

Coffee Chat with the Parent Mentor

Have you ever wanted to have a chat with our Parent Mentor about your child's education?

Do you wish you had someone who can answer questions about the special education process or help you address your concerns ?

If so, you are invited to call or email Jacqueline Howley to set up a time to talk about your questions. She will arrange a time and place at your convenience.

She can help you find resources in our county and help point you in the right direction.

And best of all, she knows how it feels to have a child with disabilities, their unique challenges and their gifts and abilities.

All conversations are confidential.
