the National Athletic Trainers Board of Certification to provide the services in Article 6 below for athletic programs sponsored by the Schools. In the event of conflicts regarding the Licensed Athletic Trainer's attendance at various sports activities (e.g. conflicting game times), the School shall determine the events, practices or other activities the Licensed Athletic Trainer shall attend.
3. The Licensed Athletic Trainer(s) provided by Southwest to the District shall be acceptable to the District. Southwest agrees to immediately remove a Licensed Athletic Trainer from any School upon reasonable request by the District, and replace such Licensed Athletic Trainer with a different Licensed Athletic Trainer acceptable to the District if possible, however the District and Southwest agree not to discriminate on the basis of race, gender, religion or national origin. In the event of any Licensed Athletic Trainer's absence due to illness or other reasons, Southwest shall make a good faith effort to provide a replacement Licensed Athletic Trainer to the District.

4. Southwest shall provide the District/and or each School with reports and/or documentation as lawfully and reasonably needed for the District and/or School to complete local, state, and/or federal reports.

5. Southwest shall make a good faith effort to provide medical screenings for athletes at reasonable cost.

6. Each Licensed Athletic Trainer, for athletes under his or her supervision, shall:

a. Be in charge of and responsible for the assessment of injuries and shall manage, treat, and recondition injuries affecting the athletic performance of athletes according to the scope of practice of Licensed Athletic Trainers in accordance with Ohio law.

b. Utilizing a physician recommendation, be responsible for the final decision as to participation of the athletes, in practice, competition and other activities, and obtain release forms from physicians or other health care providers, if applicable, prior to permitting the athlete to return to participation in the athletic program.

c. Treat, refer and follow-up on injuries reported to the Licensed Athletic Trainer.

d. Provide athletic injury care and practice/event coverage for each school as provided in Exhibit A. The Licensed Athletic Trainer shall recognize and treat injuries and refer athletes requiring additional medical services consistent with the Licensed Athletic Trainer's education, qualifications, and experience, and consistent with the standard of care exercised by individuals holding similar positions within and outside of the District. In addition the Licensed Athletic Trainer may cover OHSAA events where district athletes are participating (i.e. a state tournament in Columbus) or an OHSAA event hosted by the district even when district athletes are not participating (i.e. a tournament hosted at the contracted school).

e. Keep on file a complete log of all athletic injuries reported or observed by the Licensed Athletic Trainer including the nature of the injury, treatment given or recommended, referrals made and follow-up activities.

f. Submit annually, if requested by the District, a report on injury statistics at the conclusion of the school year, identifying the total number of students treated for that year.

g. Act as a liaison between the school and the athletes' parents or other responsible persons regarding the health, training and injuries of athletes. Nothing herein shall require the Licensed Athletic Trainer to disclose information to parents or other responsible persons in the following situations:

- (i) The athlete is permitted by law to give his/her own consent (e.g. athlete is over 18);
- (ii) The medical information is unrelated to the athlete's participation;
- (iii) The Licensed Athletic Trainer in his or her best judgment determines sharing such information may be physically or mentally detrimental to the athlete (e.g. cases of suspected child abuse), however, if the athlete's medical condition places the athlete in jeopardy if the athlete participates in the athletic activity without treatment, the Licensed Athletic Trainer shall prohibit the athlete from participation.

h. Direct pre-game taping for injury prevention and taping of existing injuries.

i. Follow-up as possible with the athlete's attending physician, or health care facility as to the diagnosis, treatment, and prognosis of an injury. Licensed Athletic Trainers may share information with other health care providers providing medical services to the athlete.

j. Supervise the operation of and use of equipment in the athletic training room. The Licensed Athletic Trainer shall make all requests for supplies and equipment in accordance with the school's policies and procedures.

k. Prepare a medical kit for the coach of each covered sport during each season. Each School shall be responsible for purchase of all supplies in such medical kit.

l. In cooperation with the athlete's physician, supervise athlete rehabilitation.

m. Upon request, work with coaches in developing and scheduling a weight program designed for the athlete's specific needs.

n. Work with students and coaches in developing and maintaining educational programs such as student aide programs and coach's first-aid certification courses.

B. Duties of the District/and or School

1. The District and/or school shall obtain all necessary consents and authorizations for athlete participation in the athletic programs.
2. The District shall pay to Southwest all amounts as set forth on Exhibit A, and as such time periods as set forth on Exhibit A.
3. The District shall adopt a policy requiring each coach or other school personnel to report to the Licensed Athletic Trainer all injuries and health conditions known to them which potentially present a risk to the health or safety of the athlete if the athlete continues participation in the athletic program or if the coach or school personnel do not report such injury or health condition, to prohibit the athlete from participating in the athletic program.
4. The District will recognize Southwest General as the exclusive provider of sports medicine services. No other healthcare organization will be permitted to advertise sports medicine services on school grounds without the consent of Southwest General.

C. Responsibility for Acts/Insurance.

Each party shall be responsible for its own acts or omissions and the acts or omissions of their agents, employees and contractors and nothing herein is intended to transfer such responsibility to the other party. Southwest shall maintain insurance (which may include self-insurance in whole or in part) to cover the professional liability of the Licensed Athletic Trainers provided herein, and the District shall maintain a program of general liability insurance to cover the acts and omissions of its employees and agents.

ATTACHMENT A

The schools and services in the Strongsville School District to be served by Southwest General Health Center for the school years are listed below:

School: Strongsville High School

Position: Three Licensed Athletic Trainers, one of whom is a Certified Strength & Conditioning Specialist

Time:

1. Part time (average 39.5 hours/week x 3 to a total of 5214 hours) for practices and games for 44 weeks pursuant to the adopted school calendar and the Ohio High School Athletic Association calendar for high school sports during the term of this agreement.
2. Part time (average of 25 hours/week to a total of 200 hours) for 8 weeks during the summer for high school sports during the term of this agreement.

Payments per invoice: mailed to

Director, Physical Medicine and Rehabilitation
c/o LifeWorks of Southwest General
7390 Old Oak Blvd
Middleburg Heights, OH 44130

D. Term and Termination.

This Agreement shall be for a period of 10 years from the effective date of this Agreement.

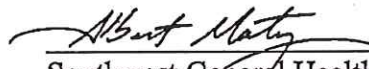

Either party may terminate this Agreement upon ninety (90) days written notice to the other party. This Agreement shall terminate immediately in the event the District gives written notice to Southwest that it, in good faith, determines that continuation of this Agreement presents a danger to any of its athletes under the supervision of any Licensed Athletic Trainer, and may be terminated immediately by Southwest, in whole, or as it applies to any School, in the event Southwest is not able to provide a Licensed Athletic Trainer acceptable to the District. Upon any such termination, the District shall immediately pay to Southwest any amounts unpaid which represent compensation for services rendered by Southwest hereunder.

E. Effective Date.

This Agreement shall be effective as of July 1, 2016.
