

## 12 Month Enrollment Option 2024-2025

Episcopal Collegiate School offers a 12-month enrollment option for students in rising PreK-3 through rising 5th grade that provides a combination of the regular school day, the Wildcat Club after school program, supervised activities during many school holidays, and Discovery Day Camp during the summer months. Uniquely created to address the needs of working parents, the 12-month option provides year-round supervised engagement and childcare options. The 12-month option bundles the school year tuition, Wildcat Club after school care, and participation for the entire summer of Discovery Day Camp into one discounted tuition amount. By enrolling in the 12-month program, families will save over 30% of the regular Wildcat Club and summer program fees, as well as gain access to supervised care on many School holidays.

School holidays on which supervised care will be offered during the 2024/2025 school year will include:

- Fall Break: October 10 and 11
