ORANGEBURG COUNTY SCHOOL DISTRICT HOSTS EMPLOYEE APPRECIATION DAY IN DOWNTOWN ORANGEBURG

ORANGEBURG, S.C. - On Tuesday, April 25, 2023, the Orangeburg County School District (OCSD) hosted its inaugural Employee Appreciation Day in Downtown Orangeburg. This event was a first of its kind, as the district sought to celebrate and show appreciation for the hard work and dedication of its employees.

The event was a success, with the streets closed to allow employees to mingle with each other and enjoy the festivities. Close to 20 different food trucks provided delicious food for everyone to enjoy, and the music was provided by DJ Cleve, a native of Orangeburg County, and the Black Ice Band.

This event was an opportunity for employees from different schools within the district to come together, have fun and celebrate their commitment to providing quality education to the students in Orangeburg County. The atmosphere was electric, as employees let their hair down and enjoyed themselves in a relaxed and festive environment.

Superintendent Dr. Shawn Foster said,"Our employees are the backbone of our district, and we wanted to show them how much we appreciate them. This event was a way for us to celebrate their hard work and dedication."

The Employee Appreciation Day was a collaborative effort between OCSD and the City of Orangeburg.

Teacher Amanda Charley from Marshall Elementary shared her thoughts on the event, saying, "It was amazing to see all of our colleagues in one place, enjoying themselves and having a great time. I feel appreciated and valued as an employee, and I look forward to next year's event."

-more-

OCSD is committed to providing a positive work environment for its employees, and Employee Appreciation Day was just one way in which the district has demonstrated this commitment. As the district continues to grow and evolve, events like this will be an essential part of the effort to maintain a supportive and engaged workforce.

Orangeburg County School District

The mission of Orangeburg County School District, the catalyst of innovation and excellence, is to ensure all students discover and develop their person, purpose, and platform through high-quality educational experiences distinguished by a culture of collaboration, equity, and inclusion; a creative learning environment with inspiring opportunities; a commitment to nurture the academic, physical, social and emotional well-being of all.
