ORANGEBURG COUNTY SCHOOL DISTRICT INVITES LOCAL CONSTRUCTION WORKERS TO VENDOR FAIR

ORANGEBURG, S.C. – The Orangeburg County School District (OCSD) is excited to announce an upcoming Construction Job Fair to be held on May 17, 2023, from 5:30 PM to 8:00 PM at the Orangeburg County Library Convention Center. This event serves as an opportunity for construction professionals, including brick masons, work-site cleaners, plumbers, electricians, and welders, to connect directly with construction managers from firms such as MB Kahn, Contract Construction, and Thompson Turner.

The job fair is a key initiative following the OCSD's successful passage of a massive \$190 million bond referendum. These funds will be used for a range of major construction projects in the district, including the development of new school buildings and other vital additions. The job fair aims to strengthen ties with local workers and invite them to play an active role in these upcoming construction ventures.

"We call on our community to show up and seize this unique opportunity. This is a critical step towards nurturing local talent and ensuring our projects benefit from the skills and dedication of our local workforce. Let's build our children's future together," said Greg Twitty, the Procurement Coordinator for the Orangeburg County School District.

The job fair will be held on May 17, 2023, from 5:30 PM to 8:00 PM at the Orangeburg County Library Convention Center, 1643 Russell Street, Orangeburg, SC 29118.
