The CABE Student Leadership Awards Program includes 7th and 8th grade students along with High School students who exhibit exemplary leadership skills. Two students from each school, in a CABE member district, are eligible to receive the **CABE Student Leadership Award**.

School principals are requested to ask their staff for the names of students who exhibit leadership skills based on the criteria below. The principal should then complete the application below and include the names and a brief biography of the students who are being nominated to receive the CABE Student Leadership Award. Return completed form and supporting information to CABE.

In May, CABE will mail certificates to each *superintendent* who can then make a formal presentation of the award at a Board of Education meeting or a school awards ceremony.
