

Course Selection Worksheet

- ▶ Select classes for the entire year. You should have 14 semesters total
- ▶ Required core courses are filled in
 - ▶ You can choose between regular, Honors, or AP levels
- ▶ If necessary, write in your correct course level with the course code
- ▶ Choose remaining elective classes by using your credit check form
 - ▶ On the back of your registration form is a list of elective classes that your graduating class is eligible to request
 - ▶ Be sure to write down the course code (that is how you will enter your choices online)
- ▶ **Select 3 alternate electives**
- ▶ **If you have failed a required class**, you need to see your counselor to create a plan for credit retrieval and timely graduation
